Covers all the ground

EFFECTIVENESS.

To obtain the full value of manure it must be evenly distributed—it must cover all the ground. This is a matter of prime importance. The Corn King manure spreaders are so successful in this and all other respects that these machines are regarded as farm necessities.

CORN KING SPREADERS.

The Corn King spreader is a return apron machine and is noted for great convenience and utility. It embodies features which make it unexcelled in design, materials, construction and durability. Among the many distinctive features of this spreader are positive apron control, single lever, vibrating rake, folding seat, durable finish and symmetrical design.

THE RECORD.

The Corn King manure spreaders have proved so satisfactory in every way that up-to-date farmers all over the country are demanding these machines. You cannot afford to overlook the excellent features of these machines. The value of manure spreaders is now fully realized as is the economy of using them. You cannot afford to run your farm or ranch without one or more Corn King manure spreaders. They are made in three sizes to suit all conditions. A few minutes' examination of one of these machines will convince you that there is none better.

THE "DODGING PERIOD"

of a woman's life, is the name often given to the "change of life." Your menses come at long intervals, and grow scantier until they stop. Some women stop suddenly. The change lasts three or four years, and it is the cause of much pain and discomfort, which can, however, be cured, by taking

WINE OF CARDUI

Woman's Relief

It quickly relieves the pain, nervousness, irritability, miserableness, forgetfulness, fainting, dizziness, hot and cold flashes, weakness, tired feeling, etc. Cardui will bring you safely through this "dodging period," and build up your strength for the rest of your life. At all druggists in \$1.00 bottles. Try it.
