## MRS. BRADSHER TAKES EXCEPTION.

An editorial appearing in the Person County Courier of Jan. 19th, in which the editor takes occasion to criticize the "Daughters of the Confederacy" because they propose to erect an Arch at the Jackson Training School was no doubt a surprise to the Daughters and to all who were familiar with their work. In the first part of the article the statement is made that the "Daughters of the Confederacy" are to erect an Arch at the Jackson Training School to cost \$1000.00, and then the editor takes occasion to state that to his way of thinking "these daughters" would do better to take this money and use it in a different way, and he further states that he believes in monuments but in the living monument.

Now, for the information of the editor of the Courier and any other who are of his opinion attention is respectfully called to article II of the constitution of this organization, in which it is plainly stated and set forth that the work of erecting monuments and arches and to seek to honor the memory of those who fell in the service of the Confederate States is a part of their great work and so in erecting this Arch at the Jackson Training School they are only acting in obedience to the demands of the Constitution. Just who the editor meant by "These Daughters" is not quite plain, but it is supposed that reference was made to the honorable organization of "The North Carolina Division of the United Daughters of the Confederacy". It is but fitting to say that it is composed of some of the brightest, brainiest and most cultured women of our South land, and wherever they put a plan into execution it is usually one which they have given their best thought and consideration, and one that should be commended and not criticised. If any one will take the pains to investigate just what work the Daughters are doing it will be found that they assist in various causes, perhaps it is known to very few that the North Carolina Chapters are educating several young ladies at the Normal and Industrial College in Greensboro, as soon as one is graduated another is placed there in her stead and in this way the work is made continuous, the Daughters make this possible by voluntary contributions from the members, and it may not be out of place to state in this connection that the Person County Chapter pays annually its proportional part and is helping in this way to give education to these descendants of Confederate Veterans who could not receive a college education in any other way. They also do a great deal of good in their local work in presenting crosses to the soldier's giving aid to families of veterans who are dead, and observing memorial day May 10th, and Jefferson Davis Birthday June 3rd, as "Confederate Veteran Day," these are great days for the old soldier, and the Daughters serve sumptuous dinners on these days and thus at least once a year they meet and enjoy a real live reunion and who has made this possible save the Daughters? These things if you please are some of your living monuments and be assured that the Daughters are doing much work of this kind, but it is also a part of their work to erect monuments to the dead, to honor those who fell while on the battle-field, or who have since passed away. This is their work

## LEONARD TUFTS IS ELECTED PRESIDENT

### Of North Carolina Agricultural Society.

Raleigh, Jan. 20—Leonard Tufts, of Pinehurst, was elected president of the North Carolina State Agricultural Society at a meeting here today of the board of directors of the organization. Mr. Tufts was elected to the position in place of J. S. Hill of Durham, who declined to serve after his election last fall.

Col. J. E. Pogue, secretary of the North Carolina Fair, recommended that the executive committee be authorized to negotiate a bond issue for the purpose of making improvements contemplated consist of a new exhibition building and the construction of better facilities for the accommodation of the visiting public.

### SOCIETY NEWS.

Dr. and Mrs. B. R. Long in a most delightful manner entertained the Bridge Club Tuesday night from eight to eleven o'clock. The home was attractive for the occasion with a quantity of fragrant white hyacinths and other potted plants. After playing auction until a late hour the hostess served a salad course with salted nuts.

The Friday afternoon club met with Mrs. Joe Nash at her home on Academy Street. Mrs. John Winstead was the winner of the club prize, while the guests trophy was won by Mrs. H. S. Morton. At the close of the afternoon a three course luncheon was served.

### AUTOS OR HIRE.

We are glad to know that the Freeland Motor Company has decided to put on some automobiles for hire, and you will be able to secure the services of a machine any time you want one. This has been something the town has needed for some time, for it has been impossible to secure such service anything like regularly. Now if you want to go anywhere quick it will only be necessary to call up the Freeland Motor Co. and you will be accommodated.

### White Goods Sale.

The annual white good sale at the store of Mr. A. Lipshitz has become a matter of more than ordinary interest to the ladies of this town and County. Yearly Mr. Lipshitz makes a visit to the northern markets and spend about two weeks in making purchases for this sale, and the ladies know that when he puts on a sale that there is something doing. This is a money-saver and it will pay you to call and see the many beautiful things he is showing and showing at such wonderful low prices. This sale he assures us far surpasses anything of the kind ever offered by him.

### UNION SERVICES.

On Sunday night there will be Union Services at the Methodist church, Rev. D. F. Putnam preaching the sermon. There will be special music by the choirs of all of the churches. The public is cordially invited to attend this service. We understand this is to be a permanent arrangement, the services rotating from one church to the other every fifth Sunday.

### A Card of Thanks.

We wish to thank our friends and neighbors for their kindnesses shown us during the sickness and death of our dear husband and father. They will always be remembered by us.—Mrs. A. W. Clayton and children.

### MARKET GOING GOOD THIS WEEK.

There have been good sales at all the houses this week and at no time during the tobacco year has prices been so good. This is true of all grades, and the averages have been very satisfactory at all of the houses. Contrary to the usual run of things, since the holidays the prices have been moving up almost every day until now prices are eminently satisfactory.

### HYCO AVERAGES \$17.00.

One day last week the Hycos averaged \$17.00 for every pile of tobacco on the floor, this included trash, tips and everything. This was not a picked sale, but was one of the largest breaks they have had this year.

### IN MEMORY OF W. C. HESTER.

On Dec. 23, 1915, the cold hand of death laid hold of and claimed for its own the sweet spirit of Mr. W. C. Hester of

Wilson, N. C., and bore it to the spirit world. He leaves behind one sister, Mr. W. T. Slaughter, and a wife besides a good number of friends and relatives in Person County to mourn his departure. He was born and reared in Person County, but had been away for 24 years. He moved to Pitt County and lived for some years and then moved to Wilson N. C. where he remained until his death. His body was laid to rest in the cemetery at Wilson, beside his brother, T. H. Hester, who preceded him. He professed faith in Christ at the age of 18 and joined Grassy Creek church of Granville County until he moved to Wilson Baptist Church, being a worker for the Lord for 45 years. He was married to Miss Fannie Clark about 40 years ago. He was the son of Mr. W. F. Hester. May the Lord bless and comfort his dear wife and loved ones.—Sister.
