DEATH OF A LOVELY WOMAN.

Mrs. Maggie Carver Wrenn. She was born July 22, 1888 and died Jan. 31 1916 age 27 years 6 months and eight days. Oh, what a short stay on earth, but the good Lord knew best. He giveth he taketh away, blessed be the name of the Lord. On July 18, 1909 she was happily married to Mr. Sid Wrenn three children were born to this union one girl and 2 boys the baby is two years old. She was a kind mother and a devoted wife. The tie is broken now one link is gone that should bind that dear husband and loved ones closer to God. Maggie joined Mill Creek Missionary Baptist church in Oct. 1909 where she remained until death. Maggie loved to go to church and went as long as she could she went last year when she wasn't able and would be so tired. Its sad, oh so sad to part with our love ones but our loss is her eternal gain I believe she told me some 4 months ago she was ready to go when the Lord called her, all she missed was her children, that Sid could take care of his self. A kind mother always thinks of her children and will cling to them as long as she can. Maggie will be sadly missed, a place is vacant in the home that can never be filled those little ones will never know the love of a true mother, she is gone never to return to them but they can go to her some day. She possessed a fine character, a good disposition and a kind heart what all of us should possess.

All that love ones could do for her was done, but they could not stay the cold hand of death. May the dear husband strive hard to meet her in glory where there is no more sorrow no more pain where parting will never end.

She suffered untold agony here at times no one but her could tell what her suffering were, I was so sorry for her one week before her death she suffered so she said to me I am sick I wont be here long. Her suffering is over now and I believe for ever. May each one of us give her up and ask God to help us to live a Godly life and meet this loved one in glory where parting never comes. She was laid to rest on the first day of Feb. 1916 at the home burying ground in the presents of many loved ones and good many friends, the burial services was conducted by her pastor Rev. D. F. Putnam at her home. May God bless the husband and children, the dear mother who waited on her so faithful and all the family is the prayer of the writer.—Lelia.

Severe Cold Quickly Cured.

"On December first I had a very severe cold or attack of the grip as it may be, and was nearly down sick in bed," writes O. J. Metcalf, Weatherby, Mo. "I bought two bottles of Chamberlain's Cough Remedy and it was only a few days until I was completely restored to health. I firmly believe that Chamberlain's Cough Remedy is one of the very best medicines and will know what to do when I have another cold." Obtainable everywhere.

The Southern Baptist Education Association in session at Nashville, Tenn., elected Dr. R. T. Vann, of Raleigh, president.

What Children Need Now.

In spite of the best care mothers can give them this weather brings sickness to many children. Safe, reliable family medicines are in demand. Mrs. T. Neureuer, Eau Claire, Wis., writes: "Foley's Honey and Tar cured my boy of a severe attack of croup after other remedies had failed. I recommend it to everyone as we know from our experience that it is a wonderful remedy for coughs, colds, croup and whooping cough." It stops the coughs that hang on and weaken after the laprippe. Sold Everywhere.

The Grayville County Fair Association has elected B. M. Caldwell, of Oxford, president, and P. W. Knott, secretary.

The Farmer is a Business Man

HE needs a typewriter for the same reasons that every business man needs one. Because it saves time, it saves labor, it enables you to keep carbon copies of all your correspondence, it is the up-to-date business like method of writing.

And that isn't all. Every farm is a home and the farmer's typewriter is a home machine to be used by every member of the family. The school, the home, the farm all have their own writing to be done, and the typewriter provides the modern time saving way to do it. Our new

REMINGTON Junior Typewriter

is the ideal farm typewriter. Just the model, just the size, just the price. It is half the size of the standard Remingtons and half the price, but it writes with standard type on paper of standard size.

It is so simple that any one can operate it, and as for its quality, the name "Remington" is the answer. The price of the Remington Junior is \$50.00.
