Canadian Reciprocity and Farmers' Free List Adopted by House Democrats.

Washington, D. C., April 12.—The democrats of the House in caucus agreed upon the initial steps in tariff revision. By a vote of 125 to 29 it was decided to pass the Canadian reciprocity within the next week without amendment.

The following articles are to be put upon the free list as a sop to the farmers along the Canadian border who will be adversely affected by the reciprocity agreement, through the effect of the action will be widespread.

Agricultural implements including plows, harrows, reapers, binders, mowers, boots and shoes, harness and saddlery, barbed wire and other fencing, cotton baling and tires, coarse sacks, burlaps, flour, dressed meats and meat products, salt sewing machines, rough lumber except lignum vitae, seed and hardware. Another caucus will probably be held within the next two weeks to decide what shall be done to the woolen and cotton schedules.

Troops Go To Canal Soon.

Washington April 17. The United States soon will expend approximately \$2,000,000 in officers' quarters and barracks along the Panama canal for housing 6,300 troops that the war department will dispatch to protect the canal. This force will be known as the "canal guard." While the canal will not be completed until 1915, these troops will be sent down just as soon as the barracks can be constructed. The administration wants to be prepared for any emergency, is the explanation given by army officers.

Roxboro Route 5.

Reports say that a great many of our neighbors and friends are laying their plans to attend the great circus at Roxboro Thursday April 27th. The Sparks show is said to be morally clean and the best in attendance and a show in which people can gain much valuable and useful knowledge and be highly entertained.

SAVES \$400,000 FOR SCHOOLS.

Raleigh, April 12.—The North Carolina Supreme Court in a unanimous opinion reverses the lower court and the Supreme court precedent, established in Russell vs. Ayer in 1897 and decrees that State Auditor Wood shall advance the State poll tax from \$1.25 to maintain the three to one parity between property and poll tax required by the constitution instead of setting aside the tax levies of the 1911 act by levying the old 1909 property and poll tax, thereby cutting the public schools out of some \$400,000 for the next two years. The ruling just made saves to the schools fully this amount.

The case is Governor Kitchin vs. State Auditor Wood, submitted on brief Tuesday. The opinion is written by Justice Brown and holds that the constitution is mandatory and self-executing as to equation of property and poll tax, leaving nothing to the discretion of the law-making power.

Raleigh Delighted In Securing Teachers Meet.

Raleigh, April 17.—There is special gratification here at Raleigh's having secured the 1911 session of the North Carolina Teachers Assembly and its allied organizations—the state association of city superintendents; teachers, and the state association of county superintendents of public schools. The expectation is that the big, new auditorium seating five thousand people will be completed in time for this convention, Raleigh business men raised five hundred dollars for the assembly. With ample funds for the purpose the most prominent educators of the country are to be brought here to participate in the program.

HEADQUARTERS NORTH CAROLINA DIVISION UNITED CONFEDERATE VETERANS.

GENERAL ORDERS. No. 43,
Durham, N. C., April 10, 1911.

Paragraph 1. The twenty-first annual reunion of the United Confederate Veterans will be held at Little Rock, Arkansas, on the 16th, 17th and 18th of May, 1911, and the public spirited citizens of that city and state promise that it shall be the most enjoyable that has ever yet been held, and preparing in every way possible for the comfort and pleasure of all veterans who may attend. It is hoped that a large delegation will attend from this state and enable our good old state to be represented in a manner worthy of her glorious war record.

Paragraph 2. Army tents have been kindly loaned by the United States government and will form the camp in City Park, where will be lodged and fed free, all veterans who cannot pay for their entertainment, but all such veterans must notify in advance Mr. B. L. Roberts, chairman of the encampment committee, so that accommodations may be reserved for them. The railroad companies have given the usual low rate of one cent a mile for all persons who may attend the reunion. The exact rate from any station may be learned by inquiring of the local agent. The rate from Raleigh is \$19.90, and in proportion from other places.

Paragraph 3. All camps in arrears for their dues are earnestly urged to pay the same at once to Gen. W. E. Mickle, 824 Common Street, New Orleans, otherwise they will not be entitled to any vote or voice in the meetings at the reunion. This is a most important matter and should not be overlooked by any camp.

Paragraph 4. This division is fortunate in having as its sponsor for this reunion Mrs. Sidney P. Cooper, of Henderson, and Miss Julia Cooper, as maid-of-honor. By order of
Major-General J. S. CARR,
H. A. LONDON,
Adjutant-General and
Chief of Staff.

BONDS SOLD.

It is with great pleasure that we announce the sale of the town bonds. These bonds were voted some time since, and our worthy City Dads had not been able to dispose of them, but they are sold and ere long the money will be in hand.

Now, we trust the Aldermen and Mayor will get busy and have the preliminary surveying done and invite bids for the construction of the streets and side walks. Never again should we see our streets as they have been during the winter, and we do not believe we will. Necessarily, it will take some time to get this work started, but we trust our Aldermen will not waste any time over getting it under way. The fact that you will go out of office, provided you are not reelected, in a few weeks is a poor excuse for delaying this matter. By their votes the people directed you to do this work and certainly you are not going to try to shirk any part of it, simply because you will not be in to see it completed.

Get busy.

CROUP CONQUERED.

Every Mother Should Read and Remember This.

In any home where a child has a tendency to croup, a bottle of HYOMEI (pronounce it High-ome) should be kept constantly on hand.

A sudden attack of croup with difficult breathing and extreme distress is apt to come on at any time.

The course to be pursued is plain. Send for your doctor at once, and in the meantime drop 30 drops HYOMEI into a bowl of boiling water, and hold the child's head over it, cover with a towel or cloth, so that only the air filled with Hyomei vapor is breathed.

This method of treatment has saved many a child's life, and mothers of croup children should see to it that HYOMEI is always on hand. Full instructions for prompt relief of croup is in each package.

A 50c bottle of HYOMEI is all you need in treating croup. This is known in all drug stores as Extra Bottle Hyomei Inhalant Hambrick & Austin and druggists everywhere sell it. Breathe HYOMEI. It is guaranteed to cure catarrh, croup, sore throat, bronchitis, coughs and colds, or money back.

To break up a cold in a few minutes try this: Pour a teaspoonful of Hyomei into a bowl of boiling water, put towel over head and bowl, and breathe the soothing, healing vapor that arises. It makes your head feel clear in two minutes. It is pleasant to use. Free trial sample of HYOMEI can be obtained by writing Booth's Hyomei Co., Buffalo, N. Y.

Full Week of Court.

It has been a long time since Court lasted a full week in Roxboro but such was the case last week. There were two murder cases on the docket and these occupied a goodly part of the week both infanticide cases, and the first tried was that of Luna Neighbors, a white woman. The jury returned verdict of not guilty and while this body of men could not have done otherwise, as the State failed to make out a case, still, there was a feeling pretty generally that she was not entirely innocent. She was a young woman, with not a criminal face at all, and considering the manner of her raising and opportunities there was great sympathy for her. After her acquittal she had no where on earth to which she could go, as she was homeless and friendless. A collection was taken up and she was sent to a home of correction where she will be detained for six months and then it is guaranteed that the home will find a home for her. It was a sad case and our people responded liberally and cheerfully in raising this fund of about \$75.00.

The other case was that of Mary Haskins, colored, and for a like offence. She submitted to manslaughter and was given six months in jail.

Only one recruit was sent to roads, Sim Carver, larceny, and he got 9 months.

Only one case on the Civil docket was tried that of Brooks vs Terrell in which the plaintiff secured judgment.

Court adjourned Saturday night.
