cause for regretting, As it, doubtless, shall be sanctioned by God's blessing.

M. C. THOMAS.

Leasburg, N. C. A WAR STORY.

"Ben Butler and I met in the ro tunda of the capitol," remarked Mr. Sayers, chairman of the appropriaa Star writer one day, "the last time sank to the ground. At the same I saw him. It was not long before instant an explosion like 40 batterthe old general's death, and the occasion, if I remember correctly, was some appearance he had to make before the supreme court in the case of the Chicago anarchists. As I shook the old man's hand my memory ler's name was the one I liked the a big army wagon. It had been the least and Butler's hands the last placed about 50 yards to the rear of

sistants. The course is four phy, I went with the Confederacy. right there. A shot from the Yancaptured a battery of three brass Courses of advanced instruc. guns. It was given to me to command, and the day I got that battery was the proudest day in my life. Then as I look back it still seems to me that these six brass field guns were the most beautiful things that

"Of course I was full of ardor. I For catalogue descriptive of the burned to do something with my get into trouble with those guns that hung like a blaneth between us and silver men.

I dragged a couple over to the Mississippi-we were in Louisiana at the time-and pulled on a fight with a stray gunboat belonging to the Yankees which I found prowling. around. We had a sharp, spit-fire time of it for a few moments, when a lucky shot from one of my guns tore a hole in her in such a fashion that it let the river in, and she filled

and sank. I was excessively proud

of the achievement. "Butler had New Orleans at time, and, among other things, was running the papers. Later I read an account of my brush with the gunboat in one of Butler's journals. It could not be called an unbiased statement. It reviled me as a most abandoned and bloodthirsty character As to who under the rule are the and declared that even after the gunboat surrendered I kept on pouring shot into her as if my one purpose course this was not so. I wouldn't have fired on anybody after he had that I didn't have the ammunition hauled his flag down, and besides to waste.

"After I rejoined the rest of my battery following the exploit of the gunboat I hunted trouble with the Yankees more zealously than ever One day I was fully gratified. were still in Louisiana. The came up one morning and found some 10,000 of us facing a largely superior force of Yankees. couldn't have crawled out of a fight even were we disposed, but no one Yet accepting the without could suggested any retreat. The fact was we felt quite cooky and were full of a belief that we could whip the invaders. The fight began, and soon had my heart's wish. I was in a peck of trouble with the Yankees, I and my battery. I had succeeded Yankee batteries all at once. They were a reasonably, brisk outfit, and it did'nt take them a minute to get my

kees made it one only need to say that they wounded or killed 40 of my brass beauties in 30 minutes. You might have planted corn where my battery stood when they got place into a hospital. At last a docthrough, it was so plowed and harrowed by the Yankee fire.

"I was in the thick of the battle was standing near the No. 1 gun. A man of the name of Thompson was stepping forward with a shot in his hands to load. Without a word or cry he suddenly fell forward on a gun and then slipped to the ground oluding myself, would have to be limp as a wet towel. A cannon ball left behind. They would be prisonhad torn through his chest.

"I ordered a man to his place Before he was there a moment fragment of shell from out of the sky struck him on top of his head, and he fell dead by the side of Thompson. It was such a whirl smoke and roar that I could'nt tell By showing themselves to be what was going on at the other guns, much less in other parts of the field. I had been ordered to hold my position and had made up my mind to hold it while a gun and a man of my battery held together. I ordered another to take the place of the secman got there just in time to recieve The so doing you will have no under his ear. This man, however,

available for this especial duty. They were dead and wounded and gone. and I took the post myself. I don't know how long it was-whether one minute or ten-when, without the slightest feeling of pain or warning, tions committee of the last house, to I was hurt, my legs gave way, and I ies all uniting in one discharge broke loose just to the rear of me. A column of fire and smoke shot toward battle. It was my amunation wagon. I had 2,000 rounds of amunation in

Highest of all in Leavening Power.-Latest U.S. Gov't Report

the enemy and acted the part of a shield. The Yankees couldn't see Mr. Ballour Speaks Eloquently in Favor of us, so they didn't shoot.

Two of my men came along and dragged me to the rear, out of the way of immediate harm. "Are you hurt, captain?" asked

I told him I couldn't tell. That was the extent of my information. He tore open my coat and vest. My shirt was white, and save for the Armenian horrors, and that it powder stains and the general grime had not prevented Russia from inin life was wholesale murder. Of of battle it was white still. Not a tervening. Russia, he said, had not drop of blood reddened it. I held been willing to undertake the duty. up my left boot.
