ROXBORO'S BEST AVERAGE PAST WEEK

Tobacco Keeps Climbing Up On The Roxboro Market, Average Last Week Being \$23.58.

Sales for the past week were rather light owing to the excitement of the election. The offerings however, were closely watched all week and every pile had attention, all of the buyers buying as if they wanted the weed.

The market made an increase in prices all of the week and closed with the highest average for the year, the average being \$23.58 for everything sold. Owing to the seasonable weather for the past few days we are expecting larger breaks for the coming week.

NOTICE OF SALE

I will sell at public auction at the C. W. Holsomback place on Saturday, November 18, 1916, all the personal property belonging to the said Holsomback. Sale to take place at 10 o'clock. W. G. Rogers.

COUNTY SCHOOL NEWS.

The school work is moving on well throughout the county. In most schools there seems to be new life and excellent work being done. It seems that the students are deeply interested in their school work and are more determined than ever to get an education. Our teachers too are working with a vim, and are bringing things to pass.

Don't fail to attend the debate on Woman Suffrage next Friday night. It will be held in the Court House, and everybody is not only invited but urged to be present. We want the ladies of Roxboro to hear this debate.

The Teachers Association meets next Saturday at 10 A. M. All the white teachers are expected to be on hand. Our last meeting was excellent, but we hope to have a better meeting next Saturday.

Some say that hosiery and underwear are hard to get, you will find them at Morton & Satterfield.

DR. E. J. TUCKER

Who will represent the 17th Senatorial District in the next State Senate, representing Granville and Person Counties. Dr. Tucker ably represented this County in the last session of the Legislature and was recognized by the leaders as one of the most faithful and useful members, and we predict he will take a high stand and be a prominent figure in the Senate.

CABBAGE PLANTS

I have ready for delivery, a nice lot of cabbage plants. Almost every one in the County who raises cabbage knows what my plants are, and how successful they have been with them. Price \$1.50 a thousand. Call early and get choice of these plants. J. W. BROOKS, Roxboro, N. C.

PERSON COUNTY DEMOCRATIC

Democracy Wins in The County In Both State And National Tickets.

In our reports last issue the vote was given before the entire County was heard from and after getting the full vote and same canvassed it was found that the County had gone Democratic for the Presidential ticket, for Governor Bickett, while Major Stedman and his opponent, tied, with the County breaking even, four of the Democratic ticket and four of the Republican ticket being elected. So, you see, after all the Democratic party did not fare so bad. Below we give the majorities received by each candidate:

Presidential electors—democratic 953, republicae 917, democratic majority 36.

Governor—Bickett 937, Linney 929, Bickett's majority 8.

Congress—Stedman 927, Grisom 927.

Senate—Dr. Tucker 940, Dr. Sikes 924, Tucker's majority 16.

House—Hall 849, Pass 1001, Pass' majority 152.

Register of Deeds—Clayton 916, Woody 952, Woody's majority 36.

Sheriff—Thompson 962, Hunter 911, Thompson's majority 51.

Coroner—Dr. Bradsher, 953, Wrenn 905, Bradsher's majority 50.

Commissioners—Whitt 985, Bailey 996, Long 1001, Montague 886, Harris 946. Whitt, Bailey and Long were elected.

Card of Thanks.

We wish to extend our heartfelt thanks and appreciation to all who so kindly rendered their services to us during the recent illness and death of our dear sister, Eliza Pointer. We appreciate their many consoling words of sympathy, and May Heaven's Richest Blessings rest upon each of your.

OLIVE HILL DEMOCRATS DID EXCELLENT WORK.

While the Democrats of the County did a good days work on election day we believe that old Olive Hill Township should have the banner for effective work, for at that precinct an extra effort was made owing to the fact that some of the candidates formerly lived there, but they held Democracy in line and came up with an increased majority. Of course, Cuninghame is not to be forgotten, for she came up with almost a unanimous vote. What a Democratic County this would be if there were a few more Cuninghame townships.

DURHAM CELEBRATES

A very large crowd attended the Democratic celebration which was pulled off in Durham Monday night. Through the courtesy of our good friend Mr. Joe H. Carver we were glad to rejoice with our neighbor Democrats. Mr. J. G. Moore, Willie Carver and the Editor enjoyed the trip in Mr. Carver's car.

Durham had put on her best clothes, being decorated in a becoming manner for the occasion and it was a great sight to see the many laughable performances. Hon. R. O. Everett and Postmaster Otho Lunsford headed the procession riding Durham county mules, the riders sporting high silk hats, following them we should say were several thousand on foot carrying torchlights, interspersed with brass bands, in the rear came hundreds and hundreds of automobiles gaily decorated. The float which attracted the most attention was one in the shape of a boat in which was several young ladies with oars in their hands, the side of the boat being labeled "We Wood-Row". It was a glad evening and thoroughly enjoyed by all—no, not all, but by every Democrat.

LOST—Rain Coat, between Moriah and Surl. Return to this office and receive reward. J. H.

Our New Store

As our store is now completed except a few finishing touches and the furniture and fixtures are all in place, we do not think it amiss to have something to say about it.

And Whe We Built It

Many people wondered why we would tear down such a good store as we had and called it a waste of money. Since they have seen what an improvement we made we think they now know a good reason, but there are many. We may never realize as much return in dollars and cents as we put into it. But we have a sense of pride in our business that made us want to have not only the "Best Store in Roxboro," but the best looking one. Then we have a sense of pride in our town and county that made us want to give them as good a store as any neighboring town or county had.

Again we wanted to give our loyal customers whose business has made it possible for us to build such a store as comfortable and convenient place to trade as they could find. Also we wanted to make it comfortable and convenient to our loyal sales force as well as ourselves. In short we wanted to make it attractive to everybody. Come and see how we have succeeded.

In spite of the fact that we have had all this work on our hands and have moved our stock twice we have made a new high record this year and our trade is far ahead of any other year.

Mr. Burns is now in Baltimore buying goods to fill in the gaps that have been made by the great rush of business. This is his fourth trip to market this year. It means business and we want yours.
