Bombarding the Enemy. West Indies, has near its shores the MADE EASY!
Ship rock, which appears, when seen from a short distance almost pre-The island of St. Thomas, in the Ship rock, which appears, when seen from a short distance, almost precisely like a full rigged ship under canvas. If the sky is doubted and the atmosphere hazy, the illusion is

M. M. Ballou repeats in Equatorial America" the story of mortifying mistake made by a French convette while cruising in these latitudes. It was at a to the whom the buccanesis were making great havoc with legitimate commerce in the West Indies. It seems that the coast was para tially hidden by a fog when the corvette made out this rock, and, sup posing it to be a ship under sail, fired a gun to leaward to hall her heart of to. Of course there was no response to the shot, and the fremenum property

his ship closer, and cleared the decks powerfund decisions, he discharged the whole of his starboard armament Barber Shop. into the supposed ship looming through the mist. The correction went about, and prepared to deliver her port guns in a similar manner.

Treatment for Soake Bites.

Joint Fayler offers the following suggestions for the treatment of snake bites: Let the patient be quiet. Do not fatigue him by exertion. When or even before symptons of poisoning make their appearance, rive lead de luce or liquor amonia or carbonate of ammonia, or even better than these, hot spirits and water. There is no occasion to intoxicate the person, but give it freely and at frequent intervals if the becomes low, apply sinopisms and hot bottles galvanism over the heart and diaphraces.
