ROMANTIC MARRIAGE AT HOUSTON MONDAY.

The culmination of quite a romantic courtship took place in Houston, Va., when Miss Dorothy Culver of Blanche, N. C. became the bride of Mr. Will Morton, of Milton. The young couple, accompanied by Miss Annie Daly Connelly and Mr. George Cunningham left Milton Monday morning, presumably to go to the lake where they were going on a picnic, but instead, went to Houston, where the marriage vows were said before the Rev. Wallace G. Ribble, pastor of the Episcopal church at that place.

Immediately following the ceremony, the young couple motored to South Boston, from which place they were said to be going to Wrightsville Beach and Wilmington to spend their honeymoon. After August 10th Mr. and Mrs. Morton will be at home at Whiteville, N. C.

ROXBORO DEFEATS THE GIANTS.

Roxboro met and defeated the Cunnigham Giants in a six inning game of ball Saturday at the Fair Grounds.

The game was started later than advertised and at the beginning of the sixth inning rain began, but Umpire Harris did not call the game until the last half of this inning.

The score was 9 to 3 in favor of the home team. Both teams played good ball and not until the fourth inning did Roxboro secure the most of their runs. Good many errors being made by the Giants in this inning.

Tent Meeting At Helena.

The tent meeting at Helena which has been in progress for some time conducted by Revs. H. M. North and J. J. Boone, have been productive of much good. We hear that community has not been so stirred for many years, and many have professed faith in the Savior. Two more eloquent, able ministers rarely get together in a meeting and any community which has the privilege of hearing either of them for that length of time is fortunate indeed.

Revival at Clements

Baptist Church.

During the past week Rev. John Briggs conducted a revival at Clements Baptist Church, preaching twice daily. It was our pleasure to be present one day and we heard two of the finest sermons we have heard in a long time. Mr. Briggs is a preacher of rare power, stirring the soul and causing almost every one under his power to determine to be better and lead a more correct life, living for something worth while. On Friday he baptized several in the pool near the church.

Revival At Mill Creek.

Last week Rev. Mr. Redwine preached at Mill Creek Baptist Church, the Pastor Rev. D. F. Putnam being with him in the meeting. We are glad to hear that several professions were made and that the members of the different churches of that community were greatly built up through the efforts of these good men.

Fund for Flood Sufferers.

Through the efforts of Mayor O'Brian and Chief of Police, Cash, something more than \$100 was raised yesterday and forwarded to the proper authorities at Raleigh.

FROM ALLENSVILLE

Poor Richard Expresses His Views As To County Demonstration Agent.

Seldom has the Editor ever written an article that so many farmers were ready to say Amen to as the one last week headed "A Misfit". It is a well known fact that The Courier and Richard were both anxious for a County Demonstrator, for regardless of what the farmers think of us we want the farmers to prosper, and Richard was hoping and believing that a County Demonstrator would be of great service in enlightening the farmers, but like Bro. Noell, I have been sadly disappointed from the first. Mr. Brown may be a good man and one well capacitated to do something but most certainly he is not giving satisfaction in the office which he now holds. At Allensville on the 20th when the farmers had been called together by the State lecturers Mr. Brown used up much valuable time in trying to lower the standard of our County paper, which is doing more real good to the County each week perhaps than Mr. Brown would do in a lifetime. Just as The Courier says, we need a young man of our State and a man who will visit the poor farmer as well as the one higher up. Mr. Brown from the best information obtainable, visits only a few of the most select, men of prominence who are already making good at farming while the poor farmer, living in ignorance and humility, not knowing which way to turn to better his condition is never given the least of attention by Mr. Brown. He is entirely too much on the run to be worth much to the farmers of Person County, and the sooner the County Commissioners get a young man and a better mixer the sooner they will be relieving us of a tax now imposed which we feel that we are getting very little benefit from.

Since my last letter I have been trying out my new Ford, and while she may not be the best there is I need her in my bus, for I find her a most excellent car and Mr. Fox and the Crowell people fair to deal with. During this time I have been on a visit around Hurdle Mills, the home of my nativity, but like Rip Van Winkle I find but few men or women that were there 40 years ago. Many are dead while others have moved away and given room to a more progressive class of citizenship. This place had but one store in my boyhood days and only two dwelling houses of any note and one mill, the whole business being owned by Richmond and Cooper. It has since grown to quite a little village, with two large stores, one owned by R. L. Wilburn and the other by A. M. Long & Son, also an up to date roller Mill, owned by uncle Mark Garrett. At this place I heard my first Presbyterian preach, one Bro. White of Roxboro. He seems to be making a favorable impression among these prosperous people. I have also been in attendance three days at the great tent meeting being held by Brothers North and Boone at Helena. Brother North has been doing great preaching at this place, allowing Richard and Mrs. Richard either to be the judge.

Some time ago two gentlemen of Roxboro asked me to try to get a right of way through the different farms leading to Allensville. I have been successful in doing this and hope your town

will now get together and grade this road as we are very poor people but know a good thing when we see it and want to see this road.—POOR RICHARD.

SCHOOL TAX VOTED.

The election held yesterday in portions of Flat River and Mt. Tirzah for a school tax was carried by a good majority. This tax will enable this school district to establish a high school and we want to congratulate the citizens for this advanced step.
