

As if by Magic

THE amount credited in your pass book, with the interest paid by this bank, will grow larger and larger, until a comfortable sum has been accumulated.

The savings habit grows as if by magic after you once begin, and you will soon realize the wisdom in thrift and economy and the folly of extravagance.

One dollar will open a savings account here. It will pave the way to an independent future.

Also let us show you our stock of Building Material which we are selling at the lowest market prices.

"EVERYTHING TO BUILD WITH"
Watkins & Bullock.

Lamar St. Phone 94

We reorganized our business and enlarged same by adding a full line of building material and supplies about the middle of July.

Everywhere else, the prices on building material is advancing.

On our market, SINCE THE MIDDLE OF JULY, prices have been declining steadily until now lumber and building material is cheaper than it has been for a number of years.

There must be a reason why prices began to drop about the MIDDLE OF JULY.

ASK YOURSELF WHY.
