Roxboro, N. C. July 12 1911.

Senator Simmons may be right on the Reciprocity measure, but it hardly seems possible that all of the others are wrong.

Gov. Kitchin on yesterday appointed Hon. E. D. Travis Corporation Commissioner to fill out the unexpired term of the late H. C. Brown.

There will be a meeting in Roxboro on Tuesday, August 1st which is of great importance to the farmers and their good wives.

This is the first time in our knowledge when we thought our Senators and Commissioners really were working hard.

The dry weather continues with no signs of relief and the farmers of Person are getting very much discouraged.

There has been an interesting here for the past week. The drowsy and listless people who are so much to be pitied.

Washington, July 10. Driven insane by the intense heat of the past week, fifty persons, many of them women, are being held in the Washington asylum hospital for observation.

FROM ROXBORO ROUTE 5.

Miss Loid Tapp, who has been recently visiting in Durham has returned home and reported having a grand time.

Mrs. G. W. Denny and children of Burlington are now spending some time with friends and relatives in this county.

Mr. C. T. Brooks has been thrashing wheat in this community for the last week and his thrashing force was composed of Messrs. Earl Brooks, David Brooks, Will Garrett, D. J. Tapp, Eddie Rhew and Mr. Brown.

It has been reported that blind tiger stiffs are as thick as ticks. Do not take my word for it, as I have not seen a still in 10 years and do not look after them.

The real estate sale at Helena on last Tuesday was a great success, and the sale was the best managed and conducted I ever saw.

Antioch church has invited the next session of the Flat River Association to meet with them on Tuesday before the third Sunday in August 1912.

The wife of Mr. J. P. Chambers has been in declining health every since the spring and passed across the river of death on the 4th Sunday in July.

Owing to sickness Mr. Chambers got badly behind with his crop but as he is a member of the Farmers Union at Cameron Local we went to his assistance last week and worked him out of the grass.

This is one feature that I praise and admire in the Farmers Union that it possesses a sympathetic nature to assist and aid its members in distress let them be poor or rich.

Washington, July 10. Driven insane by the intense heat of the past week, fifty persons, many of them women, are being held in the Washington asylum hospital for observation.

Wheeler Newell the Laundry Boy. Leave your laundry at Newell's Jewelry Store. Satisfaction guaranteed.

Sarl News.

Miss Cordelia Chandler has the fever.

Mr. W. D. Oakley is on the sick list.

There has been four thrashing machines in the Surl section this week and at times they would run mighty close on each other.

Mr. J. H. Chandler say he wants to see a good rain.

Mr. A. R. Foushee, of Roxboro, passed through the Surl section on the 4th of July on his way to Berea to visit kins folks.

Mr. E. G. Long, Assistant Cashier at the Peoples Banks, takes a pleasure in having a social chat with his friends.

This correspondent aims to give a write up in the Surl news the next time, about the number of bushels of wheat the farmers in this section made.

There are two farmers in the Surl section certainly has some fine corn for this season. I will give there names in the next write up.

Snaps, Irish potatoes, Beets and Cucumbers are plentiful in this section now, and also black-berry pies.

It makes no difference how the season turns you will find some farmers that will do big things in the way of farming.

The white front store, run by Berman and Lipsnitz, is the place to buy good goods cheap.

Mr. Lex Chanler have been riding around on his bicycle here of late and seems to enjoy it.

A good many farmers are bringing in tobacco.

Kind Editors:

Please excuse my hesitation in writing to your paper for I have sickness in my family, even unto the death of our little nine month old girl.

I like your paper and wish to continue reading it.

In memory of Dr. J. R. Cozart, Col.

God in his infinite and alwise providence has seen fit to remove from this world, Rev. J. R. Cozart D. D.

He was 55 years and nine months old. He suffered greatly for a few weeks with a complication of diseases, but consumption was the most direct cause of his death.

He leaves a wife, mother and children five boys, and one girl, beside a host of relatives and friends to mourn his departure.

On the 21st he was put to rest with Masonic honors in the presence of 1000 or 2000 people.

Weep not loved ones for your lost is his eternal gain. Truly he has filled his mission on earth, and is reaping his reward as a servant of God.
