Other Reasons for Storing Tobacco.

1. Because any other system is powerless to help you when a few buyers drop off and the price slumps.
2. Because it is to the interest of some to sell the Crop at Auction in three months, but not to the farmer.
3. Because arrangements are all ready being made to handle the next "Big" Crop in three months. Is this to your interest? A hint to the wise ought to be sufficient.
4. Because your talks and threats avail much, but your actions is what counts and now is the time to act.
5. Because the trade started in this crop claiming the largest and finest crop in years, and it has not proven any larger or better than it was claimed to be, nor has there been any grown since, "Why the slump"?
6. Because it is the backbone of the country, who has the tobacco now or hand. And he is the man that is not getting the least money, "There is a Remedy".
7. Because before conditions were brought about to make you rush off your tobacco you could sow a grain crop and do general farm work in fall and had money all the year without borrowing so much.

ECHOES FROM DURHAM.

Durham Happenings Always Interest Our Readers.

After reading of so many people in our town who have been cured by Doan's Kidney Pills, the question naturally arises: "Is this medicine equally successful in our neighboring towns?" The generous statement of this Durham resident leaves no room for doubt on this point.

Mrs. H. Schneider, 113 Hunt St., Durham, N. C., says: "I suffered from dull, nagging backaches and pains across my loins. In the morning when I get up, I was so sore and lame that I could hardly straighten. The kidney secretions bothered me and I knew that my kidneys were not doing their work properly. Doan's Kidney Pills removed all the lameness and soreness and also stopped the backache. I am now feeling better in every way. I have had no occasion to use any kidney medicine since. I am pleased to recommend Doan's Kidney Pills in return for the benefit they brought me."

Price 50c. at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Schneider had. Foster-Milburn Co., Props., Buffalo, N. Y.

Killed By Wild Animals and Snakes.

Many persons are killed by animals every year in India. In Bengal alone during the past year 15 persons were killed by wild elephants, 117 by tigers, 55 by leopards, 12 by bears, 4 by wolves, 4 by hyenas, and 201 by other wild animals, or in all 408 persons were killed by wild animals. Snakes were responsible for 4,371 deaths.

A Winter Cough

A stubborn, annoying, depressing cough hangs on, racks the body, weakens the lungs, and often leads to serious results. The first dose of Dr. King's New Discovery gives relief. Henry D. Sanders, of Cavendish, Vt., was threatened with consumption, after having pneumonia. He writes: "Dr. King's New Discovery ought to be in every family; it is certainly the best of all medicines for coughs, colds or lung trouble. Good for children's coughs. Money back if not satisfied. Price 50c. and \$1.00. At all Druggists. H. E. Bucklen & Co. Philadelphia or St. Louis."

Senator Gore Not Guilty of Charges

Oklahoma City, Okla.—United States Senator Thomas P. Gore was exonerated of charges of improper conduct by a verdict in his favor returned in District court here in the suit for \$50,000 damages instituted by Mrs. Minnie E. Bond, of Oklahoma City.

The verdict was returned at 5:40 p. m. Wednesday, 10 minutes after the case was given to the jury. Only one ballot was taken.

"We find," the jury stated in the verdict, "the evidence submitted by the plaintiff entirely insufficient upon which to base a suit, that said evidence wholly exonerates the defendant, and had the defendant, at the conclusion of the plaintiff's evidence, announced that he desired to introduce no evidence and rested his case, our verdict would have been the same in that event as now returned by us, in favor of the defendant."

Despite the efforts of bailiffs to maintain order when the last words of the verdict, "favor of the defendant," were read the crowd which taxed the capacity of the court room, turned into a cheering throng, orderly but no less determined to give vent to their feelings.

BANDIT LEADER IS IN PRISON.

Mrs. Costello Is With Her Husband. Crowd Offered Bandit Chief No Violence.

El Paso.—H. C. Richardson, of 1705 Fifth avenue, Pittsburg, Pa. was a passenger on the ill-fated train that was set to destruction in the burning of Cumbre tunnel two weeks ago according to a letter from F. H. Reed, of Durham, N. C.

Richardson's name has not been previously mentioned as a passenger on the train, but it is the belief of Mr. Reed that he was on the train and lost his life. According to Reed several days prior to the disaster he received a letter from Richardson in which he was going to Madero with Lee F. Williams. Williams was a passenger on the train, one of those who lost their lives.

Washington, Feb. 19.—The fate of Maximo Castillo, Mexican bandit chieftain charged with the slaughter of nearly fifty people in the big Cumbre tunnel wreck, rests tonight with the United States department of justice.

Authorities here are awaiting the filing of charges against Castillo and a request for his extradition. Following this an investigation will be made by a United States commissioner to decide whether or not he shall be turned over to Mexico to answer for his crimes. At the war department it was stated that Castillo would be kept in close custody pending disposition of his case.

El Paso, Feb. 19.—Maximo Castillo, the bandit chief, alleged perpetrator of the Cumbre tunnel outrage in which half a hundred Americans, foreigners and Mexicans lost their lives, is safely lodged in the Fort Bliss guard house.

Castillo, with six of his followers, including a woman, who claims to be Mrs. Castillo, were brought to El Paso from Hachita, N. M., at 4:30 o'clock this afternoon under heavy military guard. They were turned over to Gen. Hugh Scott at Fort Bliss.

Three thousand persons gathered at the union station to see the bandit chief. The crowd made no attempt at a demonstration against Castillo. The presence of a large military guard made up of the twentieth infantry which was at the station to prevent the prisoner being forcibly taken from the soldiers who guarded them, tended to restrain the crowd.

If You are Subject to Colds This Editorial will Interest You.

A Great Majority of People Get One or More Colds Every Season and It is of Vital Interest to All to Learn How to Avoid and Relieve Colds Quickly, Since Colds are Said to be Contagious.

Some people think colds are only caught through exposure. This in return is contradicted by the fact that Arctic explorers are peculiarly free from colds. It is more generally accepted that colds are the result of civilized life, due to super-heated rooms and a very rapid change in temperature which causes the nerve centers to be depressed, and still more largely due to contagion—one member of a family imparting a cold to another by sneezing or coughing.

A cold means nothing if relieved quickly. That such a purpose may be accomplished, a quick aid to a cold is an essential. A remedy especially devised to relieve colds quickly is PERUNA.

PERUNA contains such ingredients that have an especially beneficial influence upon the inflamed mucous membranes and the quicker these mucous membranes are given the benefit of a remedy like PERUNA, the quicker the relief and the less contagion.

A neglected cold may become a serious menace to one's own life, and far worse, may endanger one's family.

We insure our homes against fire, our lives against death. Why should we not insure ourselves against colds if possible by having a medicine in the family chest that can be used at once?

PERUNA is a reliable household remedy for colds and should be in every home, for there should be a desire to combat a cold as quickly as possible. This is enlightened hygiene.

People who are feeble and run down are more subject to colds than persons in normal health. Such persons need outdoor life and PERUNA to help build up a strong constitution. If you have a poor appetite that is often a warning that you probably need a tonic like Peruna for Peruna aids the digestive organs. When your appetite is fair and work and exercise do not quickly tire you, your susceptibility to colds diminishes very much.

Persons who object to liquid medicines can now obtain PERUNA TABLETS.
