## Short Session Monday—C. H. Hunter Elected Chairman of Board.—Bridges to Be Built at Mill Creek and Mayo.

The County Board of Commissioners met in their regular session Monday morning. Mr. Daniel Long, recently appointed commissioner to fill the unexpired term of Mr. E. B. Reade, sat in his first meeting on that date. Mr. C. H. Hunter was appointed chairman of the board to fill the unexpired term of Mr. Reade's.

The authority was given to Mr. A. Kimery, road superintendent to let contract for bridges Mill Creek and Mayo. These bridges have been needed for some time and the people of that section will be glad to learn of the board's decision.

The usual routine of business was taken up by the board and passed upon. The board adjourned at 1 o'clock.

Have just received car load of horses. You will save money by seeing my horses if you intend to buy. T. J. Hatchett.

## ROBINSON'S CIRCUS TO BE HERE OCT 17.

Features that were planned and arranged especially for the amusement and instruction of the children are found in a grand profusion in John Robinson's Ten Big Shows which will exhibit in Roxboro, Tuesday, October 17th, both afternoon and evening. The general director of this splendid circus, thinks the world of children, and he has at much labor and expense, perfected a series of comedy acts that are daily furnishing veritable barrels of fun to countless boys and girls, the country over. With the dean of America's producing clown as the comedian in chief, the clowns number 25, and, although they cause the most serious men and women to laugh heartily, they have been especially instructed to cater to the little folks.

Aside from the clowns, numerous animal acts and tableaux have been perfected solely for children. Then there is the zoological display—said to be the most complete under canvas—which will probably impress the little ones as the most wonderful portion of the whole circus.

Certain it is that the managerie is of inestimable educational value, and it is to be sincerely hoped that all parents will take advantage of the opportunity afforded by the large managerie of John Robinson's Ten Big Shows to acquaint their children with the looks and mannerisms of the wild beasts that have been collected from all parts of both hemispheres and carefully classified. Remember the date Tuesday, October 17th.

## D. A. Murdock Bound Over to Court.

Some days since Deputy Sheriff Morris had information that D. A. Murdock, who lives on a farm belonging to Mr. A. R. Foushee just south of town, had made a trip to Virgilina and was returning with a load of liquor. He got busy and with others proceeded out on the Virgilina road and awaited the return of Murdock. He did not have long to wait, for soon he came along and after being arrested he was found to have with him about sixteen gallons of liquor. After trial he was bound over to court, giving bond in the sum of \$350. The section around Picks siding has seemed to be a regular hot bed of blockading and the citizens of that section are very anxious to see the business broken up. At the last term of Court a negro was sent to the roads for operating in this same section.

## D. W. Oakley's Photographic Prize.

## TRYING THEM OUT.

Quite a number of farmers tell us that they have divided their load of tobacco and sold one half of it on this market and sent the other half to other markets, and without an exception they say they have received more for that sold here than elsewhere. What better proof could you ask?

## HON. JAMES S. MANNING SPEAKS.

Hon. James S. Manning Delivers A Masterful Speech to Democrats.

On last Saturday evening Hon. James S. Manning, candidate for Attorney General, addressed the citizens of Roxboro. The crowd was not in keeping with the speech. In deed and truth, the speech of Judge Manning was one of the finest ever delivered here. His speech was an argument from beginning to end, and showed that the speaker was well acquainted with his subject. His deliverance on the eight hour law was the plainest we seen or heard, and we do not believe there was a man in the audience but was thoroughly convinced that President Wilson did the wise thing in favoring this act.

His speech throughout was a masterpiece, full of logic and reason, and we regret that a larger number did not have the privilege of hearing it.

## TO OPEN EVERY NIGHT.

Beginning with next Monday night the management of the Princess theatre has decided to open the theatre every night. The Universal pictures will be shown, and the people of this vicinity are assured of seeing good pictures, as this service is well known.

One day last week the Hyco Warehouse made the high average of Twenty One dollars and forty cents, including every pile on the floor. Like 1913 the farmers are all happy and are boosters for the Roxboro market.

## Ballie Satterfield Averaged \$39

Probably the best sale made here this season was that at the Hyco for Mr. Ballie Satterfield. He had a load of a little more than one thousand pounds which sold for \$415, an average of \$39 for the entire load. Just think of it, a two horse load selling for \$415—but he sold on the Roxboro market, which accounts for the big average.

## A PILGRIM'S PRAYER.

Lord, make me gentle, since the ways Of earth are filled with needless strife, Let me be gentle all the days Of this my life! Let me go softly also my feet, Noiseless, their mission may fulfill— A tranquil farer in the street

Drum 650 lbs \$216.38, Geo. Vinson 1100 lbs \$334.57. And a good many others that were just as well pleased.

Among those who attended "The Lilac Domino" in Durham, on Friday evening were: Mr. and Mrs. E. E. Bradsher, Mr. and Mrs. R. L. Harris, Mr. and Mrs. P. T. Freeland, Misses May Wilson and Breta Noell, and Messrs. M. R. Long, Victor Burch, Guy Winstead, Abe Davis, C. W. Allison, E. G. Long, W. S. Clary, Jr., Dr. W. T. Long, E. M. Davis and J. A. ## MONDAY BIGGEST DAY OF THE YEAR

131,000 Pounds Sold At An Average of \$19.09, Every Pile Included

The Roxboro Tobacco market is making history these days. The number of pounds and the price paid makes 1913 look small.

Our market for the past week was the largest and highest for the season so far, the average being \$18.88.

The week closed the month of September with the largest sales and highest prices in the history of the market for any September. The sales being over 50,000 pounds heavier and the average \$2.16 higher than 1913, which was the high year.

Monday's sale was the largest of the year so far, there being 131,000 pounds sold for an average of \$19.09. The tone of the market continues firm on all grades.

Sell your tobacco in Roxboro.

## FAIR BIG SUCCESS

Third Annual Fair a Decided Success. Every one Praising President and Secretary.

The Person County Fair opened yesterday morning and everything was in readiness, with great displays in all departments. The exhibits are a credit to the County, and the people are taking an active interest.

President Joe Carver has worked without stint to make this the biggest and best, and his efforts have been crowned with success. The many attractive exhibits and the big carnival are drawing good crowds and with fair weather there will be record breaking attendance on today and tomorrow.

If you have not been a visitor you do not want to miss it. Come today, you will not regret it.
