Among the New Buyers.

There has been several changes on the market here this season, an it is rather remarkable that of the three changes two of the new men are old County boys, Maj. J. P. Meadows—of course you will recognize him as plain Plunk, and Mr. J. H. Dixon. The other change was Mr. R. B. Smith, who takes Mr. W. K. Meder-nack's place with the Leggett & Meyers Tobacco Co. Maj. Meadows represents the Export Co., and Mr. Dixon the R. J. Reynolds Tobacco Co., to these add the name of Mr. J. T. Walker, buyer for the American Tobacco Co., and you will see that three of the large concerns are represented by home-raised boys, which makes this market indeed and in truth a "home market."

A Shoe is Only as Good as its Sole

If the sole is "holey" the water gets in and hubby or wifey gets "scrappy." If your shoes are run over at the heel and worn off at the toe, of what account is the quality of the leather, the smartness of shape or the skill of craftsman? A POOR SOLE HAS OFTEN DAMNED A GOOD SOUL. I do the best kind of repairing in the quickest and best possible way. Let me repair your old shoes and save you money. Visit my Repair Shop and see what I am doing for Sick Soles. I use the following Standard Machines: Champion Nailer, Landis Power Sticher and the Singer Vamp Stitcher.
