WILL ISSUE BONDS.

150,000,000 Panama Bonds and Certificates of Indebtedness.

Washington, Nov. 17.—Secretary Cortelyou tonight made the important announcement that, as a means of affording relief to the financial situation, the Treasury would issue \$50,000,000 of Panama bonds and \$100,000,000 certificates of indebtedness, or so much thereof as may be necessary. The certificates will run for one year and bear 3 per cent. interest.

The Secretary's action in coming to the relief of the financial situation meets with President Roosevelt's hearty approval, and the plan is the outcome of several White House conferences which have been held within the past few days when the financial situation was under consideration.

Secretary Cortelyou says that the Panama bonds will afford most substantial relief, as the law provides that they may be used as a basis for additional national bank circulation. He also states that the proceeds from the sale of the certificates can be made directly available at points where the need is most urgent, and especially for the movement of the crops, which he says "if properly accelerated, will give the greatest relief and result in the most immediate financial returns." The Secretary calls attention to the attractiveness of the bonds and certificates as absolutely safe investments.

Well Known Authority Tells How To Prepare a Simple Mixture To Overcome Dread Disease.

To relieve the worst forms of Rheumatism, take a teaspoonful of the following mixture after each meal and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces.

These harmless ingredients can be obtained from our home druggists, and in a bottle. Relief is generally felt from the first few doses.

This prescription, states a well known authority in a Cleveland morning paper, forces the clogged-up, inactive kidneys to filter and strain from the blood the poisonous waste matter and uric acid which causes Rheumatism is not only the most painful and torturous disease but dangerous to life, this simple recipe will no doubt be greatly valued by many sufferers here at home who should at once prepare the mixture to get this relief.

It is said that a person who would take this prescription regularly, a dose or two daily, or even a few times a week, would never have serious Kidney or Urinary disorders or Rheumatism.

Cut this out and preserve it. Good Rheumatism prescriptions which really relieve are scarce, indeed, and when you need it, you want it badly. Our druggists here say they will either supply these ingredients or make the mixture ready to take, if any any of our readers so prefer.

CORTELYOU HAS NOTHING TO SAY.

Issue of Treasury Certificates Expected to Bring to Light Currency That Has Been Withdrawn From Banks By Small Depositors.

Washington, D. C., Nov. 18.—Secretary Cortelyou is not disposed to discuss for publication his action of yesterday. He is confident however, that it was wise and fully justified by conditions. The issue at par of treasury certificates bearing three per cent. interest is expected to bring to light practically all future currency that has been withdrawn from the banks by small depositors during the last three weeks. The issue, it is believed, will prove exceptionally attractive to small as well as large investors and the treasury officials are confident that the demand for them will be unprecedented.

Secretary Cortelyou has decided to provide for the registration of the new treasury certificates and when registered to receive them as security for circulation or deposits.

The issue of additional circulation to banks which have applied for it since Nov. 1, no amounts approximately to \$24,000,000 and from information received at the treasury department it is expected that the New York banks alone will increase this amount by \$20,000,000 within the next two weeks. By December 1, it is thought the whole amount of additional circulation issued during November will have reached \$50,000,000.

Gratification in Banking Circles.

New York Nov. 18.—Gratifications was the prevailing tone in banking circles today over the government plan of relief to the money market by the issue of \$50,000,000 in Panama bonds and \$100,000,000 in one year treasury certificates. The issue of Panama bonds had been counted upon as a probability since it was first referred to some ten days ago. This issue short term certificates was more of a novelty and as such attracted more discussion.

Rheumatism Cured.

Several years ago I was a great sufferer from muscular rheumatism and my doctor advised me to go on Mrs. Joe Person's Remedy. I only took a few bottles, when I was entirely cured. I then commenced to use it in my family for general use, and we depend upon it for breaking up colds, neuralgia, and most of the troubles one's family is subjected to. Four years ago, just three months before the birth of one of my children, I was taken down with measles, which weakened me greatly. My stomach would not retain a thing, and I was in a serious condition. I believe I would have died had I not taken it. I do not think there is a medicine its equal, when a tonic is needed to build up the system.
