BOARD OF EDUCATION

MET IN CALLED SESSION WEDNESDAY

To Build School at Caltolina—Also at Trilby—Lady Demonstrator Secured For Person County.

At a meeting of the Board of Education last Wednesday the Board decided to join in with Granville county and establish a two teacher school at Caltolina near the Granville county line.

It was also decided to build a three teacher school near A. H. Gentry's. The building to cost around \$3,000 which will be made up by the patrons of the school.

At this meeting it was decided to pay half the salary of a lady demonstrator for this county, the government paying the other half.

This year a bonus of 25 per cent of teacher's salary is offered by the board to 10 teachers who do the best work in this county.

The board was in session quite a while and a good many people from all over the county were present. Much interest is being manifested in the schools of the county this year.

FROM MT. HOMINY SECTION.

There was an ice-cream supper at Mr. Ollie Eake's Saturday night, very large crowd attended, mostly children. Messrs. Henry Newton, and A. B. O'Briant gave the instructions as to the making and serving of the cream. I am glad to say that everybody both old and young seemed to enjoy the cream. If nothing happens to prevent there will be another in the neighborhood next Saturday night.

Mr. A. B. O'Briant went to Durham last week and secured a typewriter for the purpose of gaining the speed that he has lost during the summer so that he may be able to accept a position some time soon.—Contributed.

FROM WARREN'S GROVE.

Born to Mr. and Mrs. A. J. Harris Monday morning, a daughter, mother and baby doing nicely.

Rev. C. R. Ross will begin a series of meetings at Warren's Grove on next Thursday night. Public cordially invited.—"C"

COUNTY INSTITUTE

Our County Teachers Institute Is Now History.

It was a great success from several standpoints.

Our conductors were excellent. Prof. Bell of Rockingham was with us the first week and left a fine piece of work to bless us. He is a fine gentleman indeed, possesses a great spirit, a big heart and excellent equipment for school work. His people believe him, he has been fourteen years at his present place as Supt. of schools and it seems that the work he has done is only an earnest of what is to follow. He was compelled to return to his work on Friday and Prof. S. L. Sheep took up the work of the second week. He also is a great school man and for twenty-nine years led the educational forces of Elizabeth City and the surrounding county with his excellent private school which for years ranked among the very best schools of our state. He is now Supt. of the schools of Marion, N. C.

He did not come to us as a stranger as many of our teachers had taken mathematics under him in the summer school at Chapel Hill. He rendered us excellent service.

Miss Bettie Land of Greensboro was our assistant conductor. She had charge of the Primary Department. She was with us the two weeks and has given our educational work a great uplift. Surely there are but few in N. C. her equal in her line of work. She has her subject matter well in hand and knows how to present. She possesses the faculty, in unique style, of deeply interesting those whom she teaches and leaves them with that healthy enthusiasm that makes them determined to put into practice what they have learned.

Her services are in great demand, but I learn that she is too much devoted to her work in Greensboro to accept any of the attractive propositions offered her.

Mrs. Beam conducted the Institute for the colored people. It was held in the colored graded school building. Judging from the enthusiasm created, the deep interest aroused, the high ideals set, the strong determinations fixed for better service and for better citizenship, her work must have been a great success.

All these conductors and teachers were greatly delighted with Roxboro and her noble people as shown in so many ways during the two weeks. They say in all their Institute work of years they have never been more cordially received, nor more kindly treated, nor more royally entertained than they were by the people of Roxboro.

Both conductors and teachers left praising Roxboro people for the pleasant and profitable time spent among them.

I do not know how much it cost to add so much to the pleasure of the teachers, but I feel sure that Roxboro people have never made an investment of like amount of money that proved as great a blessing as the amount spent in entertaining the teachers will bring as the years go by.

From the depths of my heart I say "Blessings on Roxboro and her people."

Sincerely
J. A. Beam.

ROSEVILLE NEWS

As I have not seen anything from this section in some time, I'll try to give a few items of interest.

The farmers are getting on nicely with their crops, the most of them have finished curing tobacco and cutting their corn, those who did not pull their fodder instead.

Mr. W. H. Moore had the misfortune to lose a barn of tobacco by fire on last Monday morning.

Mr. Jack Smith who has been quite sick is now able to be up again, and he really seems to be feeling good.

Mrs. Fannie Glenn is right feeble, being confined to her home. We hope that she may soon be able to be up again.

The little son Robert of Mr. George O'Briant, who has had fever is now rapidly improving, we are glad to say.

Miss Mattie Morton of Roxboro visited in this section last week. Miss Mattie is a noble young woman and was, when she lived in this her old neighborhood a favorite with all. She always receives a hearty welcome when she comes.

Mrs. Jennie Naylor, who has been visiting her sisters, Mrs. R. W. Crumpton and Mrs. J. R. Vanhook has returned to her home in Winston-Salem.

I'll close now for fear I may go to the waste basket.

TEACHERS ENTERTAINED AT THE LAKE

On last Thursday evening the citizens of the town invited the teachers attending the Institute to be their guests at a six o'clock dinner at the Lake. Promptly at five o'clock automobiles were in waiting at the graded school building and were quickly filled and speeding on their way to the Lake. A committee of ladies had preceded them and had made preparations for the dinner. After spending an hour about the club house, and listening to music, etc. dinner was announced and the crowd was well cared for by the committee mentioned.

There were about one hundred in the party and it looked as if every minute was greatly enjoyed by all present. After dinner there was more music and the party returned to town.

Evidently A Violation.

By request we are publishing the order below:
North Carolina,
Person County.

SUPERIOR COURT

August Term, 1916.

IN RE ROAD CONVICTS. ORDER.

It is ordered by the Court that the Clerk notify the Chairman of the Board of County Commissioners and the Superintendent of Roads that the law does not permit persons sentenced to jail and assigned to the road force to leave their places of confinement, except for purposes of road duty, and that permitting prisoners to leave their places of confinement except for purposes of road duty will subject the officials in charge of said prisoners to indictment for escape.

DEATH OF MR. SOL D. CLAYTON.

Mr. Sol D. Clayton died at his home in Danville on last Saturday at the age of 68 years. Mr. Clayton was a native of this county, a brother of our worthy Countyman, Mr. S. A. Clayton.

THE REPUBLICANS

CARRIED MAINE

Elected Governor, Two Senators and Four Congressmen.

Augusta, Me., Sept. 11.—The republicans today made a clean sweep in Maine. They elected Carl E. Milligen governor by upwards of 11,000 plurality. They elected two senators, Frederick Hale and Bert M. Fernald. They elected four congressmen, Louis B. Woodall, in the first district; Wallace H. White, in the second; John A. Peters, in the third, and Ira G. Hersy, in the fourth.

The returns show a republican gain of about thirty-five per cent over the vote of 1914, and a democratic gain of about seven per cent. The republicans apparently captured about eighty per cent of the progressive votes.

Indications are that the entire state ticket has gone through in the landslide, thus giving the republicans a majority in both branches of the legislature.

REV. T. N. IVEY IN ROXBORO.

On last Sunday morning Rev. T. N. Ivey, of Nashville, Tenn., preached the opening sermon at Grace Methodist Church, and in the evening at 7:30 o'clock he preached at the Edgar Long Memorial church. Dr. Ivey was greeted by a large congregation, in fact the house was literally packed. The sermon, which was based on the text, "Blessed are they who do hunger and thirst after righteousness, for they shall be filled", and was easily one of the finest this writer has ever listened to. His english was beautiful and at times his flights of oratory were beyond description.

Few men have been loved by our people as has Dr. Ivey, and this was evidenced by the fact that in his congregation Sunday night were to be seen many of the leading members of all the various churches of the town. The one universal regret of the town is that Dr. Ivey comes this way so seldom.
