Guy Timberlake Shot.

Mr. R. B. Holman, who honored us with a call this morning, tells of a very distressing accident which came near resulting in the death of young Guy Timberlake, which occurred near the residence of Mr. Holman, on Saturday morning. Guy Timberlake was accidentally shot by Carl Timberlake, son of Mr. C. A. Timberlake, of Durham. The load of the shot gun took effect in the back of the boy's head and tore away a part of the skull, laying bare the base of the brain.

Guy Timberlake, the boy who was shot, is a son of Mr. J. L. Timberlake. Saturday morning he and his cousin Carl Timberlake, started out hunting, and when about three hundred yards from the house a covey of birds flew up. Young Carl Timberlake fired at the birds without taking any special notice as to where his cousin was standing, with the result that he put the entire load in the head of Guy. The boys are both about fifteen years old, and the city cousin had gone out for a days hunt. Dr. Coleman was speedily summoned and looked after the wounded boy. He was carried to the Watt's hospital, where we learn he is doing as well as could be expected.

Congress Formally Convened.

Washington, Dec. 2.—Congress met promptly at noon today for the short session that will terminate with the incoming of the Democratic administration, March 4. Crowded galleries looked down on the animated scene below.

Speaker Clark in the house and Senator Bacon, presiding in the senate rapped the respective bodies to order.

It was not 12 o'clock when Senator Bacon, presiding protem took the chair at the desk of the late Vice-President Sherman and rapped for order in the senate. Senators surged through the doors at the last moment. Some time was required to get order for the prayer by the chaplain, Rev. U. G. B. Pierce.

Failure of members of the house to reach the floor delayed the opening of the session about one minute after the hour of noon. When Speaker Clark climbed the stair to the rostrum he was greeted by applause and cheers.

Morton-Bradsher.

The Baptist church of Roxboro was the scene Wednesday evening of a beautiful and impressive wedding ceremony, when Miss Mamie Bradsher became the bride of Mr. Errol D. Morton. Long before 6:30 o'clock, the hour appointed for the ceremony, the church, which was appropriately and tastefully decorated, the color scheme of green and white being carried out, was alled to overflowing with relatives, and friends eager to witness the joining of these young lives. From an elaborate musical program to the perfection in decorative detail, the setting for the marriage was ideal.

Mrs. E. E. Bradsher, at the organ, beautifully rendered the wedding music. Just as the bridal party was preparing to enter Miss Margaret Galloway charmingly sang, O Promise Me.

Promptly as the clock was striking the hour the organ pealed forth the strains of Mendelssohn's Wedding March and the little flower girls, Dorothy Younger and Margaret Carlton, daintily dressed in pink plaited dresses and carrying pink carnations opened the gates for the entrance of the bridal party. Then the ushers, Messrs. Will Morton, T. E. Austin, J. T. Bradsher and R. L. Harris entered. The maid of honor, Miss Gertrude Horne, becomingly attired in white hand embroidered chiffon over blue messaline, carrying white chrysanthemums entered alone.

The bride, handsomely attired in a blue cloth suit, carrying a shower bouquet of brides roses and lillies of the valley and leaning on the arm of her brother, Dr. W. A. Bradsher, was met at the altar by the groom with his best man, Mr. Raymond Winstead where Rev. D. F. Putnam spoke the words that made them man and wife.

After the ceremony the bridal party drove to the station, where Mr. and Mrs. Morton left for a trip north.

The bride is the charming and attractive daughter of Mr. D. W. Bradsher. She is quite popular here and her going away is a distinct loss to the whole town and particularly to the social life of the younger set. The groom is a prosperous farmer of this County and is held in high esteem.

Shooting Scrape Near Lyndover.

There was a family row near Lyndover on Monday which may prove serious. From the news we got of the affair it seems that the Gates children got into a fight and the matter was reported to the father of one of the factions, Mr. Thos. Gates, when he went to investigate, with the result that he shot his nephew, Elmore Gates. Dr. Gentry, of Helena, was called and managed to pick quite a number of the shot out of the face and body of the young man. The shot being small it is hoped the wound will not prove serious.

From Allenville.

Since my last letter I have been somewhat investigating the hog business of this section. I find that Mr. Joe E. Montague has perhaps more killers than any one else near here. He raises a cross or grade hog composed of Poland China and Berkshire. Mr. A. A. Gentry will have perhaps the largest hogs in this section, but not as many in number as Mr. Montague. His are Poland China crossed with Mr. J. Q. Yarbrough's Duroc Jerseys. Mr. Yarbrough was the originator of this breed of hogs in this section. He has no doubt bought, raised and sold more of this breed of hogs than any other two men in this County. He is a member of the American Duroc Jersey Record Association, and he can show and tell you things about the red hog you never thought or heard of before. He can tell you about nearly all the prize taking Durocs of the work, including his that took a premium at Raleigh last Fall, at 10 weeks old, something done by no other hogs on exhibition. Owing to a rush in business, he was unable to exhibit this fall, notwithstanding he has some extra fine specimens. Mr. James Burch is not to be overlooked in the hog business. He also, like Mr. Gentry, believes in a grade Duroc, says he had rather have the full blood Duroc, but, he says, they cost money. Mrs. Burch has been perhaps the largest chicken and egg raiser in the County but has now decided to try the duck business and has a large flock of Indian Runner Ducks. Mrs. Burch will, with the aid of her two charming daughters Misses Ila and Ruth, no doubt make this a good business success.

I understand that Mr. Sci O'Brian was an all day visitor at Mr. James Burch's last Sunday. Don't know what his business success was, but Mrs. Burch boards a school marm and I suppose that school teachers, like all other professionals, like each others company. So guess that accounts for his being there. Mr. O'Brian could learn lots of these little girl teachers how to improve their schools, as he is no doubt one of the best teachers in the County.

Our one time neighbor and friend, Mrs. Jennie May Hughes who moved to Asheville last Spring on account of bad health has been back on a visit, she says she feels a whole lot better. We

hope she may full regain her health.

Miss Myrtle Pool heads the list on raising turkeys, having sold Yarbrough & Son, at Allenville, 31 turkeys for Thanksgiving for \$35.45.

Miss Myrtle is a most beautiful girl and her success in the turkey business goes to show that she will succeed at any thing she may undertake, so boys keep your eyes on Miss Myrtle. R.

Thanksgiving Supper.

Mrs. Lucy Blalock gave a delightful reception on last Thursday evening at her home on Reams Avenue. There were quite a party present and it is doubtful if ever there has been a more elaborate spread in those parts than Mrs. Blalock set before her friends. After supper amusements of various kinds were enjoyed and all present were loathe to take their departure.

Mr. R. B. Holman, one of the largest farmers of the County, was a Roxboro visitor last Monday.

Big Metal Shingle Business.

The Cortright Metal Roofing Company, of Philadelphia, Pa., whose advertisements of Cortright Metal Shingles have been running regularly in the "Courier" for nearly a year past, advise us that 1912 will show an immense volume of business in their line. It is gratifying to carry the advertising of so prosperous and successful a concern and to feel that The "Courier" has had some part in creating such success.

Any of our readers interested in roofing should call upon the Company's local representatives, the Long-Bradsher Co.

Sheriff Thompson made a happy selection in making Mr. R. W. Morris his chief deputy, for no more popular man could have been found.
