ROXBORO, NORTH CAROLINA, Wednesday Evening, July 26 1911.

No. 30

TENNOR AT LOCHLILY.
 On July 19.—About one hundred people attended a Masonic picnic at Lochlily today. Sixty pounds of delicious Brunswick stew was consumed besides a quantity of picnic viands prepared by the Masonic housekeeper. The stew was made by Mr. H. Hunter, who is master of the Roxboro lodge, a leading grocer, all round good fellow and champion stewart. A collection was taken for the Oxford Ophanage and a substantial sum was raised.

After the dinner Gov. W. W. Kitchin was introduced and made a Masonic speech. The Governor was at home with his own people who not only honor him but love him, and he made a speech as he could make to no other audience. Politics was not mentioned but the purposes and principles of Masonry were discussed in an entertaining and masterful way. A strong plea was made for truth, honor, integrity and right living. There was applause throughout the speech, but the attention of every eye was on the words of the speaker. The expressed opinion of one who heard it was that it was a great speech by a great man.

Governor Kitchin leaves here tomorrow morning strongly entrenched in the goodwill and love of the people of Person county than any other man.

Roxboro Downs Houston.
 In the game Saturday between Houston and Roxboro there were more errors made than the scorer could find room to chalk up, however, Houston seemed to get the worst of it and must have made the majority. The score was 16 to 9 in favor of Roxboro, and the game was featured throughout by poor playing on both sides. The game opened with Houston at the bat, the inning closing with Houston 4 Roxboro 1, and from that time on it was a slugging match, with each trying to out do the other in errors. We have never seen a game where our sympathy so completely went out to the pitcher as on this occasion for our pitcher, Burley Clayton. He had almost no support but like a man he stuck to it finally winning out with the score above mentioned.

On yesterday the Houston boys returned for revenge, but in the mean time our boys had recruited a little and was prepared for them. The game was a decidedly good one on the part of the home team, but the visitors were all to pieces from the very first and played an exceedingly poor game. We have never seen our boys as a whole do better work, and especially do we want to commend the work of Cunningham at second and Burley Clayton in center field. Their work was superb, almost everaging up to league work. The one handed catch by Cunningham at second was as pretty piece of work as we have ever seen on the diamond. In fact the work of catcher Barnett, as well as that of every man in the game deserves special mention but space forbids. The work of the two visiting gentlemen Barnett and Brown of Durham, pitcher and first basemen, was of a high order and our boys are loud in their praise.

The score was Roxboro 16, Houston 3.

To Leave Roxboro.

Roxboro became our home in May 1908. We have added many friends to the list of our friendship during the period of our stay here. We take this occasion to express our deep and sincere appreciations to those of our friends that have expressed to us their regrets at our decision to leave Roxboro. These regrets have not only come from our friends in Roxboro but from every section of the county in which we have labored.

Now, just a brief statement as to the work we have tried to do. There seems to be a distressing drought of Baptist preachers in Person county. During my stay in Roxboro I have been consulted on the subject of becoming pastor of fourteen churches, eleven of the number being in N. C. Have also received six calls, but did not feel inclined to accept but two. One was the call to the Virgilina Baptist Church, and the other was the one that invited me back to my native State. The last call came to me in March of this year. It was this call that helped to move me from Roxboro.

We shall in the providence of God, take up our new work in September. Our home will be in the town of Buchanan. It is considered to be both beautiful and historic. Buchanan is situated on the historic James, 48 miles west of Lynchburg and 25 miles north of Roanoke. It has two splendid R. Roads viz the James River division of the C. & O, and the Roanoke and Lexington division of the N. & W.

The brethren have recently bought a parsonage which is now undergoing repairs that will add greatly to the comfort and happiness of the pastor and his family. The work consists of two churches each having preaching four times per month. The people are missionary and progressive in church work and life. The houses of worship are of brick and costing between eight and ten thousand dollars. They also have a membership of more than five hundred. Buchanan has a splendid water system and nice sidewalks. We shall welcome our Roxboro, Person and North Carolina friends in Buchanan on any time.

Vote On Reciprocity 53 To 27.

Special to Telegram.

Washington, July 22.—The Canadian reciprocity bill passed the Senate without amendment today by a vote of 53 to 27. All amendments had previously been defeated. It becomes a law upon the President's signature, the bill being the measure that passed the House. However the bill cannot become a law until next Wednesday, on account of the fact that the House was not in session this afternoon, having adjourned until Wednesday, and will have to engross it. The passage of the bill occurred at 1:36 p. m. after a lively session, during which there were many roll calls. The Senate chamber was well filled and the galleries were crowded.

Reason Why

We deserve your confidence and trade.

You like square dealing. You appreciate courteous treatment when you get it. When a man tells you that a thing is so and you find it to be so, your faith in him begins to grow. If he tells you time after time that things are so, and you always find the measure of his promises filled right up to the brim, in time you take his word for its face value.

This is the Right Way and Our Way.

You not only like square dealing but you like to trade at a store where you are sure of getting goods of high quality, goods that are dependable and worth every cent they cost you. For many years, long before our partnership was formed, this store has had and deserved the distinction of selling high class merchandise, of being the quality store.

We are maintaining that reputation by handling only reliable goods; such goods as we are confident will give entire satisfaction and so much confidence have we in our offerings that we stand ready and are anxious to make satisfactory any article that does not prove so.

Our Prices are Just as Low as Anybody's and Generally Lower for the Same Goods.

We want your business and rely only on HIGH QUALITY and LOW PRICES to win it—on HONEST COURTEOUS TREATMENT to retain it.

We are always pleased to serve you.
