

**Taken With Cramps.**

Wm. Kirmse, a member of the bridge gang working near Littleport was taken suddenly ill Thursday night with cramps and a kind of cholera. His case was so severe that he had to have the members of the crew wait upon him and Mr. Gifford was called and consulted. He told them he had a medicine in the form of Chamberlain's Colic, Cholera and Diarrhoea Remedy that he thought would help him out and accordingly several doses were administered with the result that the fellow was able to be around the next day. The incident speaks quite highly of Mr. Gifford's medicines.—Elkader, Iowa, Aug. 18.

This remedy never fails. Keep it in your home. It may save life. For sale by Hambrick & Austin.

Prof. E. H. Goldston, principal of the Colored Graded School, has returned from Jackson Springs, Moore county, where he spent some time. He says that large crowds have been that noted resort this summer.

**FEMALE WEAKNESS**

542 1-2 Congress St. PORTLAND, MAINE, Oct. 17, 1902. I consider Wine of Cardui superior to any doctor's medicine I ever used and I know whereof I speak. I suffered for nine months with suppressed menstruation which completely prostrated me. Pains would shoot through my back and sides and I would have blinding headaches. My limbs would swell up and I would feel so weak I could not stand up. I naturally felt discouraged for I seemed to be beyond the help of physicians, but Wine of Cardui came as a God-send to me. I felt a change for the better within a week. After nineteen days treatment I menstruated without suffering the agonies I usually did and soon became regular and without pain. Wine of Cardui is simply wonderful and I wish that all suffering women knew of its good qualities.

Wilhelmina Brown  
Treasurer, Portland Economic League

Periodical headaches tell of female weakness. Wine of Cardui cures permanently nineteen out of every twenty cases of irregular menses, bearing down pains or any female weakness. If you are discouraged and doctors have failed, that is the best reason in the world you should try Wine of Cardui now. Remember that headaches mean female weakness. Secure a \$1.00 bottle of Wine of Cardui today.

**Good Spirits.**

Good spirits don't all come from Kentucky. Their main source is the liver—and all the fine spirits ever made in the Blue Grass State could not remedy a bad liver or the hundred and one evil effects it produces. You can't have good spirits and a bad liver at the same time. Your liver must be in fine condition if you would feel buoyant, happy and hopeful, bright of eye, light of step, vigorous and successful in your pursuits. You can put your liver in fine condition by using Green's August Flower—the greatest of all medicines for the liver and stomach and a certain cure for dyspepsia or indigestion. It has been a favorite household remedy for over thirty-five years. August Flower will make your liver healthy and active and thus insure you a liberal supply of "good spirits." Trial size, 25c.; regular bottle, 75c. At all druggists.

Last week we unintentionally omitted to mention the fact of the death of Guy Foushee, a nephew of Mr. A. R. Foushee, of Roxboro, which occurred a few days ago at Amarillo, Texas. The remains reached Durham on Monday morning of last week and were laid to rest in Maplewood cemetery. The funeral services were conducted by Rev. C. J. Thompson, pastor of the First Baptist church of Durham. Guy accompanied his mother, Mrs. Corinne Foushee, to Texas a few weeks ago. Our readers will remember that Mrs. Foushee died soon after reaching the Lone Star State, and her remains were brought back to Durham for burial. Guy passed away with the same disease that his father and mother had—consumption. Deceased was 20 years of age. Only two of the immediate family are left—Miss Emma and Charlie Foushee.

**A Physician Healed.**

Dr. Geo. Ewing, a practicing physician of Smith's Grove, Ky., for over thirty years, writes his personal experience with Foley's Kidney Cure: "For years I had been greatly bothered with kidney and bladder trouble and enlarged prostate glands. I used everything known to the profession without relief, until I commenced to use Foley's Kidney Cures. After taking three bottles I was entirely relieved and cured. I prescribe it now daily in my practice and heartily recommend its use to all physicians for such troubles. I have prescribed it in hundreds of cases with perfect success." Sold by Hambrick & Austin.

**Sour Stomach.**

When the quality of food taken is too large or the quality too rich, sour stomach is likely to follow, and especially so if the digestion has been weakened by constipation. Eat slowly and not too freely of easily digested food. Masticate the food thoroughly. Let five hours elapse between meals, and when you feel a fullness and weight in the region of the stomach after eating, take Chamberlain's Stomach and Liver Tablets and the sour stomach may be avoided. For sale by Hambrick & Austin.

PERSON county finances were never in a better condition than a present. County scrip is worth dollar for dollar. Numbers of Person people remember how it used to be when scrip was considerably below par. This is something worthy of careful consideration in this political campaign. A vote for the Democratic ticket indicates that you desire the present condition of things to continue.

**Emergency Medicines.**

It is a great convenience to have at hand reliable remedies for use in cases of accident and for slight injuries and ailments. A good liniment and one that is fast becoming favorite if not a household necessity is Chamberlain's Pain Balm. By applying it promptly to a cut, bruise or burn, it allays the pain and causes the injury to heal in about one-third the time usually required, and as it is an antiseptic, it prevents any danger of blood poisoning. When Pain Balm is kept at hand a sprain may be treated before inflammation sets in, which insures a quick recovery. For sale by Hambrick & Austin.
