COURT IN SESSION

October Term Convened Monday Morning—Small Criminal Docket—Judge Allen Presiding.

The October term of Person County Superior Court convened Monday morning, with Judge Oliver H. Allen presiding and Sol. Sam Gattis prosecuting.

In his charge to the jury, Judge Allen dwelt upon importance of enforcing the prohibition laws. Also the importance of good schools. That ignorance and whiskey was the cause of a large percentage of crimes.

He also reminded the county commissioners that Person county was in need of a new court house.

There are very few criminal cases on the docket. All of which were completed by Tuesday.

The civil docket was taken up Tuesday, and will probably last until the latter part of the week.

Very few people attended court this week. A very small crowd on Tuesday.

We will publish a full and complete report of the proceedings of the week in our next issue.

PERSON COUNTY FAIR A SUCCESS

Fine Exhibits of Person County's Own Products—Large Crowds Attended Each Day

The Second Annual Person County Fair came to an end Friday evening, closing the most successful event even the most optimistic could have wished.

The weather man was exceedingly favorable to the association. Tuesday and Wednesday, the first two days were almost perfect. Thursday was somewhat cloudy during the forenoon, and a small shower in the afternoon. Friday was another one of those beautiful "Indian Summer" days.

Although the work on the grounds, etc. was begun rather late, everything was in complete readiness. The exhibit building was filled with exhibits of every description. The best of Fruits, Corn, Wheat, Rye, Oats, Tobacco, Fancy Work, Pantry Exhibits, School Displays and numerous other things on display, giving Fair visitors an opportunity to see the really wonderful possibilities of Person County.

The Stock exhibit was one of the most interesting and attracted much attention. There were a good many horses on exhibit, practically all of the new stalls being in use.

Everything was nicely arranged for the live stock exhibits. The poultry pens were filled with some of the best breeds in the County.

The school display was another special feature, and attracted more than the ordinary attention. A large number of the public schools were participants in this department. The work was splendid, and it goes to show the good work being accomplished in our County schools.

The automobile, motorcycle and horse racing was a feature that always drew the crowd. The tract was in excellent condition every afternoon, with the exception of Thursday.

A tremendous crowd witnessed the fire work display on Wednesday and Thursday nights.

The attendance was good every day. There was no one big day, but an exceptionally good crowd each day. During the four days, 15,000 people were Fair visitors from this and adjoining counties, a number far exceeding that of last year. It might be said here that the behavior for the entire week was extraordinarily good. Not a single case coming up before the mayor.

The parade of the officers and marshals, headed by a brass band, begun at the Graded school building each day of the Fair and continued to the Fair grounds.

There were something like fifty marshals present during the week. This feature was not decided upon until a late date, but was a decided success, which was due to the untiring efforts of the Chief Marshal, Mr. C. W. Long.

The marshals ball, the grand climax of the week, was held in the Commercial Rooms in the postoffice building. More than fifty couples being present. Refreshments, consisting of ice cream and cake, were served during the evening.

Quite a number of business concerns of Roxboro had booths in the exhibit building and on the grounds, displaying their goods to the Fair visitors.

A great deal of credit is due the management of the Fair Association. In fact every man

connected with the association deserves a part of the credit, because everyone worked faithfully in the interest of a great and successful Fair for Person County during the year 1915. And it may be said that it will go down in Person's history as a most successful event in every form.

A complete list of winners of premiums will be published in The Courier in a short time.
