How To Give Quinine To Children.
FEBRILINE is the trade-mark name given to an improved Quinine. It is a Tasteless Syrup, pleasant to take and does not disturb the stomach. Children take it and never know it is Quinine. Also especially adapted to adults who cannot take ordinary Quinine. Does not nauseate nor cause nervousness nor ringing in the head. Try it the next time you need Quinine for any purpose. Ask for 2-ounce original package. The name FEBRILINE is blown in bottle. 25 cents.

Have a clean healthy scalp and abundant beautiful hair

Does your scalp itch? If so, heed this warning Nature is saying: "Your hair needs food." When the hair falls out, it is harder to restore it than to keep it vigorous while you have it. Every man and woman should use a hair tonic while their hair is still healthy. Frequent, thorough brushings are also necessary for your scalp and hair. We have the tonics, the brushes—everything you need to keep you healthy from head to toe.
