If you want to know what electricity is doing for the worlo, if you want to become a practical electrician or electrician engineer enter this school, the only one of its kind.

Laboratory completely equipped for demonstration and practical work. Students learn the construction of instruments and machines by taking apart and reconstructing them, their theory from lectures presented in popular form and their practical use from experienced in structors. Graduates are competent to install wiring, dynamos, etc. and to manage railways and lighting plants. Lectures by the Principal who has had extensive experience in installation and by E. P. Lewis, Professor of Physics and Electrical Engineering in Columbian University. session begins Oct. 1, 1894. Terms for complete course lasting 8 months, \$50, payable \$20 on registering, \$15 Dec. 1, and \$15 Feb 1. For the information address

A YEAR FOR THE INDUSTRIOUS.

information address L. D. Bliss, Principal.

If you want work that is pleasant and profitable send us your address immediately. We teach mer and women how to earn from \$5.00 per day to \$3,000 per year without having had previous experience, and furnish the employment at which they can make that amount. Nothing difficult to they can make that amount. Nothing difficult to learn or that requires much time. The work is easy, healthy, and honorable, and can be done during daytime or evenings, right in your own locality, wherever you live. The result of a few hours' work often equals a week's wages. We have taught thousands of both sexes and all ages, and many have laid foundations that will surely bring them riches. Some of the smartest men in this country owe their success in life to the start given them while in our employ years ago. You, reader, may do as well; try it. You cannot fail. No capital necessary. We fit you out with something that is new, solid, and sure. A book brimful of advice is free to all. Help yourself by writing for it to-day—not to-morrow. Delays are costly.

PRICKLY ASH, POKE ROOT

AND POTASSIUM Makes **Marvelous Cures** in Blood Poison Rheumatism

and Scrofula P. P. P. purifies the blood, builds up the weak and deblitated, gives strength to weakened nerves, expels diseases, giving the patient health and happiness where sickness, gloomy feelings and lassitude first prevailed. For primary, secondary and tertiary syphilis, for blood poisoning, mercurial poison, malaria, dyspepsia, and in all blood and skin diseases, like blotches, pimples, old chronic ulcers, tetter, scald head, bolls, erysipelas, eczems—we may say, without fear of contradiction, that P. P. P. is the best blood purifier in the world, and makes positive, speedy and permanent cures in all cases.

Ladies whose systems are poisoned and whose blood is in an impure condition, due to menstrual irregularities, are peculiarly benefited by the wonderful tonic and blood cleansing properties of P. P. P. - Prickly Ash, Poke Root and Potassium. Springfield, Mo., Aug. 14th, 1893.

—I can speak in the highest terms of your medicine from my own personal knowledge. I was affected with heart disease, pleurisy and rheumatism for 35 years, was treated by the very best physicians and spent hundreds of delars, tried every known remedy without finding relief. I have only taken one bottle of your P. P. P., and can cheerfully say it has done me more good than anything I have evertaken. I can recommend your medicine to all sufferers of the above diseases.

MRS. M. M. YEARY.

Springfield, Green County, Mo.

P. P. for a disease of the skin, usually known as skin cancer, of thirty years' standing, and found great relief; it purifies the blood and removes all irritation from the seat of the disease and prevents any spreading of the sores. I have taken five or six bottles and feel confident that another course will effect a cure. It has also relieved me from indigestion and stomach troubles. Yours truly, CAPT. W. M. RUST, Attorney at Law.
