To Entertain the Autoists.

At a call of the Mayor the citizens met last Friday night looking to the entertainment of the delegation from Greensboro which is scheduled to arrive here to day at about 2:30 p. m.

Mayor Winstead called Mr. L. M. Carlton to the chair and J. W. Noell was requested to act as Sec.

At the request of the chair Hon. J. A. Long was requested to state the object of the meeting. Mr. Long was followed by the Mayor W. D. Merritt, F. C. Carter R. I. Featherston and others. The meeting turned out to be a really enthusiastic railroad meeting every one speaking of the importance of this road and expressing a determination to lend every aid possible in securing it.

A finance Committee of three were appointed to solicit funds and a Reception Committee of thirty were appointed to meet the delegation at some point South of town and escort them in and to dine with them at Hotel Jones.

The Finance Committee has performed its work and the funds are in hand and Col. Featherston will see that Hotel Jones keeps up its enuirre reputation for caring for visiting brethren. The dinner will be after the order of a daylight banquet and a jelly good time is expected.

Hon. J. A. Long had as his guests last Friday evening Messrs C. W. Toms, J. S. Cobb and Julius Mahler Representatives of the A. T. Co. They were here inspecting sites for the erection of a redrying and storage plant. It is with great pleasure that we learn Company will locate such a plant here for it means much for our market and they will receive a warm welcome by our citizens. Roxboro needs them and they need the product of this County and we trust they will build a mammoth plant in Roxboro.

Negro Pays Death Penalty For Killing An Officer.

Raleigh, May 12—Lewis West the negro who killed Chief of Police Stallings at Spring Hope last September, paid the death penalty, in the electric chair in the State's prison here this morning, West did not make any statement. He was attended by a negro rector of the Episcopal church in Raleigh.

Trinity Goose Egged.

That was a fine looking bunch of ball players that Trinity sent over last Saturday. While it is generally admitted, to our shame that Roxboro has plenty, yet the was one time when every one wanted to bet the same way, and that was on Trinity.

Honestly, when they lined up on the field, Trinity in their new suits faultlessly clean, and our boys with their old last years togs, it did make them look something like a lot of last years bird nests, but when the game was called our own Burley Clayton, with Earl Bradsher—who had not caught a game for two years, backing him up, they had the goods and Trinity had to go down in defeat.

A more manly or gentlemanly set of boys have never struck this town, but candidly when any team goes up against Burley Clayton they are up against a hard proposition, for he is decidedly the best amateur pitcher in the State, and would certainly be an improvement on the professionals which the Carolina league are now using.

His Umpps, Reginald Harris called the game and for four innings there was nothing doing, and just here Burley Clayton came up and took all of the smiles from Ivey, who was delivering for Trinity, as he lifted one squarely over center field clear out of the park. This seemed to take the ginger out of Ivey and he was not as effective for the remainder of the game, however, our boys only secured one additional run.

The score card showed as follows

Clayton struck out 17, Ivey struck out 5, Roxboro made 3 hits, Trinity made 1 hit, score, Roxboro 2, Trinity, 0.

Stomach Troubles Cured by Vinol

HERE IS PROOF

"I suffered so long from stomach trouble and indigestion, that I lost flesh rapidly—VINOL cured me after everything else had failed. It strengthened my digestive organs—gave me a hearty appetite, and I can eat anything without the slightest distress. I do not believe anything equals VINOL for stomach trouble and indigestion." W. E. WATERHOUSE, Portland, Me.

Mr. Thos. G. Wallace, of Detroit, Mich., writes, "I suffered for years from a chronic stomach trouble. VINOL entirely cured me after everything else had failed."

It is the curative medicinal elements of the cod's liver, combined with the strengthening properties of tonic iron contained in VINOL, which makes it so successful in restoring perfect digestion, and at the same time building up the weakened run-down system.

Try a bottle of VINOL with the understanding that your money will be returned if it does not help you.

MUSHROOM CORNS

Most Painful of All Foot Ailments. How to Cure Them.

The Mushroom corn is so called from its pitted cone top, resembling a tiny mushroom. It burrows deep into the toe and gets more inflamed than other corns. For the quick relief and cure of these and all corns and callouses the following is the most effective remedy known to science: Dissolve 2 tablespoonful of Calocide compound in a basin of hot water. Soak the feet in this for full fifteen minutes, gently massaging the sore parts. (Less time will not give desired results.) All soreness instantly disappears and the corn or callous can be easily peeled off. It may be necessary to repeat this for a number of nights for a complete cure, but if adhered to it will surely succeed. A little olive oil rubbed on the part is very beneficial. This Calocide is a very remarkable preparation for all foot ailments and is no longer confined to doctors' use. Any druggist has it in stock or will quickly get it from his wholesale house. A twenty-five cent package is usually sufficient to put the worst feet in fine condition. Bad smelling feet and tender feet need only a few treatments, likewise with inflamed bunions. This item will be welcomed by persons who have tried ineffectual powders and tablets.
