

## Start the Boy Right

GIVE that boy of yours a start in life by opening a savings account for him in this bank.

Bring him here with you so that we may meet and talk with him; deposit a dollar in his name and let him be the proud possessor of his own bank book.

Inspire your boy with an earnest desire to save, and by the time he grows to young manhood, he will have a comfortable nest-egg to enter business with or to perfect his education.

Let us help you to start your boy on the right road to happiness—help to make a real big man of him.
