## CHARLOTTE INVITES GOVERNORS

Chief Executive of Thirteen Original States to Participate in Celebration.

Charlotte, April, 6th.—The Central Committee which is directing the program of exercises, to be held here on the twentieth of May in celebration of the 134th anniversary of the signing of the Mecklenburg Declaration of Independence, has invited the Governors of the Thirteen Original States to come to Charlotte for the three days' festivities. Governor Eben S. Draper has accepted.

The people of Charlotte are preparing to give Mr. Taft the greatest reception ever accorded a President of the United States in a Southern City. Local officials of both the Southern and Seaboard Railroads have given the assurance that ample train accommodations will be provided and that reduced rates will be offered. Special trains will be operated into the city on the 20—"Taft Day"—from all directions.

The old fashioned way of dosing a weak stomach, or stimulating the Heart or Kidneys is all wrong. Dr. Shoop first pointed out this error. This is why his prescription—Dr. Shoop's Restorative—is directed entirely to the cause of these ailments the weak inside or controlling nerves. It isn't so difficult, says Dr. Shoop, to strengthen a weak Stomach, Heart, or Kidneys, if one goes at it correctly. Each inside organ has its controlling or inside nerve. When these nerves fail then those organs must surely falter. These vital truths are leading druggists everywhere to dispense and recommend Dr. Shoop's Restorative. Test it a few days, and see! Improvement will promptly and surely follow. Sold by

## Soused Baby Headforemost in Tub of Water Three Times.

The Dispatch tells of an interesting baptizing event on a recent Sunday in Lexington. The candidate for baptism was the infant of Thos. Saleeby, and Assyrian merchant of Lexington—Rev. A. L. Stanford, of the Methodist denomination, was selected as the officiating minister. Quite a number of relatives from distant cities was present, as were several Lexington people. The child, nude, was immersed three times, headforemost in a tub of water, while those surrounding the tub held lighted candles, the Methodist baptismal service being used.

After the baptizing a dinner was served a la Syria and the strange dishes were enjoyed by the American guests. The name Saleeby is said to mean "The Sign of the Cross," and the family numbers about 7,000 people, some hundreds of whom are in the United States, and when an occasion like this arrives they gather from all parts of country.

Mr. F. G. Fritis, Oneonta, N. Y., writes: "My little girl was greatly benefited by taking Foley's Orino Laxative, and I think it is the best remedy for constipation and liver trouble." Foley's Orino Laxative is best for women and children, as it is mild, pleasant and effective, and is a splendid spring medicine, as it cleanses the system and clears the complexion.
