

## ONE OF TWO WAYS.

The bladder was created for one purpose, namely, a receptacle for the urine, and as such it is not liable to any form of disease except by one of two ways. The first way is from imperfect action of the kidneys. The second way is from careless local treatment of other diseases.

### CHIEF CAUSE.

Unhealthy urine from unhealthy kidneys is the chief cause of bladder troubles. So the womb, like the bladder, was created for one purpose and if not do-tored too much is not liable to weakness or disease, except in rare cases. It is situated back of and close to the bladder, therefore any pain, disease or inconvenience manifested in the kidneys, back, bladder or urinary passage is often, by mistake, attributed to female weakness or womb trouble of some sort. The error is easily made and may be easily avoided. To find out correctly, set your urine aside for twenty-four hours; a sediment or settling indicates kidney or bladder trouble. The mild and the extraordinary effect of Dr. Kilmer's Swamp root, the great kidney, and bladder remedy is soon realized. If you need a medicine you should have the best. At druggists fifty cents and one dollar. You may have a sample bottle and pamphlet sent free by mail. Mention THE COURIER and send your address to Dr. Kilmer & Co., Binghamton, N. Y. The proprietors of this paper guarantee the genuineness of this offer.

Col. J. S. Carr, of Durham, attended the Southern Bankers Association at Atlanta. He was called on for speech and he is reported to have said, among other things, the following which occurs to us as sensible:

"I am a free silver Democrat," he declared. "When I get among bankers I confess that I feel lonesome, but I have plenty of company when I am with the rest of the people. I am for State banks all right, and I don't care if the notes don't circulate out side of the State of their issue. We want money we can keep at home. The trouble with this good money that circulates everywhere, is that it circulates away from us. The gold standard may be all right for the people up North, where they have plenty of money, but we want something else. I got my ideas of political economy and finance by hard knocks. I tell you that the alarm has been sounded in the watch tower of the public and the people are demanding that something be done. We had better be doing it, too. I am for the dollar of our dadies, State banks and free silver."

## A \$2,000 Word!

This paper announces, in connection with The Atlanta Weekly Constitution, a new offer in which everyone may have a chance to supply the missing word in this sentence:

"AT FIRST IT WAS CONSIDERED BY THE ' ' AS A GOOD OMEN."

The sentence is taken from a well-known publication. The word is a familiar one, and it may readily suggest itself.

## Contest Began Jan. 1—Ends March 1, '98

TO ENTER THIS CONTEST YOU MUST SUBSCRIBE FOR

IN CONNECTION WITH  
**THE COURIER,**  
AT THE EXTREMELY  
LOW PRICE OF **\$1.75**

In connection with this Clubbing Rate, we will, if you send your guess with the subscription price, forward all for you and thus **GIVE YOU A CHANCE AT THE MISSING WORD FUND**

At the end of period covered by this contest The Constitution will pay out to the successful party or parties the full prize amount that has accrued in the contest. The plan is simple and these contests have become so popular and have been conducted with such absolute fairness to all that they have been widely copied after, but none have become equal to The Constitution's great original series.

**IN ONE YEAR THE CONSTITUTION HAS PAID OUT NEARLY \$6,000 IN CASH**

In these missing word contests, it sets aside 10 per cent of the subscription fund received from subscribers guessing at the missing word, and this fund is given to the successful guesser or guessers in the contest. The fund is distributed with absolute fairness, and the fact that The Weekly Constitution has MORE THAN 150,000 subscribers and that it puts aside 10 per cent from all guessers' subscriptions for this distribution fund shows that the amount to be divided at each interval is large enough to be worth striving for. It is not a catch-penny or a deceitful proposition, but the plan is open and simple and IS ADMITTED to the mails by the Post Office Department as a meritorious contest.

The book from which the sentence is taken is deposited in a safety vault, under seal, and will be opened at the close of the contest before a competent committee, which makes the award after an examination of the subscription books.

In one of these contests there was only one successful guesser, who received more than \$1,000, and in addition to this in one year \$5,000 has been distributed among successful guessers.

Remember that whether the missing word is supplied or not, it costs nothing to guess, and even though not successful, the guesser gets

### THE GREATEST OF ALL WEEKLY NEWSPAPERS FOR ONE YEAR

Keep that in view and send your guess with your clubbing subscription for your home paper and The Weekly Constitution.

Should you already be a subscriber to your home paper, remit \$1 to this paper for The Weekly Constitution for one year, and it will be forwarded to The Constitution with your guess.

The Constitution guarantees that the amount of the award will not be less than \$500 in cash, and it may be as much as \$2,000.

THE WEEKLY CONSTITUTION IS THE GREATEST WEEKLY NEWSPAPER IN THE WORLD. It is a TWELVE-PAGE, SEVEN-COLUMNS TO THE PAGE NEWSPAPER, containing EIGHTY-FOUR COLUMNS every week. It has no equal as a Weekly Newspaper in America; its news reports cover the world, and its correspondents and agents are to be found in almost every bailiwick of the Southern and Western States.

AS A MAGAZINE it prints more matter than is ordinarily found in any magazine in the country. AS AN EDUCATOR it is a schoolhouse in itself; a year's reading of The Constitution is a liberal education. ITS SPECIAL FEATURES commend it especially to every farm home in America. ITS FARM AND FARMERS' DEPARTMENT, its Woman's Department and its Children's Department are all under able direction, and are specially attractive to those to whom these departments are addressed. The Constitution is Democratic in Politics, and it is a hearty advocate of the principles enunciated in the National Platform of the Party.

### THE FOLLOWING ARE THE CONDITIONS OF THE CONTEST

Ten Per Cent of the Guessers' Subscriptions goes to the Fund to be divided. In other words if this Subscription Fund amounts to \$20,000 for this period then the fund to go to the successful guesser would be \$2,000.

THE CONSTITUTION PUTS 10 PER CENT of the amount it receives for subscriptions from parties entering the Missing Word Contest into a fund for the distribution among those who name correctly the missing word. If only one contestant gets the right word, he or she will be given the entire fund. If more than one supplies the missing word, the same will be proportionately divided among the successful guessers.

THE CONDITION PRECEDENT FOR SENDING A GUESS at the Missing Word, is that each and every guess must be accompanied by a year's subscription to The Weekly Constitution. If sent through the paper publishing this advertisement in acceptance of our clubbing offer, the guess at the missing word will be forwarded. The guess must be sent with the subscription. Should one person send more than one answer, he or she will be entitled to a share of the fund for each correct answer. There will be no capital prize—everyone will get a first prize. Persons may guess as many times as they send subscriptions.

IN MAKING YOUR ANSWER you need not write the sentence out in full—just say the Missing Word for the above particular period (designating it) is " ".
