Hay Fever, Asthma and Summer Colds.

Must be relieved quickly and Foley's Honey and Tar Compound will do it. E. M. Stewart, 1034 Wolfram St, Chicago, writes: "I have been greatly troubled during the hot summer months with Hay Fever and find that by using Foley's Honey and Tar Compound I get great relief." Many others who suffer similarly will be glad to benefit by Mr. Stewart's expedience.

Vanderbilt's Own Auto Road.

An auto roadway, all but two miles of it within the bounds of his 140,000-acre estate, has been built by George W. Vanderbilt, covering 22 miles, from Biltmore House to his hunting lodge at the summit of Mount Pisgah, 5,757 feet high. With the building of a two or three mile cut of all the road will be on his domain. The track rises almost 3,000 feet in 22 miles 2,000 of it being gained in the last six miles without any grade exceeding 7 per cent.

This called for blasting tremendous rock cliffs and swinging sharp turns on the edge of sheer precipices, and now \$20,000 more must be spent widening these turns.

A trial of Mr. Vanderbilt's new 60-horsepower car showed that its great length causes it to swing perilously over descents of hundreds of feet. The road is to be carried 20 miles farther to curve back to Biltmore House.

Loss Time means Loss of Pay.

Kidney trouble and the ills it breeds means lost time and lost pay to many a working man. M. Balent, 1214 Little Penna St., Steator, Ill., was so bad from kidney and bladder trouble that he could not work but he says: "I took Foley-Kidney Pills for only a short time and got entirely well and was soon able to go back to work and am feeling well and healthier than before." Foley kidney Pills are tonic in action, quick in results a friend to the working man or woman who suffers from kidney ills.

"Uncle Joe" Cannon.

"Uncle Joe" Cannon formerly the biggest of the big Republicans and, according to the estimate of many the meanest of the mean Republicans who is a native of Guilford county, North Carolina and would have developed into a better man and lived a better life if he had continued to reside in this State instead of making his home in Illinois, is silent nowadays. If "Uncle Joe" is saying anything or doing anything in Congress the public never hears of it.

"Uncle Joe" has been retired permanently retired, it seems, to the ranks of the useless and harmless. Cannon has sustained a mighty fall and his downward career has been materially accelerated by his fellow Republicans. He is a typical Republican and one of the strongest, most energetic men the party has ever had in leadership and one of its most unrelenting fighters for the very worst policies for which the Republican party stands. The party has tried to make a scapegoat of "Uncle Joe" since he was cast down from his mighty position of leadership and since later on it was found that it would be popular to throw stones at the fallen leader.

The best elements of all parties heartily disapproved of Cannon and all leaders of the Cannon type but nobody approves of the efforts made in the Republican party to discredit Cannon by men who are far from being his equal in ability and who lack all the character which forced him into the leadership of his party. In other words the people of the country see through the Republican party's attempt to make Cannon the party scapegoat. The Richmond Times-Dispatch is vigorous in its denunciation of his party's treatment of Cannon, and says:

"It is said that the Hon. Joseph G. Cannon will retire from public life upon the completion of his present term in Congress; if, when the time arrives he shall think it a desirable thing to do: if an attempt shall not be made to drive him out if his constituents are willing to give him up. Nobody knows exactly what he will do about it: but the politicians out in the Danville District are already casting lots for his garments. It is known that he feels bitterly his treatment by his party and now the Washington correspondent of the Chicago Tribune says, 'nobody pays any attention to Uncle Joe. The Czar is dethroned. The good old days are gone and he is beginning to feel he ought to go with them.'"

"We thing so too, but before he goes somebody ought to say that he has been most outrageously treated; that his party, whose bidding he always did in scorn of consequences, made him the scapegoat for its sins and drove him into the wilderness. The ablest and most typical Republican of his time he has been neglected, vilified and spit upon by the party which he served with all the ardor of his vicious nature, and he has stood the ingratitude of his associates like a man. Without the ability the resourcefulness the rugged strength of the chief exponent, but with all his meanness he should have some acknowledgement from his traducers of his service to his party.

"When he retires, Mr. Cannon should go back to the State of his nativity and there reflect among honest people upon the instability of earthly greatness and the utter lack of honor in the Republican party."—Greensboro Telegram.

Quite naturally, my boy, a belle wants a ring.

Some people like to look for the virtues of others with a bludgeon.

Yet the narrow path is broad enough to hold all who want to get upon it.

Many a woman who would even scorn to tell a good natured fib doesn't hesitate to try and make you believe that the hair, etc., she wears are all her own.

Cunningham and Woodburn Notes.

The protracted services for Ephesus began on the first Sunday in August and came to a close on Friday evening following. This was in many respects the best meeting I have ever attended. Bro. Ryland could not get and assistance and did all the preaching and did it faithfully. I have never heard more solemn warning and earnest entreaties than those he gave to the people. The Church was fully aroused to a sense of its privilege and duty, and as a result 12 or 15 young people were added to the Church. There were large congregations every day, and great interest shown in the services.

The singing was superb. Miss Frances Bass and Miss Gravitt skilfully presided at the organ. I have never witnessed a greater abundance to eat and the member saw to it that no went away unprovided for as to their material wants. Bro. Ryland will meet with us only one more time out there the first Sunday in September and then we shall have to bid him an affectionate adieu. It is not alone which will be saddened by his departure, but members of all denominations will be equally sad. If it could be left to a vote of the Church and community whether Bro. Ryland should stay or not the vote of the Baptist, Methodist Presbyterians and all others would be unanimous for his retention here at Ephesus just as long as we could hold him. I have heard that it is talked of among the members as to a reconsideration of his resignation and not accepting it.

Mr. and Mrs. Clyde Armstrong (nee Miss John Bass) of Gastonia are visiting at her fathers home.

Mr. and Mrs. Lambreth Bass, of West Virginia, attended services at Ephesus.

I never saw better order and behavior at a meeting in the church and outside, and it was a credit to our community.

Bro. Dailey had a fine meeting at Conallys on the Milton charge. 15 Person being added to the Church.

The Lord is blessing our earth with precious showers and saving the people. Blessed be his good name.

Frank,

More people men and women, are suffering from kidney and bladder trouble than ever before, and each year more of them turn for quick relief and permanent benefit to Foley's Kidney Remedy which has proven itself to be one of the most effective remedies for kidney and bladder ailments that medical science has devised.

Mr. D. M. Hathcock of Georgeville was in the city today and reports that he has six acres of corn he cultivated according to the instructions from the farm demonstration plan that will make 75 bushels to the acre, from the estimate of Mr. Underwood, of the Department of Agriculture. The rows are four feet apart and the stalks sixteen inches and the stalks average from two to four ears each—Concord Tribune.

"CURED MOTHER OF ULCERATIONS"

Rev. B. C. Thompson, of Abolite, N. C., writes: "My mother was a great sufferer from an ulcerated trouble peculiar to women. She took Mrs. Joe Person's Remedy and Wash, and found it invaluable. It cured her. We heartily recommend it to those suffering from cancerous or impure blood affections."

"Ulcers and Old Sores are the result of bad blood, and can never be cured until the blood is thoroughly purified, and all poison driven from the system. External applications alone can never do it. You must get right down to the seat of the trouble and eradicate the disease from the blood. For this purpose there is nothing so good as

MRS. JOE PERSON'S REMEDY.

It is the best Tonic, Alterative, Blood Purifier and Nerve-eve offered, and we have the signed testimony of hundreds of living witnesses to prove it. These witnesses testify to the marvelous curative powers of this great remedy in cases of Eczema, Scrofula, Old Sores, and all troubles resulting from impure, impoverished and Poisoned Blood.

Many of these cures seem almost miraculous—patients given up by doctors and relatives brought back to the full bloom of health as if by magic—literally snatched from the grave. But these witnesses are so reliable, and speak in words of such convincing truthfulness that none who reads can doubt. We will be glad to send this written testimony to all who desire to know what Mrs. Joe Person's Remedy and Wash have done for others.

We want to help our afflicted brothers and sisters who are now hopelessly enduring the agonizing tortures of Indigestion, Dyspepsia, Stomach Trouble, Nervousness, Rheumatism, Catarrh, Female Troubles and Blood Poison. We don't care of how long standing your trouble—Mrs. Joe Person's Remedy will cure you, because it sends pure, rich blood bounding through your veins, puts solid, healthy flesh on your bones, and gives you strength to drive out disease.

Mrs. Joe Person's Remedy is a strictly vegetable compound, absolutely harmless. It contains no dangerous minerals, and can be safely given to the smallest infant. Whenever the trouble is external, it is necessary to use the Wash with the Remedy.
