CALLS UPON POPULISTS TO BE PATRIOTS.

Warns Them Against Being Deceived and Slaughtered - - Stand up for principles Instead of Pie

TO THE PEOPLE'S PARTY VOTERS OF NORTH CAROLINA:

Will you now on the eve of the Mr. S. F. Collier, of Woodburn, election desert your party flag and the principles you profess to love? Will you be allured into' the camp. of Mark Hanna and politically slaughtered? I refuse to believe it and will not be convinced to the contrary until your votes shall be counted and returned. Will you take the earnest advice and listen to The Republicans in this County this last appeal of him whom you honored with your confidence at our last State Convention by nominating me as your choice for the office of Governor? Will you fail to vote for each and every elector on the Bryan Presidential ticket? Will you vote for a gold bug to represent you in the next Congress of the United States? Will you throw away your votes for Congressman upon Populist "decoys" in the 5th and 9th Con-

estly and fearlessly. I beg to assure you that as to my personal candidacy for Governor, it gives me little concern what the result as to my own election or defeat may be; but the future status of the People's Party in North Carolina, and the right decision of the vital questions of governmental policy, State and national, involved in this political contest, cause me the deepest anxiety. As you love your country, your neigh- tains," atter which, Rev. M. H. Let us show to the world that we are not a gang of professional office seekers, but a band of political patriots moved by action, by love of country and a proper conception of the duties and responsibilities as well as the privileges of American agingly small yet by patience, per. citizenship. Holy writ and human experience, both alike, teach us that "A tree is known by its fruits." and, "A man's acts speak louder than words." Let us prove our political faith by our political acts.

The Missionary Conference.

The Women's Missionary Conference for the Darham District of the North Carolina Conference convened at the Methodist church in Roxboro last Saturday Oct. the 24th, with a goodly number present, although the number of delegates was small near. ly all the Auxilliary Societies and Bright Jewel hands in the District were represented. Mrs. J. S. Bassit of Durham, the District Secretary, presided at the meeting. The meet. ing was opened by the singing of the nymu, "From Greenlands Icy Mounthe read a few verses of Joan xv., and Rev. A. G Groves offered a prayer for the success of the meeting. Mrs. M. H. Tuttle delivered the address gates a hearty welcome to the homes of the Roxboro people. This was re. sponded to in an interesting way by Miss Pescud, of Raleigh the Mis. sionary Treasurer.

The morning session was taken up ... y having reports from the different Auxillery bands in the district. The reports show that although the mem. berships in many places is discourseverance, and united effort the ladies of the conference have been accomplishing a great work for heathen lands. A very interesting Bible reading was conducted by Miss Pescud, of Raleigh, after which the session closed.

In the afternoon the Conference met again to hear reports from the Bright Jewel Bands. The little people of these bands have raised almost as much money as the older ones for their fittle friends across the waters. On Saturday night, the Bright Jewel Band of Roxboro gave a very interesting, entertainment consisting
