PEACE

By Dr. John Grier Hibben, President of Princeton, Before Lake Mohonk Conference, May 19.

By all means let us pay any price which can buy peace—restrain of passion, long suffering, sacrifice of material wealth or of every personal convenience and comfort. Let us sacrifice it all, everything which can buy peace. But let us not forget that there are some things which cannot buy peace. If we sacrifice them in order to secure peace, the peace thus sought comes before us the fiercest torment of a living hell. We dare not trade honor for peace; we dare not betray duty in order that we may bargain for peace. We dare not indulge ourselves in the enjoyment of the blessings of peace while we turn deaf ears to the cry of distress or to the summons of a righteous cause.

Durham School Building Burned

Durham, May 21.—Fire which caught in one of the upper stories of the Moorehead school building at an early hour this morning so far got ahead of the fire department that the whole of this, the biggest school building in the city, was completely destroyed.

Road Work To Begin In Two Weeks.

The Highway Commission, accompanied by Dr. E. J. Tucker and Mr. R. H. Gates spent yesterday in Raleigh, and the Commission was highly pleased with their trip. The State Highway Engineer promised that he would send his chief engineer, Mr. Fallis probably the best road engineer in the State, here to begin making the preliminary survey within the next two weeks. The state highway Commission has promised all of the help possible and will keep an eye on the work as it progresses to see that the resident engineer will allow nothing shoddy to slip through.

Dr. Briggs At Baptist Church Thursday Night

The exercises by the children of the primary grades will begin at 10 o'clock Thursday morning. Class Day exercises will begin at 11 o'clock Friday morning. Final exercises will begin at 8:15 Friday night.

Improvements at the Baptist Church.

The ladies of the Baptist church are having the building painted and the Sunday School has been at work on the grounds, all of which makes it present a very different appearance. The chairs for the new Sunday School rooms have arrived and are now in use.

Mrs. Bullock Entertains

Friday afternoon was marked in social circles by one of the most enjoyable parties of the season when Mrs. W. C. Bullock entertained the Twice Eight Club and a number of other friends in compliment to her house guest, Miss Dillard of Lynchburg. Mrs. Bullock's home was made most attractive by quantities of beautiful cut flowers.

Delightful punch was served the guests as they assembled at the tables for the game of rook.

The hostess, assisted by Miss Breta Noell, served an ice course at the close of the game.

Children's Day Exercises

On next Sunday at 11 o'clock the Children's Day Exercises will be held in the Methodist church. These exercises are always interesting and doubtless will be doubly so on this occasion, as the teachers have been drilling them for some time. The public is cordially invited.

Mr. Burch Killed In Texas.

On Saturday morning Mr. Jno. H. Burch received the sad intelligence that on Friday the 21st, his brother, Hugh Burch of Brenham, Texas, had been shot and killed. No particulars have reached us yet. Mr. Burch went from this County just after the war and had accumulated quite a lot of property.

Card of Thanks.

We take this method to thank all the kind people of the neighborhood and surrounding country and also the physicians for their untiring visits and kindnesses shown to our dear beloved father W. T. Slaughter during his long illness and death we do appreciate every deed of kindness shown him to the highest degree their memory we hold dear.—His wife and children.

Weekly Weather Forecast

From Allensville.

On last Tuesday, May 18th, at about 8 o'clock, p. m., Bro. Billie Slaughter, who has been confined to his home so long, died. In his death Allensville church loses one of its strongest members and notwithstanding he told me several times before he died that he was willing to go yet I feel that our church has sustained a great loss. Bro. Boone being off from home Bro. Yearby conducted the burial services. There was perhaps the largest crowd in attendance ever seen at a burial at Allensville church. Bro. R. A. Spencer furnished one of those \$85 vaults and caskets to bury him in so you may know it was done in the best of order. So goes another one of our best men. Our sympathy goes out to each of the bereaved family.

On Sunday the 16th Mrs. Richard and I paid a visit to Mr. Tirzah in the morning and Helena in the afternoon. The church of Mr. Tirzah had a very small attendance; it seems for some cause this church is not what it used to be, but when we reached Helena we found altogether a different state of affairs. Here I found a very live Sunday School with a large church attendance and a most hearty welcome awaiting us, in fact they treated us so kind that Richard promised to go back to see them just as soon as he could. Oh, I failed to say we took dinner with Bro. Pratt Bowles. He is a young married man just starting out in life. He has a most excellent wife and she gave us such a dinner as Richard seldom gets. Taken altogether this was a great day for the two Richards.

Yesterday morning, May 23rd, I was in attendance at Allensville Sunday School and to the credit of Bro. T. B. Davis, our superintendent will say he is building up a school that not only he but the entire community should be proud of. I was at Rock Grove in the early afternoon, Bro. Vann Slaughter is superintendent of this school, one of the best men Rock Grove could have gotten for this school and I am, looking for great results. At 3 o'clock, p. m., I was at Brookdale to hear Bro. Boone preach to the Juniors and see what the Juniors looked like, but found it to be only a lot of Methodist brethren with a few sashes, ribbons and spears added. However, Bro. Boone started out with the Juniors and finished up with the women and ladies and what he said was a plenty. It was a powerful sermon according to the understanding of Poor Richard.

We have very flattering prospects for all crops down this way and the farmers are working as perhaps they have never worked before.—Poor Richard.

Neptunes Daughter

The photo-play, "Neptune's Daughter" was shown at the Princess last Friday afternoon and evening to a large crowd. This play was considered by all who saw it as the greatest moving picture ever shown here.

There is no better place to spend your evenings than at the Princess, more especially these hot ones, as there is no better ventilated place in town, and with the large electric fans, there is no cooler place to be found.

The management of this theatre are showing exceptionally good pictures, and the people of Roxboro should consider themselves fortunate in having such a place to spend a part of their evenings.

John Cash will repair your shoes.

THURSDAY, FRIDAY AND SATURDAY REMAIN OF BIG CLUB OFFER

There remains only three more days of the Big Club Offer of 200,000 Extra Votes for every club of \$10 turned in for subscriptions. This big offer closes next Saturday night.

WHAT DOES IT MEAN TO YOU?

Let's see. If you secure ten dollars in subscriptions during this offer closing Saturday, May 29th, you will receive a Special coupon good for 200,000 votes. If you secure two clubs, which means twenty dollars in subscriptions, you will receive a special coupon good for 400,000 votes. Three clubs making thirty dollars will give you 600,000 extra votes, etc. Two Hundred Thousand extra votes for every ten dollars in subscriptions that you send in on this offer. Remember, that these extra votes are in addition to the regular scale of votes.

HAVE YOU BEEN DOING YOUR BEST?

Let every contestant ask herself this question right now: "Have I secured every subscription that I could this week?" If you have not, you still have sufficient time to get thousands and thousands of votes—yes, hundreds of thousands. This big club offer does not close until Saturday night, May 29th, so you have three more days in which to work on this offer. Make every minute the balance of this week count for votes—every friend who has promised you a subscription, get him or her to "cash" in those promises, now while they will give you so many votes.

DON'T WAIT UNTIL THE LAST WEEK.

Some of the contestants have been working leisurely along waiting for the big offers. Let us impress upon each of you that the Big Offers are now being made and that you should take advantage of them.

THE CAMPAIGN MANAGER'S ADVICE.

Our advice to every contestant desiring to win one of the valuable prizes in this contest is: Do not let this Club Offer pass away until you have secured enough votes so as to enable you to feel reasonably sure that you are going to be the winner of the prize you desire. You now have an opportunity whereby you can secure as many votes as you desire. Now during this club offer closing Saturday night is the time.

DO NOT HAVE TO REPROACH YOURSELF.

There are several of the best prizes that money could buy—One \$350 Upright Grand Piano—\$75.00 in Gold—\$25.00 in Gold, and a commission of ten percent. to all contestants failing to win one of the large prizes. It is better to have a few votes too many than to like a few votes having enough to win the prize you want. Don't have to reproach yourself. Now while you have the opportunity is the time to act.

NOT A SINGLE PRIZE IS NAILED DOWN.

By this we mean that no one of the contestants has sufficient number of votes as to insure them winning any certain prize. No contestant has so many votes that they can't be overtaken easily by a little work. Several
