## THE DEMOCRATIC PLAN

### Outline Of Legislative Program is Made Public.

Washington, April 8.—Legislative plans of the Democratic majority of the House, made known today from a reliable source indicate that the Republican Senate will be given speedily important measures for action.

The definite outline, subject to further caucus ratification lists as follows, order of legislation to be pushed forward by the ways and means committee as soon as the House organization is completed:

Popular election of United States Senators.

Publicity before election of campaign contributions.

Canadian reciprocity.

Revision of schedule K., the wool schedule of the Payne Aldrich bill.

Revision of the cotton schedule.

Beyond this the present program does not extend other tariff matters and general subjects being left for further consideration dependent a great deal upon time.

It also practically has been decided that the Canadian reciprocity bill to be brought forward by Chairman Underwood will be almost an exact duplicate of the McCall bill. It will carry no tariff rider.

Leading Democrats when asked today what they would do if the Senate immediately passed the Canadian reciprocity bill and then indicated its readiness to adjourn, declared that the House would not adjourn. The Democratic leaders expressed confidence that the President would not exercise his authority to adjourn the extraordinary session should a dispute arise between the two houses of the Congress or adjournment.

### A Republican View.

The legislative program outlined by Speaker Clark will meet with public approval. It is progressive and only radical to those who hold that legislation in the interest of the general public is radical and should be opposed. "Paid-up" North American (Republican).

## TIMBERLAKE NEWS.

### Items of Interest Concerning Mt. Tirzah in Days that are Gone, but of Interest to Many Who are Living to-day.

#### EDITORS OF THE COURIER:

If you will allow me a little space in the columns of your highly esteemed visitor, I will give you a few items of Mt. Tirzah in olden times.

Mt. Tirzah is situated in the south-eastern part of Person County. At one time it was one of the most prominent places in the county, and was owned and settled in the early days by the Moore's.

There were three brothers living in sight of each other, Pointious, Sidney and Phillip. Phillip lived at the place known now as the Ned Moore place, owned at present by Dr. C. G. Nichols, of your thriving town. Phillip Moore was somewhat of a mill new and is said to be the founder of Moore's Mill, said mill owned and operated by Wm. F. Reade and Sidney Moore of this community.

The write does not know how many children Mt. Moore raised but he was the Father of Mrs. M E Moore, one of the most pious and consecrated Christian woman I ever knew. She was Mother to a large family of Children, who are scattered to the four winds of the earth.

Mr. Sidney Moore lived and died at the place owned by J. L. Noell, who recently moved to Durham. It is said Lord Cornwallis made his headquarters here during revolutionary days, in the same house which is still in use, though the out side has been repainted many times.

Mr. Sidney Moore raised four children, 3 girls and 1 boy, all of whom married first Cousins except one daughter who married the late W. T. Noell.

Mr. Pointious owned and occupied the place now owned by William F. Reade. Here is the highest peak of those hills, and one if not, the most beautiful sceneries in the County. You can stand in Mr. Reade's yard and see for miles and miles all around you. You can see Mickey and Holy Mountains on the south the latter deriving its name from the great deep holes dug by Indians hunting stone to make arrow heads out of. You can almost see Roxboro, and can see the water tank. It is a grand sight to get on top of these hills and look below you on the settlement and localities. Trace the rivers and creeks in their winding course to the great seas, and observe the valleys and hills as your eyes glance from one to the other.

Mt. Tirzah was the birth place of some of the most prominent men ever raised in the County: as, Rev. J. P. and Theo. W. Moore, who rose to distinction in there church, both becoming Presiding Elders, and Theo. W. came within a few votes of being elected Bishop. Hon. Wash F. Reade was born and raised here. He also raised a large family of children, seven boys and four girls, and not a black sheep among them. Edwin G. Reade started life here. He was a self made man, and took a active part in County affairs. He practiced law and lived in Roxboro awhile and represented this district in Congress before the Civil War. After the war he was elected Judge of the Supreme Court of this State. Jno. W. Hamlet a noted physician practiced his profession here and his body rest beneath the sods of these hills. W. T. Noell adopted this place as his home and probably did as much for this County and neighborhood as any man in his day, and left a record his children should be proud of. He and his faithful wife sleep side by side at the Cemetery at the Church of which both were members.

So Messrs. Editors you can see Mt. Tirzah is one of the has been, but Railroads, rural free delivery and progress has knocked the rocks off of her and is in the back ground, with a little good material left. I will close with best wishes for The Courier

Respectfully,

NANCY.

### Speaks Gets Thirty Years

Greensboro, April 8.—Judge Daniels today sentenced Moses Speaks, who was yesterday evening convicted of murder in the second degree, to 30 years in the State penitentiary. This was the case for the killing of his wife at High Point about two months ago. In the case for the murder of his son-in-law, Will Miller, at the same time the solicitor took a nodors with with leave. Judge Daniel and Solicitor Gattis will recommend to the Governor that Speaks be confined so as not to have the opportunity of doing harm to any other prisoners. Thirty years is the maximum penalty for the crime of murder in the second degree. Speaks is now 46 years old, so he will hardly live out his term.

### Frank A. Carter Named

Frank A. Carter of Asheville gets the fifteenth district superior court judgeship, contest for which has been on since the sudden death of Judge J. S. Adams last Sunday at Warrenton. Governor Kitchen announced the appointment of Carter about noon. The commission was forwarded to Asheville and the new judge will take the oath of office in time to convene his first term of court at Hertford April 24.

### Cunningham and Woodburn Items.

Rev. Mr. Ryland filled his appointments at Ephesus on Saturday and Sunday as usual. There was an all day meeting on Saturday with dinner on the grounds. Bro. Ryland preaching in the morning at 11 o'clock and Mr. Eldrige, of Lambeth Memorial Church, preaching in the evening. We did not have the pleasure of hearing the sermons, but have heard them much complimented. In the afternoon there was an installation of deacons of the church. On Sunday morning Bro. Ryland preached a good gospel sermon to a congregation, which was greatly enjoyed. In the evening we attended church at Providence and heard a good discourse by Rev. Mr. Ellis, taken from Revelations and the Church at Ephesus. His sermon was directed to cold and lukewarm christians, of which far too many of us are guilty at this day and time. Mr. Ellis is, I think, liked by his own and other people of other denominations.

Miss Maggie Shore Jones and Bro. of Semora attended Ephesus Saturday and Sunday, also Misses Lelia and Hattie Barker and Walter Jones of Semora.

Mrs. Frank Hamlett, of near Alton, one of our good friends, is very sick with Tuberculosis, and is not expected to live but a short time.

Mrs. Noah Tulleh has been suffering some time with lung trouble. She is now and has been at Southern Pines under a physician, and is greatly improved in health, to the delight of her friends. She is expected home very soon.

The public school is running along nicely and smoothly at Terrell Academy, under the care of Mrs. Harrison and Miss Nannie Green. Mrs. Harrison having charge of the advance scholars, and Miss Nannie not so far advanced.

Mr. Wilkins has rented the Cunningham store and is now selling goods there. We all regret losing Mr. and Mrs. Albert Warren very much as they were very nice people and good neighbors. FRANK.

### Crisis For Republican Progressives

The extra session of Congress offers the progressive republicans of the Senate an opportunity to make the mistake of their political lives. If they oppose Canadian reciprocity it will surely revise their popularity downward. This is particularly true as a nation-wide proposition. The progressive can not now oppose reciprocity on the grounds that it does not revise the tariff downward on things the farmer must buy, because bills will accompany the reciprocity measure which will revise the tariff downward on manufactured articles.

### Entertainment at Leasburg.

"Diamonds and Hearts" a Comedy Drama was presented by the Young People of Leasburg in that place last Friday night. It was under the efficient management of Miss Bessie Thompson, and for the benefit of the Methodist Church there.

The Young people acted their parts well and were suited for the characters they had. The proceeds amounted to about \$30,000, which was very good considering the weather.
