Paint Better

Better isn't enough; paint best. A man bought "cheap" paint; saved 20c or 30 or 40 or 50c a gallon, didn't he?

Yes, and bought 40 or 50 or 60 or 80 percent more gallons; how much did he make on his paint? And he paid for painting those gallons—a fair day's work is a gallon—how much did he make on the labor part of his job?

He lost a quarter or third of his money.

How long will it last? not his money, the paint?

Perhaps half as long as Devoe.

How long will his money last, if he buys other stuff as he bought that paint?

Better buy the best paint; it makes the least bill and least-often.

DEVOE.

Long, Bradsher & Co. sell it.

"The Sweetest Republican."

The following is from the report of Senator Simmons' Rocky Mount speech, which appeared in the Evening Telegram of Oct. 11, 1912:

"The speaker then asked if there was a Republican in the audience. If there is, let him stand up. I want to ask him one question. To the surprise of those present a man in the fifth row arose. The speaker asked: 'Can you tell me who is the Republican nominee for president.' The Republican shook his head amid laughter. After the laughter had subsided, the man said: 'I have never voted anything but a Republican ticket in my life, but this fall I am going to vote the straight Democratic ticket just to have the pleasure of voting for the Hon. F. M. Simmons.'

"You are the sweetest Republican I have ever seen" replied the speaker, amid wild cheering."

Rev. D. F. Putnam requests us to announce that he will not be able to fill his engagement at Warrens Grove on the 4th Sunday, but will preach at that point on the 2nd Sunday in November. Those of that neighborhood will kindly remember the change.

THE PRIMARY FOR SENATOR AND HOW IT WORKS

The right of the people of this State to nominate their Senator was demanded and driven through by Judge Walter Clark. He wished his candidacy for that office acted upon by the people instead of leaving it to the machine process in the Legislature. The Primary gives to the majority of the people THEIR RIGHT to name THEIR representative.

The Democratic State Convention ordered two Senatorial Primaries, the first on November 5th and the second on November 26th. A majority (over one-half) of the votes cast is necessary for a nomination. The candidates in the first primary will be Judge Walter Clark, Simmons and Kitchin. If no one of these men receive a majority (over one-half) of the votes cast in the first primary, the second primary will be between the two highest. The lowest man is dropped.

A VOTE FOR CLARK is a vote against Simmons and against his receiving a majority in the first primary.

A VOTE FOR CLARK is a vote against Kitchin and against his receiving a majority in the first primary.

A VOTE FOR CLARK is a vote with A MAJORITY FOR CLARK in the first primary.

YOU CAN'T WASTE YOUR VOTE.

You will not find a piece of pine, finished like oak, in our stock. If ours looks like oak it is oak. Look out for oak finished pine. It won't stand.
