In Shoes. We couldn't buy anywhere now that would enable us to sell near as low as low as we're selling. But our foresight was good enough to prompt us to place our orders for Shoes early-before the rise-and the old adage, "Honesty the best policy," prompts us to be honest with you and sell them to you at simply an honest profit, and will do it.

Change in the crown, a little difference in the brim, and there you are; but what a difference it makes in the HAT. We've the pick of the season's plums in Hats. No need to wear old feathers with such prices.
