is published in the centre of a fine to racco growing section, making it one of the best a lvertising mediums for merchants and warehousemen in the adjoining counties. Circulates argely in Person, Granville, Durham and Caswell counties, in North Car-, ma and Halifax county, Virginia. A vertising rates reasonable; terms ma . known on application.

## The Cure For

touch of royalty. To-day, many grateful people know that the "sovereign remedy" is Ayer's Sarsaparilla. This powerful alterative extirpates "the evil" by thoroughly eliminating all the strumous poison from the blood. Consumption, catarrh, and various other physical as well as mental maladies, have their origin in

### SCROFULA

When hereditary, this disease manifests itself in childhood by glandular swellings, running sores, swollen joints, and general feebleness of body. Administer Ayer's Sarsaparilla on appearance of the first symptoms. "My little girl was troubled with a painful scrofulous swelling under one of her arms. The physician being unable to effect a cure,

although every day a number of us- benefit to the service. portant appointments are expected to be made. There is a continuous stream of prominent callers at the White House every day, and few of then leave without putting in a ar gument for some friend, who is at applicant for some one of the large number of specially desirable places now at Mr. Harrison's disposal. I is probable that the large number of advisers, many of whom are here without being sent for, are responsi-

ble for the delay in making appoint-There is a wide discrepancy be tween statements made by two prominent citizens of North Carolina both present in this city, as to the present attitude of the Farmers' Alli. ance of that State towards the Third party movement. One of them, Sen ator Ransom, who is strongly opposed to both the demands of the Alliance and a Third party, says there is no Third party in the State and there will be none, because the members of the Alliance, with the exception of a few demagogues are all Democrats and will continue to be. The other gentlemen Col. L. L. Polk, who is President of the Na tional Farmers' Alliance and presumably acquainted with the intentions of the organization over which

he presides, says that the Alliance in North Carolina as well as in other Southern States, is prepared to a certain contingency to enter heartily into a Third party movement The contingency is that both of the old parties shall refuse to recognize

the demands of the Alliance, Which of these two men ought to be hest posted on this subject? Ex-Representtive 'Deacon' White, who was at the head of the New York firm that went under this week on account of its failures to corner September corn, was well known in Washington, where he served two years in the House of Representatives, nominally representing a Brooklyn district, but in reality directly representing the speculators of Wall street. He has been charged and his actions confirmed the charge and election to the House for the
