IN THE RACE FOR GOVERNOR.

Congressman Kitchin Will Ask Nomination of Democrats. Six Times He Has Been Elected to Congress, Changing This District from Republican to a Democratic Majority.

Congressman W. W. Kitchin is to be a candidate for the nomination for governor at the hands of the democratic party in the next campaign. He admitted as much last night when questioned by the reporter for the Herald, who found him at the Hotel Carolina.

For several months there have been persistent rumors that Congressman Kitchin would be a candidate for the nomination of governor, but nothing definite has been known about the matter until he gave it to The Herald representative last evening.

Congressman Kitchin was asked the pointed question if there was any truth in the rumors, and he was told about the talk of him being a candidate for the nomination.

"I cannot deny that my present intentions are to be a candidate for the nomination for governor," he answered in reply to the question asked him. He added: "But it is entirely to far in advance for me to begin an active campaign at this time."

This declaration coming from the able representative in congress from this district sets aside the rumors of his intentions and makes certain that in the campaign that will be on next year he will be in the race for the nomination for chief executive of this state.

Close friends of Mr. Kitchin say that it was only recently a few weeks ago, that he made up his mind fully to get into this race. For several years his friends have begged and importuned him to make the race for governor but he waved them aside saying that it was not then the time for him to give up his

congressional work and make this race. Last campaign those who admire him most were the most active in urging him to be a candidate and to allow his friends to push his name forward. As the campaign advanced these demands and requests became more frequent and urgent. Then he began to think more seriously about the matter. He took it under advisement. The result was that since the Christmas holidays he has told a few friends who asked him about the matter that he had decided to be a candidate.

Six times Mr. Kitchin has been elected to congress from this district, the present term making 12 years that he has been a member of that great law making body. In each of these campaigns he was nominated without opposition and in the contest that followed he rolled up big majorities. It was his effort that changed the condition of affairs in this district and defeated the republican congressman, Mr. Settle. Since that time he has had no trouble in the race for the office.

He is so well known to all the people of this section, and in fact throughout the state, that any information regarding the career of this able statesman would be out of place in these columns. He is known to more people and knows more people personally than any one man in this district. This is not only true here but from Winston to the coast he is known and admired and it was his help in the past that assisted in shaping the political destinies in districts other than his own. —Durham Herald.

Jury Returns Verdict at 10:30 p. m. Giving Mrs. J. H. Allen \$10,000 and Mr. Allen \$1,000 in suits Against Traction Company.

Durham Jan, 26.—The case of Mr. and Mrs. J. H. Allen against the Durham Traction Company, which has been on trial since Wednesday morning was given to the jury last night at 6:45; at 10:30 a verdict was returned. Mrs. Allen, who sued for \$30,000 is given \$10,000. Her husband, who sued for 2,500, is awarded \$1,000.

The plaintiffs in this case sued on account of damages sustained by Mrs. Allen while leaving a car last summer. She was thrown and so badly injured that she is now forced to use crutches in getting about. There is a brilliant array of counsel in case. The plaintiff is represented by Messrs. Winston and Bryant, of this city, and Congressman W. W. Kitchin, who came here from Washington to appear in the case. The defendant is represented by Messrs. Manning and Foushee, of this city, and Solicitor A. L. Brooks, of Greensboro. The case was appealed to-night to the Supreme Court.

AN AGED PHYSICIAN

After Years of Experience Gives the Following Advice

"If you have anything to do with medicines at all be pretty sure you know what you are taking."

Our local druggists Hambrick & Austin, says this is a strong point in favor of their valuable cod liver preparation, Vinol. Everything it contains is plainly printed on the label, therefore it is not a patent medicine.

Vinol contains in a highly concentrated form of the medicinal elements of cod liver oil, actually taken from fresh cod's livers, but with the useless, nauseating oil eliminated and tincture iron, which is a needful constituent for the blood, added.

This is the reason that Vinol accomplishes such wonderful results in curing chronic coughs, colds, bronchial and lung troubles, and there is nothing known to medicine that will so quickly build up the run down, overworked, tired and debilitated, or give strength and renewed vitality to the aged, as Vinol.

We can only ask every person in Roxboro who needs such a medicine to try Vinol on our offer to return their money if it fails. Hambrick & Austin Druggists.

Note.—While we are sole agents for Vinol in Roxboro, it is now for sale at the leading drug store in nearly every town and city in the country. Look for the Vinol agency in your own.

"It is now eleven years since I had a narrow escape from consumption," writes C. O. Floyd, a leading business man of Kershaw, S. C. "I had run down in weight to 135 pounds, and coughing was constant, both by day and by night. Finally I began taking Dr. King's New Discovery, and continued this for about six months when my cough and lung trouble were entirely gone and I was resoured to my normal weight 170 pounds."
