## "The Biggest Paint Order Ever Sold in Person County"

When people investigate and find out what is what

IT IS "DEVOE"

The Two Cotton Mills and all their tenant houses will be painted with DEVOE LEAD AND ZINC READY MIXED PAINTS. And we are proud of this order for it was a large one and to get it we had to go up against practically every reputable paint manufacturer in the whole country. The Mill Management went into the paint business thoroughly and when they considered THE QUALITY, DURABILITY AND PRICE, it was

## "DEVOE"

75 years ago everyone wore homespun—

and, likewise, everyone used hand-mixed paint. To-day, when machine-spun cloth is so much better and cheaper, no one would think of wearing homespun. Many people are still using hand-mixed paint, however, because they do not know that

will save them money and labor. Devoe Lead and Zinc Paint is simply made of the same ingredients the old-time painter used: Pure White Lead, Pure White Zinc, and Pure Linseed Oil. The only difference is that Devoe is mixed by machinery, 500 gallons at a time. Therefore, it is always absolutely uniform in strength, color and covering capacity.

We guarantee Devoe Lead and Zinc Paint to be pure. We know it contains no whiting, silica or other worthless materials. Stop in and ask for Color Card.

## W. W. Clayton Celebrates His Thirty-Sixth Birthday

On Monday evening July 10th, a large crowd of relatives and friends gathered at the home of the above, and for a few hours forgot everything except a table on the lawn loaded with everything we could wish for, and to say we enjoyed ourselves is a small way to express it. We all hope Bill will have many more birthdays, and that we may live to be present with him. — A Friend.

## Clement Revival.

A revival meeting will begin at Clement Church July 16. Dr. John E. Briggs, of Washington, D. C., will do the preaching. This is his home church and a great meeting is expected.

Dr. Briggs graduated at Mercer University, Ga., and the Baptist Seminary, Louisville, Ky. He has held pastorates in Greensboro and Atlanta, Ga., and for the past seven years has been in Washington, D. C. During his pastorates in Atlanta and Washington he has received more than two thousand into the church. His influence in the church councils is national in scope. He comes to the meeting in great hopes of accomplishing much among his native people, and desires everybody interested in the community to help in every possible way. He has prepared an interesting program for the meeting and doesn't want to preach to empty pews. Two nights he will lecture on the Holy Land, using lantern and slides in illustration.

A local committee has arranged all the details of the meeting. The singing has been well planned, and Mrs. Carl Bradsher will assist throughout. There will be morning and afternoon services with dinner on the ground. Everybody is urged to come.

## TRIAL THURSDAY OF PERCY SWANSON FOR OBTAINING MARRIAGE LICENSE BY FALSE REPRESENTATION. WILL NOT GIVE UP LICENSE.

On last Thursday in Justice J. M. O'Brian's court Percy Swanson, of Carrboro, was tried for obtaining marriage license by false representation and perjury for the marriage of Miss Moline Hughes of Carrboro. On Saturday night before the defendant applied for license, representing the young lady was 19 years of age. Mr. R. M. Webb, Deputy Register of Deeds, not being willing to issue license upon the statement of Swanson and his witnesses was requested to talk over the phone to the father of the girl at Carrboro. As to his willingness for her to marry. The defendant or some of his friends called up Mr. R. A. Hughes over long distance and had Mr. Webb talk to someone, but it turned out that it was not Mr. Hughes and that a scheme had been devised by the defendant and his friends to mislead the Register of Deeds. The evidence disclosed that the party talking at the other end of the line was a brother-in-law of the defendant at Carrboro, who represented over the phone that he was Mr. R. A. Hughes, the father of the girl and that there was no objection to the marriage.

The license was issued but upon learning of the fraud that had been committed a warrant was issued for the defendant who had sworn that the girl was 19 years of age. The evidence disclosed that the girl was not 15 years of age and is from a highly respected family of Carrboro. In the prosecution V. S. Bryant of Durham, represented Mr. Hughes the young lady's father, Mr. L. M. Carlton represented the Register of Deeds. The defendant was bound over to court under the bond of \$400, which he has not yet given.
