Inactive Kidneys Cause Disease

"I shall not soon forget the benefits I derived from the use of Foley Kidney Pills."—AL. A. Godfrey, Forest Grove, Oregon.

Too much work and too little work seem to have about the same effect on persons past middle age. Proper action of the kidneys is necessary to good health. They act as a filter and remove from the blood poisonous waste matter which if permitted to remain in the system leads to many complications. Many nervous, tired, run-down men and women suffer from pains in the back and sides, dizzy spells, bladder weakness, sore muscles and stiff joints and fail to realize that rheumatism, diabetes or even Bright's disease may result.

If you have cause to believe that your kidneys are weak, disordered or inactive you should act immediately. Foley Kidney Pills have been used by young, middle aged and old with complete satisfaction. They act quickly and surely and have given relief in cases of ten years' standing.

MRS. MELTON'S LETTER

To Tired Worn-out Mothers

Jackson, Miss.—"I shall feel repaid for writing this letter if I can help any tired, worn-out mother or housekeeper to find health and strength as I have. I have a family of five, sew, cook and do my housework and I became very much run-down in health. A friend asked me to try Vinol. I did so and now I am well and strong and my old time energy has been restored. Vinol has no superior as a tonic for worn-out, run-down, tired mothers or housekeepers."—Mrs. J. N. MELTON, Jackson, Miss.

He Knew How.
E. F. McIntyre.

There was an old geezer
And he had a lot of sense.
He started up a business
On a dollar-eighty cents.
The dollar for stock,
And the eighty for an ad.
Brought him three lovely dollars
In a day, by dad!
Well, he bought more goods
And a little more space,
And he played that system
With a smile on his face.

The customers flocked
To his two-by-four
And soon he had to hustle
For a regular store.
Up on the square,
Where the people pass
He gobbled up a corner
That was all plate glass.
He fixed up the windows
With the best that he had,
And told them all about it
In a half-page ad.

He soon had 'em coming
And he never, never, quit,
And he wouldn't cut down
On his ads, one jit.
And he's kept things humping
In the town ever since,
And everybody calls him
The Merchant Prince.

Some say it's luck,
But that's all bunk—
Why, he was doing business
When the times were punk.
People have to purchase and geezer
was wise—
For he knew the way to get 'em
was to advertise.

Sunday School Class Entertained

Roxboro, Sept. 30.—Mesdames I. G. Stephens and J. D. Winstead delightfully entertained for their class of Sunday School boys at a picnic at Lock Lily Lodge on last Wednesday.

The party motored to the Lake, and in spite of the inclement weather, the guests who assembled at the Lodge were in high Good spirits, ready for any fun that might present itself.

A blazing log fire added brightness to the big dining room and various games were indulged in. Rowing, motoring, and fishing furnished amusement when the weather would permit one to get outside. Dinner was served in the dining room, and it was surely a feast. The table was fairly groaning under its weight of good things.

Those enjoying the festivities were: Misses Lucile and Cora Winstead, Mary and Nola Wagstaff, Erma Bradsher, Huldah and Ruth Hester, Bessie Paylor, Lottie Harris, Ethel Winstead, Mesdames J. G. Stephens and H. M. Wagstaff, Messrs. T. C. Wagstaff, Eugene, Will and Raymond Winstead, Joseph Jones, Emery and Merrimon Winstead, Lewis Wagstaff, Marner Morton and L. T. Wagstaff.—H.

From Allensville.

Squirrel hunting seems to be the order of the day just east of Allensville. People from as far as Roxboro have taken the squirrel fever and are going past Allensville in search of squirrels, and the number they get is surprising. Mr. Ed Gentry, with a few other neighbors, it is said bagged over 60 in one day. It seems that these squirrels are migrating and have stopped over in our township for a rest, believing us to be a quiet, peaceable people, but if they had known how short of meat we were they surely would not have stopped over with us, consequently they are losing their lives by the hundreds. I have often heard my father tell how once upon a time the pigeons passed over this section in such numbers as to darken the heavens and sound like a mighty roaring thunder. My father then lived in Allensville township and I am told that a pigeon roost, which he often spoke of, was near where Mr. N. H. Turner now lives. This was about fifty years ago. On account of the war my father said it was hard to get ammunition to shoot those pigeons at any price, and on account of war ammunition is again advancing. However, the boys seem to be getting a plenty and are having the time of their lives.

Hurrah for Allensville. I was indeed glad to have our Editor call on me as he passed through our township the other day and saw so much improvement, and notwithstanding I had on the dirtiest shirt of the season, and looking like neither merchant or newspaper writer he met me with that smile which never wears off and gave me such a handshake that I was bound to think he felt friendly towards me, as he is not now running for any office. I appreciate what he says for our township and some of our neighbors, but so far as Richard is personally concerned he does not take much credit to himself. He like the Editor delights in seeing the farmers prosper and have nice homes and pleasant surroundings but he is entirely too old to help much with his own hands to do these things, but he is always ready to say, "good boys, that work looks almost as good as if I had done it." Fact is, it generally looks a great deal better, for somehow my hands have always been kind of tender and the sun seemed to have a bad effect on my skin which forced me to make for the shade before I did my work, as well or as much of it as I otherwise would have done. But taken altogether I believe the real farmer—I don't mean such as I was, but real good farmers, are the most happy and best contented people in the world.—Poor Richard.

"Just The Thing."

A tailor's work is sedentary. That is why most tailors suffer from constipation. G. W. Roberson, Wichita Falls, Tex., says: "I find Foley Cathartic Tablets the most delightful, cleansing cathartic I have ever taken. They are just the thing." They keep the stomach sweet and the liver active, drive away headache, dullness, tired feeling, biliousness, bloat and other results of clogged bowels. Prompt and effective, without gripe or pain. Stout people praise them for the light, free feeling they give. Sold Everywhere.

All the countries engaged in war will come out with enough battle scars to identify them for ages to come.

Minister Gives Testimony.

The Rev. C. M. Knighton, Havana, Fla., writes: "For three months I suffered intense pain in kidneys and back, which at times laid me up entirely. I read of Foley Kidney Pills and after trying various remedies without result I decided to try the Foley treatment. I was relieved almost with the first dose and it is a fact that I used only 1-2 bottles when all of the pains disappeared. I am 55 years of age and now feel like a young man again." Sold Everywhere.

Profit Sharing with Retail Buyers

On August 1-1914, we made the announcement that if we could make and sell at retail 300,000 Ford cars between August 1, 1914, and August 1, 1915, we would share profits with the retail purchasers, to the extent of from \$40 to \$60 on each car. We have sold over 300,000 Ford cars in the time specified, and profit sharing checks of \$50 each will be distributed as rapidly as possible after August 15, 1915. Retail purchasers who have not yet mailed us their profit-sharing coupons, properly endorsed, should do so without delay.

Our plan to profit-share with retail purchasers of Ford cars during 1914-15 has been most successful. We thoroughly believe in it, but, realizing the uncertainty of conditions generally makes it advisable to defer any announcement of future profit-sharing until a later date.

We are, however, confident of our inability to reduce costs for several months, and therefore can offer no profit-sharing for cars delivered during August, September, and October, 1915.
