Mr. Morton and Miss Bass Wed.

On last Wednesday evening at 2:30 o'clock Mr. Hubert S. Morton and Miss Frances Sydnor Bass were married at the home of the bride's father Mr. R. B. Bass.

The bridal party were informally entertained at the home of the bride on Tuesday evening. Refreshments were served consisting of salad course, ices, etc. The home of Mr. Bass, an old colonial mansion, has been the scene of many happy occasions and profuse decorations but never did it look more beautiful than on this occasion. The color scheme was yellow and white, the parlor being golden rod, ferns and cut flowers; hall, cut flowers and potted plants.

The ring ceremony was used, Rev. D. F. Putnam performing the ceremony. The attendants came in the following order: Miss Lois Bass with W. R. Woody, Miss Nettie O'Brien with Alex. Bass, Miss Lucy Sydnor with B. G. Clayton, Miss Cora Winstead with Jas. A. Leng, Jr. The groom came in with his best man, W. A. Morton. Then came little Miss Margaret Frances Wade, niece of the bride, as flower girl, scattering lilies of the valley. The bride entered on the arm of her sister, Mrs. Charles Clyde Armstrong, who was dame of honor.

The bride wore a suit of mixed Failored gray and wysteria with hat and gloves to match, carrying shower bouquet of Bride's roses and lilies of the valley.

The dress of the dame of honor was embroidered yellow chiffon over yellow mesaline, and carried American Beauty roses. The flower girl was dressed in white lingere with yellow ribbons and carried a basket of lilies of the valley.

The bridesmaid wore white lingere dresses with yellow sashes and hair bands and carried yellow chrysanthemums.

The following guests from a distance were present: Mr. and Mrs. W. P. Bass and little Miss Martha Bass from Ironton, O. Mrs. B. H. Wade and Miss Frances Wade, Danville, Va. Mr. H. L. Bass of Handley, W. Va. Mrs. C. C. Armstrong of Gastonia, Miss Nettie O'Brien of Durham, N. C. Miss Lucy Sydnor of Crewe, Va.

The gifts to the bride were numerous and handsome, consisting of cut glass, silver, hand painted china and other valuable gifts.

The bride is one of the most beautiful ladies in the County and is easily one of the most popular ladies of her large acquaintance, while the groom is one of the prominent and prosperous young business men of Roxboro. No couple ever entered matrimonial life with brighter prospects than these young people, and The Courier wishes for them all the happiness that now seems to be their legacy.

The happy couple left on the 3:31 train for New York, Niagara Falls and other Northern points, expecting to be at home in Roxboro on Oct. 1st.

SENATOR SIMMONS SHOULD BE REPUDIATED.

Correspondent Commonwealth.

Mr. Editor:—I have recently been in several counties in the central and eastern section of the State, and to my great pleasure I found Governor Kitchin's friends very enthusiastic over his daily increase of supporters. The plain people of North Carolina cannot understand why Senator Simmons will not meet Governor Kitchin in debate and defend his "special interests" record. Is it that he cannot? Is he afraid to face the Democratic voters with the Governor and correct or deny the charges preferred against him? If the charges are true as to his violation of Democratic principles, then he ought not to be re-elected. If they are untrue, then he ought to meet the Governor and let the people see he is sincere in his Democracy the Senator is afraid to stand up and meet the Governor in his own State and before his own constituents and defend his own record. I ask his most ardent supporters is he a fit person to send to the Senate to represent this grand Commonwealth?

Governor Kitchin has not said one word about Senator Simmons' personal record. His charges are against his political record, which is always open for public discussion. No Democrat will deny this.

If Governor Kitchin were the only one who says Senator Simmons ought to be defeated there might possibly be some semblance of an excuse for the Senator to refuse to meet him, but such is not the case. The late lamented and honored ex-Governor Aycock, who was always one of Senator Simmons' close personal and political friends, in his last message to the Democrats of North Carolina said he should be defeated; Chief Justice be defeated, and a great majority of the Democrats all over the State say he should be defeated.

His voting for Lorimer ought to defeat him. Why did he change in the last trial when there was no new evidence? Had he felt the people's pulse? His votes with Aldrich against the Democratic platform and for protection ought to prevent his re-election.

MCNINCH CLAIMS BIG GAINS FOR KITCHIN.

Frank R. McNinch, of Charlotte, manager of the Kitchin Senatorial campaign in the State, yesterday claimed a majority of at least 25,000 votes for Kitchin on the first ballot, and said he was as certain Kitchin would be nominated as anything in the world. He said that three months ago he wouldn't have claimed such a majority, but now there has resulted a great change all over the State in which the swing has been over to the Kitchin forces.

Mr. McNinch said as vigorous a campaign as possible handicapped by the lack of funds, is being waged and will continue to be waged, and that the campaign fund had been contributed to chiefly by friends of the Governor and different Democratic leaders over the State. He expressed the hope that Kitchin and Simmons would get together in a joint debate, believing this would appeal to the voters as the best way of clearing up the issues.

Mr. McNinch said that in the last three weeks there has been a remarkable trend in the State toward the cause of the Governor. He said Senator Simmons could not stand the searchlight that had been thrown on his record and that it would be an egregious blunder to elect both Wilson and Simmons when one is a progressive Democrat and the other a reactionary. The latter, said he, being out of harmony with the leaders, Bryan and Wilson, would hinder the cause of progressive Democracy.

These changes, he claimed, have been going on rapidly all over North Carolina, in the various counties of the State, and in Guilford county, and the result, said he, would mean the defeat of Simmons and the election of Kitchin.—Greensboro News.

Paint?

There are two good reasons for painting often enough or even too-often. One, to look prosperous; two, to be so.

Nothing does one more credit or gives one more credit than paint, supplemented of course by what goes with it; and paint costs nothing.

True, the first cost is \$5 or \$6 a gallon put-on; but it saves more than that in the property; saves it from slow going down—not always slow—it drops with a jump when water gets in on wood and iron.

Dry wood and iron cost nothing kept dry by paint.

Better paint when it needs it. Paint never goes-down in the sense of being more profitable next year.

DEVOE.

Long, Bradsher & Co., sell it.

Big Sales.

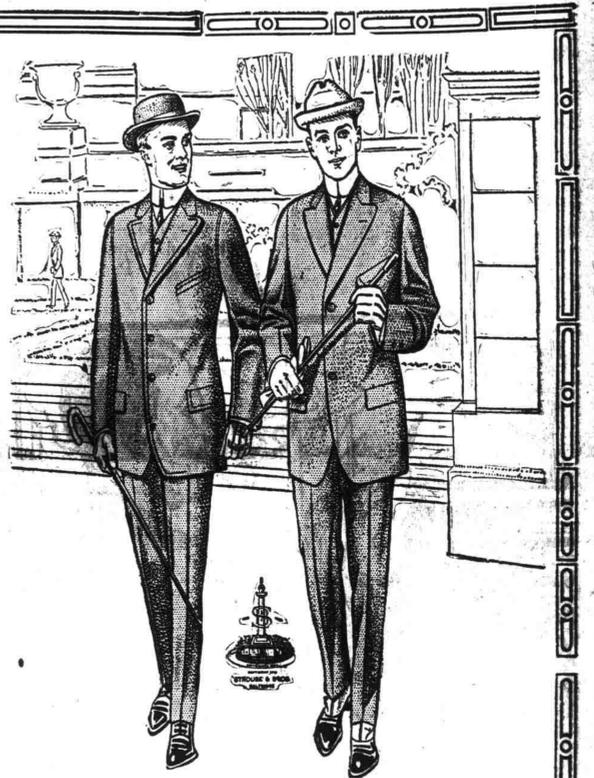

The farmers were in town last week in great numbers selling tobacco, and notwithstanding the large sales prices were unusually good, with very little complaint. Our buyers are determined that there shall be no kicking on the market this season and are bidding lively.

The first load of tobacco we ever saw brought to market in a buggy was brought in by our friend Mr. Wm. Wrenn of the Mill Creek section, but it brought \$14, clear check, just the same. Billy says if Roxboro continues to pay these prices for tobacco he will not have to gather Sumac after all.
