### TOMMY SETTLE GETS IN LINE.

EX-CONGRESSMAN SHOWS HIS COLORS.

Says He Will Not be a Candidate For Any Office of a Party Which Makes Its Opposition to White Rule the Basis of its Platform.

GREENSBORO, N. C., August 30.—In an interview today ex-Congressman Thomas Settle stated that he would advise the adoption of the proposed Constitutional Amendment relative to the restriction of the present ignorant vote of the State.

He added that he believed it would be the wisest thing for all concerned—"for the best wisdom of the State."

The adoption of this amendment he added, will be the one and wisest solution of the most difficult problem now confronting the people of North Carolina, irrespective of race, and of all the Southern States.

WILL NOT BE A CANDIDATE FOR ANY OFFICE IF PARTY OPPOSES IT.

Although urged by friends to become a candidate for Congress of the Fifth District, or for Governor, he said: "I am not willing to and will not stand as a candidate of a party for any office which makes opposition to the opposed suffrage amendment the basis of its platform."

Mr. Settle continued, adding:

"In national politics I am a Republican, pure and simple, but I declare to you that I have no sympathy with the political log-rolling now so much in vogue with some North Carolina Republicans."

As generally known throughout the South, ex-Congressman Settle is one of the ablest young Republicans in the South—a Republican "by ancestry," his father having been one of the ablest of the Supreme Court Justices of North Carolina.

This, his first definite indication of the stand he will take in the coming great fight, will encourage Democrats and exercise a great influence over the thousands of white Republicans of the western counties of North Carolina, many of whom are similarly situated as he and imbibe the same principles which he publicly has represented in the halls of Congress and other high offices of trust, as a Republican.

No Right to Ugliness.

The woman who is lovely in face, form and temper will always have friends, but one who must be attractive must keep good health. If she is weak, sickly and all run down, she will be nervous and irritable. If she has constipation or kidney trouble, her impure blood will cause pimples, blotches, skin eruptions and a wretched complexion. Electric bits is the best medicine in the world to regulate stomach, liver and kidneys and to purify the blood. It gives strong nerves, bright eyes, smooth, velvet skin, rich complexion. It will make a good-looking, charming, charming woman of a run down invalid. Only 50 cents at J. D. Morris Drug Store.

NOTICE:—

Seal bids for superintendent of Poor House will be received from now until first Monday in October 1899 on which day said bids will be opened and lowest bids made known. No one need bid unless bidder is recommended by some good citizen or farmer as being a suitable person. Commissioners reserves the right to reject any or all bids.

### Painless Land.

After trials, vexations, disappointments, aches and pains, it is consoling to know there is a land of pure delight where saints immortal dwell, free from pain, and all else that causes existence unpleasant, such we believe is the haven of rest reached by our much esteemed brother in Christ Rev. E. J. Montague, whose soul took its flight on Aug. 23rd, 1899. Its departure was calm, peaceful, gradual and serene as of a new born babe that had never known sin. He had preached the blessed old story of Christ for about 45 years. To churches—Antioch, Aarons Creek, North Fork, Mt. Harmony, Providence, Snow Hill and probably others. His last and most precious ministry to him I believe, was at Snow Hill a little church near his home where he met his own dear family, consisting of his wife, five amiable daughters and one son, together with those of his neighbors that he could induce to come. He not only preached once a month to them but taught the blessed Bible every Sunday. The little church as I passed it today seemed to be shorn of its strength, its leader gone on before to that home of peace, joy and rest that he so often had told his little flock about.

Sleep on precious saint, for nearly 67 years you battled with life's trials but trials aches and pains are all over, and we believe you are resting sweetly in the enjoyment of a reward provided to the faithful.

Calm is thy slumber as an infants sleep. But thou shalt wake no more to toil and weep. Thine is a perfect rest secure and deep. Good night, good-night.

T. H. STREET.

Off for School.

Roscoe Wagstaff, of Winstead, left Monday evening for Raleigh, to enter the A. & M. College.

Misses Lou and Mollie Walters, of Woodburn, were in town Monday, and left on the evening train for Oxford, to enter the Seminary.

Willie Coltrane went over to Durham, Monday evening, to enter Trinity College.

Miss Sula Scoggin left Tuesday for Scotsburg, Va., to enter the school there.

Others will leave in a few days for different schools.

Tobacco Notes and Personals.

J. T. Morton and H. M. Yarboro returned from Latta, S. C., last Saturday, where they had been engaged in the tobacco business.

L. J. Winstead, of Danville, spent Sunday in town with his mother.

New tobacco is being sold here now in large quantities, and at very satisfactory prices.

Lots of tobacco has been cut during the past week. Some of our farmers say that not as good crop has been made as was expected two months ago.

W. E. Field Goes to Atlanta.

Willie E. Field left Thursday evening for Atlanta, Georgia, to accept a position with an electric company of that city. Mr. Field had been connected with the same firm until they went out of business about two years ago. The concern is now in new hands, and they were very anxious to secure the services of this young man. Mr. Field has many friends here who wish him the very best possible success in his new home.

### Improving the Walk.

C. H. Hunter is making a decided improvement in front of his store by putting in windows to the basement and laying the walk with vitrified brick. When it is finished it will be one of the nicest pavements to be found in Roxboro. It is learned that Mr. Hunter will in the near future put in large plate glass windows, which will greatly improve the appearance.

Colored Baptizings.

Sunday was a favorable day for colored baptizings. Twenty seven persons were baptized at Tuttle pond Sunday morning, and nineteen were baptized, it is learned, at Buchanan's pond. It is estimated that between 400 and 500 people attended at the former place—about as many whites as colored, and it was a well-behaved crowd. Elder Graves, the pastor of the colored Baptist church at this place, baptized them.

Goes to Pennsylvania.

J. Arthur Jones left Woodburn last week for Connellsville, Pa., where he has accepted a position as clerk in a hotel. Mr. Jones is a bright young man and will no doubt fill the position with much credit. His many friends in this county wish for him much success in his new home. He will be greatly missed in the Woodburn community.

Preaching Announcement.

Rev. R. H. Broom announces that protracted services at Brooksdale are to begin on Thursday, September 14th, 1899, at 7:45 p. m. Only evening services will be held for the first four days, including Sunday. Beginning on Monday, the 18th, the usual order of services, at 11 a. m. and 2 p. m., will be observed till the meeting shall close.

It is hoped that the entire community, moved by earnest desire to receive good and do good, will attend every service.

Army Worm on Deck.

Wyatt, N. C., Sept. 4.—There has appeared in our section what is known as the "Army Worm," and no doubt can be found throughout the county. They are devouring the grass crop and also the late corn. In some sections the late corn has been stripped by these of its fodder. They have taken to the field peas, where there is not the grass for them. Also have taken to the cotton in places. Should they take to the cotton they will damage some to a great extent.

You assume no risk when you buy Chamberlain's Colic, Cholera and Diarrhoea Remedy. Hambrick will refund your money if you are not satisfied after using it. It is every where admitted to be the most successful remedy in use for bowel complaints and the only one that never fails; it is pleasant, safe and reliable.

Dissolution Notice.

The mercantile partnership heretofore existing under the name and style of C. T. Willson & Co. composed of C. T. Willson and A. R. Foushee, has this day been dissolved by mutual consent. All the persons indebted to the firm are earnestly requested to come forward and pay immediately. This book are kept at the old stand, either member of the firm will collect or receipt for the same.

### Deafness Cannot be Cured

by local applications, as they cannot reach the diseased portion of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is caused by an inflamed condition of the mucous lining of the Eustachian Tube. When this tube gets inflamed you have a rumbling sound of imperfect hearing, and when it is entirely closed deafness is the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by catarrh, which is nothing but an inflamed condition of the mucous surfaces.

We will give One Hundred dollars for any case of Deafness (caused by catarrh) that cannot be cured by Hall's Catarrh Cure. Send for circulars, free.

REGARDLESS OF AGE.

The kidneys are responsible for more sickness, suffering, and deaths than any other organs of the body.

A majority of the ills afflicting people to-day is traceable to kidney trouble. It prevades all classes of society, in all climates, regardless of age, sex or condition.

The symptoms of kidney trouble are unmistakable, such as rheumatism, neuralgia, sleeplessness, pain or dull ache in the back, a desire to urinate often day or night, profuse or scanty supply.

Uric acid, or brick-dust deposit in urine are signs of clogged kidneys, causing poisoned and germ-filled blood. Sometimes the heart acts badly, and tube casts; (wasting of the kidneys) are found in the urine, which if neglected will result in Bright's Disease, the most dangerous form of kidney trouble.

All these symptoms and conditions are promptly removed under the influence of Dr. Kilmer's Swamp-Root. It has a world wide reputation for its wonderful cures of the most distressing cases.

No one need be long without it as it is so easy to get at any drug store at fifty cents or one dollar. You can have a sample bottle of this wonderful discovery, Swamp-Root and a book telling all about it, both sent to you absolutely free by mail. Send your address to Dr. Kilmer & Co., Binghamton, N. Y. and kindly mention that you read this liberal offer in THE COURIER.

Ex-Congressman John Nichols says ex-Judge Spencer B. Adams will be the next Republican nominee for Governor. Loge Harris, on the contrary, says that the nomination will go begging and will literally have to be forced upon some one.

It is about time to begin the heavy winter sewing. Everybody will need a good sewing machine and can get the best at Morris' Drug Store, all the latest improvements and attachments, 3 draws, on thirty (30) days trial for \$17.90. Money refunded if not satisfactory.

Up to date this year the Secretary of State has granted charters to 136 corporations, against 118 to this date last year. Of the 136 no less than 22 were to cotton mills. This shows an unprecedented development.

\$17.90 gets high grade Sewing Machine with all latest improvements on thirty (30) days trial at Morris' Drug Store.
