Mr. Foushee Honored by Richmond College.

Mr. W. L. Foushee has been signally honored by having the 1911 annual at Richmond college, Richmond, Va., dedicated to him. Mr. Foushee was dean of the college before he took up the practice of law. Out of appreciation for the excellent work that he did for students and college, the annual was dedicated to him this year.—Durham Sun.

The North Carolina College of Agriculture and Mechanic Arts announces in another column its opening for another year on September 7. This College continues to grow in numbers and in usefulness. Last year it enrolled 630 students. Its graduates are taking a leading part in the industrial life of our State, and are in steady demand at good salaries. Young men who desire to fit themselves for success in industrial occupations will do well to consider such a form of education.
