CALOMEL-TODAY. SICK TOMORROW.
 Dose of Nasty Calomel Makes You Sick and You Lose a Day's Work. Calomel salivates! It's mercury. Calomel acts like dynamite on a sluggish liver. When calomel comes into contact with sour bile it crashes into it causing cramping and nausea. If you feel bilious, headachy, congested, and all knocked out, just go to your druggist and get a 50 cent bottle of Dodson's Liver Tone, which is a harmless vegetable substitute for dangerous calomel. Take a spoonful an it doesn't start your liver and straighten you up quicker than calomel and without making you sick, you just go bako and get your money. If you take calomel today you'll be sick and nauseated tomorrow; besides it may salivate you, while if you take Dodson's Liver Tone you will wake up feeling great, full of ambition and ready for work or play. It's harmless pleasant and safe to give to children; they like it.
 Three Years of War.
 The war that begun three years ago has brought us three years nearer to peace. It has done some other things. It has brought us nearer to the time when the people of every land shall rule and be the sovereigns of the state, and not the servants of a sovereign. It has brought the old world to realize that the aristocracy of manhood is far better than the aristocracy of birth. It has taught the new world that there is something higher than the making and spending of money and that service to humanity is the noblest service of all. It has taught the whole world the bitter lessons of adversity and of the chastening hand which spares not those it loves. Inhuman, cruel, ruthless, sanguinary, awful in every aspect as this greatest of all wars has been and must be, it will be worth its terrible toll if it shall lift up the eyes of a thoughtless, luxurious, spendthrift world "unto the hills from whence cometh our help." In God we trust!—Leslie's.
People Speak Well of Chamberlain's Tablets.
 "I have been selling Chamberlain's Tablets for about two years and heard such good reports from my customers that I concluded to give them a trial myself, and can say that I do not believe there is another preparation of the kind equal to them," writes G. A. McBride, Headford, Ont. If you are troubled with indigestion or constipation give them a trial. They will do you good.
