## A LONG LIFE.

### How to Conserve Energy and Prolong Life.

The time comes to every one when the life forces begin to fail. It is a little harder to climb a hill or walk up stairs. Exercise is taken less vigorously or abandoned, and we feel that the end of active service is drawing near.

It is more than probable that we have been over-driving the machine of the body which will give out like any machine if overtaxed, and we should immediately take steps to change the gear, build up the strength and restore the life forces. To this end nothing equals our delicious cod liver and iron preparation, Vinol, which is far superior to all other tonics and cod liver preparations because it is made by a scientific, extractive, concentrating process from fresh cods' livers, combining with peptonate of iron all the medicinal, healing, body-building elements of cod liver oil, but no oil.

As a body-builder and strength creator for old people, delicate children, weak, run-down persons, after sickness, and for chronic coughs, colds, bronchitis and all throat and lung trouble, Vinol is unexcelled.

Try it on our offer to return your money if it fails. Hambrick & Austin, Druggists, Roxboro, N. C.

## Notes From Brooklin.

Hello Mr. Editor and Courier Readers. A new years greeting to all. Was not the 31st. ultimore a cloudless day, not even a rack of cloud appeared in the heavens. Goodbye 1907.

Mr. C. G. Danied sowed a plant bed on the 4th Inst.

Mr. R. D. Tuck moved to Mr. Sam Cates. A good neighborly citizen, can do do anthing that comes to hand about farm business Has a plan for everything and can execute, we bespeak for him the respect and kindness of his new neighbors.

Mr. Ruben Morris is at the home beside the hill. He seems to be a working man as well as a successful trapper and gumur, two opossums and a weasel have been snarred and squirrels shot.

Mins Wilkerron has purchased a small mule. In answer to the question how old he is? His answer was no body knows. His reason for purchsing was that he had become tired of walking. In passing riding the mule he put it to the gallop while in sight to the amusement of our cook.

The mule being quite small and condition not good it was said to him he ought not to have paid more than twenty five dollars for it, his reply was I didn't.

We have the same good cook that we have had for more than 7 years.

Mr. Lewis Monk was accidently shot during the holidays 32 shot took effect from his ankle to his waist on his right side.

We fell in with a man on the way to town, on the 1st inst, that said that he had been drinking for 3 months, that he kept pretty full all the time, that he was on his way to town to get more whiskey, that he was obliged to have it that he had money in the bank &c. He was riding a fleet young mule I advised him to ride in front or behind me whereupon he struck a gallop and on he went out of sight, overtaking him at the tank a half grown negro rode by rapidly and the man on the mule put out with him for a race down the hill and along the street for nearly a quarter of a mile, as fine a race as I have seen for many years.

A happy healthy successful year to all.

Stop that tickling cough! Dr Shoop's Cough Cure will surely stop it, and with perfect safety. It is so thoroughly harmless, that Dr. Shoop tells mothers to use nothing else even with very young babies. The wholesome green leaves and tender stems of a lung healing mountainous shrub furnish the curative properties to Dr. Shoop's Cough Cure. It calms the cough, and heals the sensitive bronchial membranes. No opium, no chloroform, nothing harsh used to injure or suppress. Demand Dr. Shoop's. Take no other. Hambrick & Austin.
