University Gets a Huge Gift From J. A. Chaloner.

Richmond, Va., July 15.—Fearing that relatives may attempt to contest his will on the ground of alleged insanity, and so defeat his liberal plans for aid to Southern Education, John Armstrong Chaloner has conveyed his property, amounting approximately to \$1,500,000, in trust to the Virginia Trust Company, of Richmond, naming the University of Virginia and the University of North Carolina as residuary legatees. Specific bequests of \$10,000 each are made to other educational institutions, including A. and M. College. Mr. Chaloner reserves the right of the property during his life, and the right to change any of the real estate in any of the securities for the permanent use of the property, and with the consent of the trustees which will take effect upon the death of his

Woodburn News.

The anniversary of the death of the late Mr. Woodburn took place at Epworth Church. A large audience was present on the occasion, the church being well accommodated by the overflow of the crowd, who stood outside at the order to hear the exhortation by the Rev. Mr. Harry Duncan. Support was aided by his wife and Miss Frances Bass. The music was inspiring under the skillful touch of her fingers.

This church is noted for its fine vocal and instrumental music. The children acquitted themselves most creditably, there not

being a single hitch in all the proceedings, and a most enjoyable day was spent at the church. The nice dinner on the grounds was ample and abundant and was prepared in the most up-to-date manner.

In the afternoon Rev. D. F. Putnam made a lecture to the congregation, but having to leave our own church services we did not have the pleasure of hearing him, but friends tell us that he handled the popular sins of the day with gloves off, paying special attention to the blockade stills and the blind tapers in our County.

The protracted services at Providence began on last Monday morning, with the pastor, Rev. S. F. Nicks conducting them. He was joined by Rev. Hubert Cunningham on Tuesday evening, who preached on Wednesday and Thursday, spending two days with us. Herbert's sermons were clear spiritual and forceable and he made a full proof of his ministry and call from God to this sacred desk. On Thursday morning he gave a graphic account of his work at the State Farm which was very interesting and showed what a strong hold he has the affections of the unfortunate prisoners confined there. He is doing a grand and glorious work there for God and many will hail him in the great day as the blessed instrument in their salvation. God speed dear Herbert in his great work. No doubt he was the instrument in several professions during the service at Providence. Rev. Mr. Elliott, of the South Halifax circuit, was with us one day.

Dr. and Mrs. Swann, Mr. Walter Jones, and wife, and Miss Phifer, of Semora, Col. Cunningham and daughter, Sue, of Durham, were with us to our great delight.

Mrs. Mary Pointer, of Roxboro, is attending her old church at Providence this week and meeting her old friends and visiting her brothers, J. M. and R. W. Jones.

Mrs. Jane Tulloh of our community died very suddenly last Sabbath morning at her home at 4 o'clock of tuberculosis and was interred on Monday evening.

Gov. Cole L. Blease Seriously Accused.

Augusta, Ga., July 13.—Sensational testimony charging Governor Cole L. Blease, of South Carolina, with official corruption, was introduced before the dispensary investigating committee of that state at today's hearing. A. S. Reed, a Burns detective, and Thomas B. Felder, the Atlanta attorney, were the principal witnesses.

So unexpected was the character of the evidence that after the hearing was adjourned, Chairman H. B. Carlisle, of the committee, asserted that the newly adduced charges against the South Carolina governor would be thoroughly sifted.

Detective Reed's testimony included records taken with a telephonic device relative to negotiations for the purchase of a convict's pardon from the South Carolina penitentiary. The records, Reed testified, were of conversations between the detective and Sam J. Nicholls, a Spartanburg attorney, reputed to be a go-between for Governor Blease,

FUSION IN PENNSYLVANIA

Philadelphia, July 14.—After an all day conference here between former State Senator William Flinn of Pittsburg and supporters of Theodore Roosevelt from Eastern counties of Pennsylvania to consider plans for the organization of the third party in this State, announcement was made last night that the consensus of opinion favored the placing of the same set of presidential electors on both the Republican and third party tickets. According to this plan the electors are to bind themselves to vote in the electorate college for the candidate on the ticket on which the elector received the highest number of votes.

It is said that if the tentative plan is finally adopted it would amount to fusion in this State of the Taft vote on the Republican ticket and of the vote of the presidential candidate on the third party ticket; that is the combined vote of the elector on the two tickets would count against the vote received by a Democratic elector.

Thirteen Die in Rear End Crash.

Chicago, July 14.—Thirteen persons were killed and fifteen were injured in a wreck on the Chicago Burlington and Quincy Railroad at Western Springs, a suburb of Chicago at 6:30 a. m. today.

Coming through a fog with supposedly clear track ahead train No. 8, a fast mail, ran at full speed into the rear of train No. 2, known as the Overland Express from Denver, which was standing still on the track, telescoping two of the Overland's Pullman cars.

Railroad officials refused to fix the blame until after the wreck had been investigated thoroughly. Mrs. F. A. Wilcox who was in charge of the Tower from which the Block signals were controlled said that she was certain that the block was thrown against both trains. She collapsed after the accident and still is in a nervous condition.

In Honor of Miss Brooks.

Mullins, July 12.—Thursday evening Mrs. Charles Oscar Dixon entertained in honor of Miss Etie Brooks of Roxboro, N. C., who is her guest. The attractive home was beautifully decorated by ferns and cut flowers, which were effectively arranged. The color scheme of green and pink was carried out in profusion. The front verandas and lawn was transformed into a vision of fairyland by the soft rays of numerous electric lights. The guests were received at the door by the hostess, who was assisted by Mrs. John W. Lacy and Mrs. W. W. Owen, and were shown by Mrs. John Dixon to an inviting corner of the porch, where, under a beautifully latticed arch, Mrs. David Brooks charmingly presided at the punch bowl. At the conclusion of a floral contest it was decided the most gifted lady and man were Miss Brooks and Mr. Yarboro, and they were presented with the prize, a handsome box of candy. Miss Carter and Mr. Platt were awarded the consolation. Refreshments were served at a late hour. About 50 guests called during the evening.

Lorimer Ousted From The Senate.

Washington, July 13.—Overturning the majority of its own committee, and reversing its vote of March 1, 1911, the Senate today took away from William Lorimer his seat as junior Senator from Illinois by a vote of 55 to 28. A member of the Senate since June 18, 1909. Mr. Lorimer today was declared to have been the recipient of votes secured by "corrupt methods and practices," and his election was held to have been invalid.

Technically Mr. Lorimer will pass out of the records of the Senate as a member of that body, notwithstanding his seat. Facing his associates with the declaration "I am ready," Mr. Lorimer sat in the chamber and heard his fate decreed as the roll-call showed the adoption of the resolution of Senator Luke Lea of Tennessee, the Senate's youngest member.

The man who for three days had held the Senate to close attention with his remarkable speech of defense and attack upon his enemies, rose wearily from his seat, and passed back to a cloak-room door. Senators and members of the House gathered about him, grasping his hand, and patting him on the back. Outside the Senate door, as Mr. Lorimer stepped into the corridor, friends greeted him again, and a party of Sisters of Charity pushed forward to express regret at his expulsion. At his office later, when a physician had attended him, he said he would not leave Washington before first of next week.

William F. McCombs is Formally Chosen National Chairman.

Chicago, July 15.—William F. McCombs, of New York, Governor Woodrow Wilson's choice, today was elected chairman of the Democratic national committee and was empowered to appoint a committee of not fewer than nine members to take active charge of Democratic presidential nominee's campaign.

Mr. McCombs also was authorized to select a national treasurer and such other officers as he may see fit, including possibly vice chairman and, after consulting with Governor Wilson, to name the location of the headquarters. Mr. McCombs said he thought the principal headquarters would be in New York.

A Runaway.

On last Wednesday evening Mr. Ivey Blalock's horse ran into Mr. Robert Clay's buggy, near Concord Church, knocking Mr. Clay's horse down and turning his buggy over. Fortunately no one was hurt, outside of a few bruises. Neither buggy was damaged by the collision, the horses breaking loose from the buggies when they turned over.
