

County Exhibits For the State Fair.

The Fair is close at hand, and we beg leave to say to the people of Person county, that if the County is to be represented at the State Fair as it should be, they must be up and doing. The time is short, but much can be done by energetic work. We hope the people will give their earnest consideration, and send in their contributions to help swell the exhibits from Person county. Do not let any one depend on his neighbor to do what he can do himself. Many have already expressed their willingness to aid in this work, but we want the help of all, for if each one will do a little, Person county can make a display that will do her credit. The ladies are earnestly requested not to forget that their aid is needed also, for on them depends many of the attractive features of the exhibits. All who have articles to send and do not wish to attend to it themselves can leave them at the store of J. A. Long, on or before, October 19th. We request that all articles be plainly marked, with the name of article, the name of exhibitor and post office address. We will attend to the packing of the articles and shipping them to Raleigh, placing them on exhibition and giving them such personal attention, during the Fair, as they may require. The success of the exhibit sent from Person County to the Fair depends upon individual effort, and we trust that the people will give us their hearty support so that the president of the Fair will not have occasion to be ashamed of his County.

Yours truly,
L. M. THAYER.

How it Hurts!

Rheumatism, with its sharp twinges, aches and pains. Do you know the cause? Acid in the blood accumulated in your joints. The cure is found in Hood's Sarsaparilla which neutralizes this acid. Thousands write that they have been completely cured of rheumatism by Hood's Sarsaparilla.

HOOD'S PILLS cure nausea, sick headache, biliousness, indigestion. Price 25 cents.

When Mark Twain Felt Embarrassed.

When Mark Twain was first introduced to General Grant the latter shook hands in a perfunctory manner and immediately relapsed into his customary attitude of reticence. There was an awkward pause; it grew longer and longer as the humorist tried to think of something bright to say. Finally, as if in sheer desperation, Twain looked up with an assumed air of great timidity, and said: "Mr. President, I—I feel a little bit embarrassed. Do you?" The President could not help smiling, and Mark took advantage of the chance the incident presented to give place to others.

Ten years later, when statesman and humorist met again, General Grant, with a twinkle in his eye, said, before Twain had the chance to utter a word: "Mr. Clemens, I don't feel at all embarrassed. Do you?"—October Ladies' Home Journal.

Three Doctors in Consultation.

From Benjamin Franklin: "When you are sick, what you like best is to be chosen for a medicine in the first place; what experience tells you is best, to be chosen in the second place, what reason (i. e., Theory) says is best to be chosen in 3rd place. But if you can get Dr. Inclinatio, Dr. Experience and Dr. Reason to hold a consultation together, they will give you the best advice that can be taken."

When you have a bad cold Dr. Inclination would recommend Chamberlain's Cough Remedy because it is pleasant and safe to take. Dr. Experience would recommend it because it never fails to effect a speedy and permanent cure. Dr. Reason would recommend it because it is prepared on scientific principles, and acts on nature's plan in relieving the lungs, opening the secretions and restoring the system to a natural and healthy condition. How to Prevent Croup.

We have two children who are subject to attacks of croup. Whenever an attack is coming on my wife gives them Chamberlain's Cough Remedy and it always prevents the attack. It is a household necessity in this county and no matter what else we run out of, it would not do to be without Chamberlain's Cough Remedy. More of it is sold here than of all other cough medicines combined.—J. M. NICKLE, of Nickle Bros., merchants, Nickleville, Pa. For sale by W. R. Hambrick & Co.

Pains of Rheumatism

Have Completely Disappeared Since Taking Hood's Sarsaparilla.

Rheumatism is due to acid in the blood. Hood's Sarsaparilla neutralizes this acid and permanently cures the aches and pains of rheumatism. Read the following:

"I was troubled with rheumatism when I was a small boy, and I have been a sufferer with it more or less all my life. Not long ago I took a bottle of Hood's Sarsaparilla, and it did me so much good I continued its use, and since taking three bottles I have felt no symptoms of rheumatism." R. B. BLALOCK, Durham, N. C.
