THE BROWNING BIG TENT MEETING.

The Browning meeting begins in Roxboro the third Sunday, June 18th. With him comes a party of three associates, all well known in the field of evangelism. Rev. Miss Carolyn Hosford, of Springfield, Mass., musical director, soloist and woman's worker; Miss Myrtle Ford of Troy, N. Y., pianist, and Fred Seibert, tent man. All three of these workers will be on the field next week getting things lined up in readiness for the meeting. Mr. Browning will come in towards the last of the week, (next) after having a short period of rest between the closing of his great campaign in Graham with large numbers of additions to the various churches. The tent will be pitched on the graded school grounds in easy access to all the people both in the town and country, with a seating capacity accommodating thousands, and adequate provision made for additional seating capacity as demanded. Services will be conducted in the tent every day and night, with the possible exception of Saturday and Monday mornings, for three or four weeks. A large chorus choir under the leadership of Miss Hosford will occupy the platform at every service. She asks that a music committee be formed in each church cooperating and to meet her with all who will help in the music in the Methodist church Wednesday evening at 8 P. M. for the first rehearsal and organization. All who can sing at all are not only invited but are urged to join this chorus. New song books are to be used and the music will be one of the strong features of this meeting. **J. B. HURLEY.**

ADDRESS BY MR. SLOAN.

Mr. Charles A. Sloan, editor of the Oteen Echo, at Asheville, will make an address to the public in the school auditorium Thursday evening June 14th, at 8:15. Mr. Sloan comes to Roxboro under the auspices of the American Legion, but his address will be of a great interest to the public at large as it will be to ex-service men. Arrangements are being made for special music by the Music club and other home talent in connection with the address and everybody can spend an enjoyable and profitable hour by attending. After the exercises in the auditorium all ex-service men are requested to meet in the office of Crowell Auto Company, where refreshments will be served.

MRS. DEVLAMING GOES WITH THE COPS.

A. S. Devlaming, one of the best known and most popular buyers on the market has accepted a position with the Co-operative Tobacco Growers Association. We do not know what position he will fill, but we do know to Association has made no mistake in securing the services of Mr. Devlaming, for he is easily one of the best tobacco buyers of this section, a man of wide influence and will mean much to the Association in North Carolina.

MOVED TO GREENSBORO.

Mr. Geo. W. Hart moved his family to Greensboro last week. He has been engaged in business in that good city for several months, but he had not moved his family as he wished to keep his daughters in school during the school year. We regret to see these good people leave us, but if they will go we know of few better cities to move to than Greensboro.

BIRTHDAY SUPPER.

Mrs. R. N. Featherston gave a birthday supper last Thursday night in honor of her brother, Judge J. C. Pass. We are now going to say just how old the Judge is, but suffice it to say the cake, which was a large one, was not large enough to carry all of the candles necessary, hence the candles were omitted.

SLIGHT ACCIDENT.

Last Saturday evening as Rev. R. E. White and family were on their way to Durham they met with a slight accident. It seems a party driving in front of them came to a sudden stop, without giving any notice when Mr. White's car bumped into it. Aside from slight bruises no one was hurt and neither of the cars suffering very costly injury.

HENDREN-LONG WEDDING

The following wedding in Winston-Salem will be of much interest to friends here. The wedding of Miss Elizabeth Hendren and Charles Wesley Long solemnized Saturday evening at 6:30 in the West End Methodist church was one of the most brilliant events of the season and one of wide interest throughout the state. Mrs. Long is the eldest daughter of Mr. and Mrs. W. M. Hendren and popular with a large number of friends both old and young throughout the state. She graduated from the city high school and after attending school at Converse college, Spartanburg, S. C., and Gunston Hall, Washington, D. C. She is a young woman of attractive winning personality and one of the most popular young girls in the city.

Mr. Long, originally of Roxboro, has made his home in Winston for a number of years and has made many warm friends. He attended school in Baltimore and now holds a responsible position in the manufacturing department of the E. J. Reynolds Tobacco company.

Mr. M. R. Long was one of the groomsmen, and little Miss Oyeda Long was one of the flower girls.

NOTES.

It is hoped that many of our citizens read that fine article in the News and Observer a short time ago. It was written by the Editor, Hon. Josephus Daniels, who delivered such a fine address at the Unveiling of the Monument and Old Soldiers Re-Union.

He wrote of his trip to Person County, praising her people, her roads, her schools and her churches. He was pleased to note the wonderful progress the county is making, and wished that his home people in Raleigh were doing as well. The soil, the climate, the farm lands, the beautiful country homes, all appealed to him strongly.

He certainly gave Person County a send-off in his article. It is a fine advertisement for us. Many of us do not stop to consider the real progress we are making. Neither do we know what a great county we have. We are not conscious of the advantages and possibilities in our county. Our people are great, our citizenship is such that any state would be justly proud of. All over the county our people are reaching out for better things—better farming, better marketing of crops, better roads, better schools, better churches, and better communities in which to live.

Last and possibly the greatest of all, is the great constructive spirit that is being rapidly developed in our citizens. Surely there is a bright future ahead for Person County. Let us work, hope, and pray that each citizen may do his part in making Person the leading county in the state.

A letter from Miss Williams, the Health Nurse who examined the school children in this county for tonsils, adenoids, eye sight, etc., says that the Clinic for correcting existing troubles in regard to these will be held in Roxboro, N. C. about the 15th of July. She urges that all parents whose children need attention along these lines, will please bear in mind the date of the Clinic and have their children ready for treatment. She herself will come to Roxboro about the 1st of July and will be glad to talk with any parents about their children.

Don't put this off. It may mean the salvation of your child. See Miss Williams as soon as she gets here. **J. A. Peasm.**

AN EXAMPLE FOR THE TEACHERS.

I wish to submit an example to the teachers of this County who are now in school here. If you can work it, I will see that Superintendent Benge gives you a first class certificate, at least on merit papers. Here it is: You and I have 30 apples each. You go up street with yours and I go down street with mine. I sell my apples 2 for a cent, and you sell yours 3 for a cent. We meet and we find we have received 25 cents for both transactions. You take 60 apples the next day and sell as you sold the day before, 5 for 2 cents. You receive 24 cents. How did you lose 1 cent? **C. W. BRADSHER.**

LATE ELECTION RETURNS.

With the official count Maj. McLendon defeats Mr. Gattis as solicitor by a majority of 244. Mr. Gattis carried every county in the district save Durham. Maj. McLendon's home county.

For corporation commissioner Lee defeats Avery by a vote of about 15,000. Probably no vote outside of this County was watched with more interest than that of Mr. W. L. Foushee who was running for the legislature in Durham County. He lost out by a majority of 581.

The Roxboro team tried it out again yesterday with the strong Brookneal team, the score being 5 to 3 in favor of Brookneal the game standing 3 to 3 at end of the ninth inning. The boys say it was one of the very best games of the season.

ADDRESS TO THE LADIES

Mrs. Gurney will deliver an address to the ladies at the Presbyterian church Friday evening at 8 o'clock. All of the ladies are cordially invited to this address.

DIPHTHERIA AND CROUP.

Because there has been an increase in the number of deaths due to diphtheria within the last three years from 242 in 1919 to 236 in 1920 and 363 in 1921, an appeal is being sent out by the N. C. State Board of Health to every physician in the State and to the mothers in many sections, by letter and through the press, to begin immediately to take steps to lower the death rate from diphtheria and croup. There has been a gradual increase in the number of deaths from diphtheria and croup in the registration area the last few years, but that should be no consolation to the physicians and public who have placed their State from the one that had a high death rate from diphtheria and croup. The number of children that will die from this disease in 1922 depends upon the promptness of parents in calling doctors in suspected cases of sore throat, the immediate administration of different doses of antitoxin, the early reporting of cases and strict observance of quarantine. However, the best measure to control the disease is to give every child between six months and six years six doses of toxin-antitoxin. As it takes several months for the effects of this treatment to be established, now is the time for the mothers and doctors to act. Very truly, **W. A. Bradsher, Quarantine Officer.**

LETTER OF THANKS.

To the Democratic Voters of Person County: I wish it was possible for me to see each one of you who so kindly and faithfully helped me in securing the nomination for Sheriff of Person County and thank you personally for your efforts. But this is almost impossible and I take this method of rendering you my most profound thanks. I appreciate fully everything done for me and believe that it means you intend to have me for your next Sheriff, and if so, I promise faithfully to do my very best to make you an officer in which you may take pride. With many thanks, and relying on your future efforts at the coming election, I am, Your obedient servant, **J. MELVIN LONG, Roxboro, N. C. June 6, 1922.**

SOME FINE VEGETABLES.

We are under obligations to our good friends, Mr. and Mrs. I. T. Glenn for some very fine vegetables. In the lot was a cabbage which weighed just 7 pounds and some of the largest and finest potatoes we ever saw for this time of the year. If any one has any finer they will have to show us—word of mouth will not count in this contest. **Subscribe to The Courier Today, \$1.50 A Year, and Worth It.**
