Inactive Kidneys Cause Disease

"I shall not soon forget the benefits I derived from the use of Foley Kidney Pills."—Al. A. Godfrey, Forest Grove, Oregon.

Too much work and too little work seem to have about the same effect on persons past middle age. Proper action of the kidneys is necessary to good health. They act as a filter and remove from the blood poisonous waste matter which if permitted to remain in the system leads to many complications.

Many nervous, tired, run-down men and women suffer from pains in the back and sides, dizzy spells, bladder weakness, sore muscles and stiff joints and fail to realize that rheumatism, diabetes or even Bright's disease may result.

If you have cause to believe that your kidneys are weak, disordered or inactive you should act immediately. Foley Kidney Pills have been used by young, middle aged and old with complete satisfaction. They act quickly and surely and have given relief in cases of ten years' standing.

Splendid Laxative for Elderly People

Has Been Prescribed by Well Known Physician for Many Years.

The infirmities of age are especially manifest in a tendency to constipation, and call for treatment that will afford relief in an easy, natural manner. The rapid action of cathartic remedies and purgatives that shock the system should be avoided, more especially as the relief they offer is only temporary and is usually more than offset by disturbance to the vital organs caused by their violent action.

Nearly thirty years ago Dr. W. B. Caldwell, Monticello, Ill., prescribed a compound of simple laxative herbs that has since become the standard household remedy in thousands of homes. It acts easily and gently, yet with positive effect without griping or other pain or discomfort. Mrs. Rachel Allen, Galesburg, Kans., is seventy-one years old, and after using a bottle

of Dr. Caldwell's Syrup Pepsin, wrote that it had done her a world of good and that she intends to keep it in the house always.

Druggists sell Dr. Caldwell's Syrup Pepsin for fifty cents a bottle. It is a splendid remedy and should be in every home. A trial bottle, free of charge, can be obtained by writing to Dr. W. B. Caldwell, 454 Washington St., Monticello, Ill.

UGH! A DOSE OF NASTY CALOMEL

It salivates! It makes you sick and you may lose a day's work.

You're bilious, sluggish, constipated and believe you need vile, dangerous calomel to start your liver and clean your bowels.

Here's my guarantee! Ask your druggist for a 50 cent bottle of Dodson's Liver Tone and take a spoonful tonight. If it doesn't start your liver and straighten you right up better than calomel and without griping or making you sick I want you to go back to the store and get your money.

Take calomel today and tomorrow you will feel weak and sick and nauseated. Don't lose a day's work. Take a spoonful of harmless, vegetable Dodson's Liver Tone tonight and wake up feeling great. It's perfectly harmless so give it to your children any time. It can't salivate, so let them eat anything afterwards.

Mr. Jule Clayton, one of the prosperous young farmers who left this County and bought land in Caswell county, near Prospect Hill, favored us with a pleasant visit last Saturday. He says he has above an average crop of tobacco this season and is expecting good prices for it. He brings the encouraging news that the farmers in his section have sown the biggest crop of wheat ever sown in that section.
