When you want medicine you go to a drugstore, and when you want a plow you go to a hardware store, but when you want groceries, why—you go to Johnson, the groceryman, because there you will always find the best that is to be had. Have you tried his standard grades of flour? None better.

Dr. W. G. Bradsher Dead.

Dr. W. G. Bradsher, of Olive Hill, died at his residence on the 22nd of this month. He had been in bad health for two or three years, and for several months had continued to grow worse until the end came. He was 64 years of age, and had been a practicing dentist for many years.

Dr. Bradsher attended lectures at the Baltimore Dental College, of Baltimore, Md., after which he returned home, and practiced his profession in Person, Caswell and Orange counties. We think, for a number of years, he was the only dentist in these counties.

He leaves a wife, and three children—Dr. J. C. Bradsher, of Berra, our townsman Wm. T., and Miss Eugenia, to mourn his death. In the hour of their bereavement they have the sympathy of a large circle of friends and relatives.

One Minute Cough Cure, cures. That is what it was made for.

The Roxboro Institute.

Roxboro Institute will begin its session next Monday under the management of Prof. Geo. B. Pegram. Until Christmas it will be the public school for the Roxboro district, so there will be no tuition charges to the children of the town that, takes the public school course. Those taking more advanced studies will pay accordingly.

As one assistant Prof. Pegram will have his sister, Miss Annie M. Pegram, who is an A. B. graduate of Trinity College, and well prepared for the work. The other assistant, Mrs. H. Fields, will have charge of the primary department. Mrs. Fields is well known among us and parents should have no anxiety in entrusting their children to the care and instruction of this excellent lady and experienced teacher. Miss Fannie Sergeant who has taught heretofore so acceptably, will continue to teach music for the Institute.

Prof. Pegram is much pleased with our people and the prospects of his school, and hopes to have the good school that Roxboro should support. He requests that the patrons send their children on the first day and have them bring the books they have been using heretofore.

Try Electric Bitters and be convinced that they are a miracle worker. Every bottle guaranteed. Only 50 cts a bottle at J. De. Morris' Drug Store.
