## Died.

Mrs. Nancy Link, widow of Booker Link, nee Miss Nancy Buchanan, was born Aug. 22nd 1812. In 1833 she was married to Mr. Booker Link. From this union sprang eleven children, ten of whom survive her. When about 18 years of age she gave her heart to Christ and united with Mill Creek Baptist church. On Aug. 23, at the close of her 86 year she went to live with God in his beautiful home. What a long life in Christ Jesus! Sixty-six years for Christ and humanity! In the death of sister Link the last of the old organization pillars of Mill Creek has fallen. She joined before the first house was built and lived to see the church she loved so well recently remodeled, and with a membership of about two hundred and sixty. Mill Creek will miss her, but she bows in submission to God's will. Sister Link tried from early christian life to adorn her profession. The verdict of all who know her is that "a good woman is at rest." The work of those sixty-six years shall live both in time and eternity. What a legacy to this sin-cursed world. What a legacy to take with her to glory. Truly was that promise of God richly fulfilled in her life "but seek ye first the Kingdom of God, and his righteousness; and all these things shall be added unto you."

## Died.

Mrs. Mary Ellen Ramsey wife of James Ramsey, nee Miss Mary Ellen Link passed from time into eternity. She was about sixty-three years old at her death. About forty or forty-five years ago she became a follower of our Lord and Savior, Jesus Christ, and at her death she was devout in the faith, strong in faith and rich in grace. She was a member of Mill Creek church for the last few years of her life. We shall miss her but God Knows best. She was a sufferer for several years and was confined largely to her home, but still her light was shining and blessing the world. Sister Ramsey left no children but a fond and devoted husband to mourn his loss. What a beautiful coincidence that these two old friends and saints sisters Ramsey and Link should follow each other so closely to live together in that city of gold. Beautifully may it be said in reference to her life, "Be thou faithful unto death, and I will give thee a crown of life."

Deafness cannot be cured by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness and that is by constitutional remedies. Deafness is caused by the inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound or imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of mucous surfaces. We will give One Hundred Dollars for any case of deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

Dr. Miles' Nervine Restores Health.

UNCLE EZEKIEL OBEAH, assessor and tax collector, Beverly, Mass., who has passed the 80th life mile stone, says: "Dr. Miles' Restorative Nervine has done a great deal of good. I suffered for years from sleeplessness and nervous heart trouble. Would feel weary and used up in the morning, had no ambition and my work seemed a burden. A friend recommended Dr. Miles' Nervine, and I purchased a bottle under protest as I had tried so many remedies unsuccessfully, I thought it no use. But it gave me restful sleep, a good appetite and restored me to energetic health. It is a grand good medicine, and I will gladly write anyone inquiring, full particulars of my satisfactory experience."

Dr. Miles' Remedies are sold by all druggists under a positive guarantee, first bottle benefits or money refunded. Book on diseases of the heart and nerves free. Address, DR. MILES MEDICAL CO., Elkhart, Ind.
