

The Standard Remedy in Countless Homes

Relieves Constipation Easily
Without Gripping or
Discomfort.

Indigestion and constipation are two conditions that are closely related and the cause of much physical suffering.

The tendency to indulge one's appetite is more or less general and most people suffer at one time or another from rebellion of the overtaxed organs of digestion and elimination. A pleasantly effective remedy, that will quickly relieve the congestion of poisonous stomach waste and restore regularity, is the compound of simple laxative herbs sold in drug stores for fifty cents a bottle under the name of Dr. Caldwell's Syrup Pepsin. This is a mild, pleasant laxative tonic, free from opiates or narcotic drugs, and has been the standard household remedy in thousands of homes for many years.

Mrs. Oliver Young, Merrill, Wis., writing to Dr. Caldwell, says, she knows of nothing so effective for regulating the stomach

and bowels; since taking Dr. Caldwell's Syrup Pepsin she feels ten years younger; her work seems easier and she has regained her appetite.

REORGANIZING ATLANTIC FLEET

SECRETARY DANIELS ORDERS
SIX OLDER BATTLESHIPS
PLACED ON RESERVE LIST.

4,200 MEN MADE AVAILABLE

The Men Thus Released Will Man
New Dreadnaughts and Destroy-
ers.—New First Line of Fleet.

Washington.—Reorganization of the first line of the Atlantic fleet was ordered by Secretary Daniels so as to place six of the older battleships in reserve and release a large part of their crews to man a destroyer division and the new dreadnaughts Oklahoma and Nevada.

The New Jersey, Virginia, Rhode Island and Nebraska were ordered in reserve at the Boston navy yard, the Connecticut at Philadelphia and the Louisiana at Norfolk. When repairs have been completed, they will be maintained with their crews reduced 60 per cent, but in shape for active service within 48 hours. These vessels will be included in the nine battleships to be used this summer for naval militia and citizen volunteer training cruises. All six of the ships are of the old turret type.

About 4,200 men made available by the change will be divided between six destroyers and the new dreadnaughts.

There will be 16 big battleships in the new first line of the fleet, including the Pennsylvania, to be delivered by the contractors on June 1. The others are the Minnesota, Vermont, Michigan, South Carolina, Delaware, Oklahoma, New York, Texas, Florida, Utah, Arkansas, New Hampshire, Nevada, Kansas and Wyoming.

With addition to 15,000 men in the Navy proposed in the pending bill before Congress, Navy officials said that it would be possible to take several ships from the reserve and return them to active service. The department is also endeavoring to work out a plan by which naval militia can be instantly assigned, for duty in case of war, to duty in manning ships in reserve.

NEW HOUSE ARMY BILL PASSES CONFERENCE.

Regular Army 175,000; Increase 218,000 in Emergency.—Assure Nitrate Plant.

Washington.—Agreement of Senate and House conferees on the House Army re-organization bill has been reached, and the committee ordered a tentative print of its report. A deadlock was in prospect after a stormy morning session, but in the afternoon the conference was calm and results came quickly.

So far as could be learned the regular Army to be provided by the conference bill would aggregate 175,000 fighting men in time of peace, which may be expanded to 218,000 men in an emergency. The National Guard would aggregate 400,000 men, required to take an oath of allegiance to the National Government and to be given representation on the General Staff of the Army.

GERMANS BEGIN ATTACKS AGAINST BRITISH LINES.

London.—Switching their attack from the Verdun region against the French, the Germans have begun again a sharp offensive against the British line around Hulluch.

Proceeding their movements with the usual heavy bombardments, the usual heavy bombardments, the Germans launched an infantry attack against the British lines in the region of Vermelles and were successful in capturing first line trenches over a front of about 500 yards. The British admit the loss of the position, but say that part of them were retaken in a counter-attack.

Berlin says the British suffered heavy casualties and in addition lost many prisoners and several machine guns captured.

BANDITS ARE PARLEYING FOR EXCHANGE OF PRISONERS.

Marathon, Tex.—Major Langhorne of the Big Bend expeditionary force, is parleying for an exchange of prisoners which will release Ross Deemer, the storekeeper captured by the Villa raiders, according to arrivals from the border. If the parleys fail Major Langhorne is expected to rush the bandits who are reported concentrated some distance south of the Rio Grande. He has sufficient supplies to make a short foray into Mexico.

BANDIT RAIDERS MAKE ESCAPE INTO MEXICO.

Brownsville, Texas.—Mexican bandits who shot and killed Curtis Bayliss, an American, near Mercedes, Texas, have escaped into Mexico, according to Lieut. F. L. Vanhorn, who returned to Fort Brown after chasing the Mexicans to the Rio Grande. Earlier reports at Fort Brown were that one of the bandits had been killed and two captured. There were three of the bandits, Lieutenant Vanhorn stated.
