WEEKLY FARM NOTES

September 2-9, 1922.
WEATHER:

The weather during August was remarkably cool, being about the lowest on record for that month. The past two weeks have been very hot and dry, especially in the Piedmont area. The eastern part of the state had occasional showers, which have hardly had any appreciable effect on crops. The hot and dry weather has affected the mountain area also, being too dry for plowing in that section.

GRAINS:

With threshing completed, the wheat yield was very low, it being only 50 per cent in the eastern counties and but little higher in the Piedmont.

TOBACCO:

With the weather favorable for the curing of tobacco, much has been marketed. The condition of the States tobacco is very variable. In the old, or Piedmont belt, the crop is quite satisfactory, which in the new, or eastern belt, it varies widely. Some of the eastern Carolina deliveries are in high order. The thin and light weight conditions meant too much wet weather. Greene county is the center of the poorest and worst condition.

FRUIT:

The apple crop is generally good east of the Blue Ridge Mountains and the quality is good, while west of the mountains, indications show from 40 to 65 per cent of a normal crop. North Carolina pears and grapes are being marketed and are bringing only a fair price due to the poor quality.

LIVE STOCK:

Hogs seem to be on the increase with indication of a heavy marketing season. Cattle show a good condition, as does most stock.

PEANUTS:

The outlook for peanuts is satisfactory. Pock yields are anticipated. Reports of poorly nitted plants have been received.

FARM ACTIVITIES:

Some cotton is being picked, tobacco marketed, and hay is being cut and fall crops sown. Many sweet potatoes are being dug in the east.

BIBLE THOUGHTS

For This Week

THE FIRST COMMANDMENT:—Thou shalt have no other gods before me.—Exodus 20: 3.

THE SECOND COMMANDMENT:—Thou shalt not make unto thee any graven image or any likeness of any thing that is in heaven above, or that is in the earth beneath, or that is in the water under the earth, thou shalt not bow down thyself to them, nor serve them: for I the Lord thy God am a jealous God, visiting the iniquity of the fathers upon the children unto the third and fourth generation of them that hate me; and showing mercy unto thousands of them that love me, and keep my commandments.—Exodus 20: 4-6.

THE THIRD COMMANDMENT:—Thou shalt not take the name of the Lord thy God in vain: for the Lord will not hold him guiltless that taketh his name in vain.—Exodus 20: 7.

Tobacco Growers Cooperative Association,
Raleigh, N. C.

Florence, S. C., September 18, 1922.

The Tobacco Growers Cooperative Association in South Carolina is a splendid success. The city of Florence, including banks and business houses, is 100 per cent cooperative. We feel that we have doubled the price of our entire South Carolina tobacco crop the first year of its operation. Our sales committee is meeting with wonderful success in selling our tobacco at satisfactory prices. Even the non-signers are giving the Association credit for the increase in price. Every one appreciates the orderly manner of marketing as against the old dumping system. When the doors are opened again for signers we expect to see our membership increased to nearly 100 per cent. We consider the movement the financial salvation of the South Carolina tobacco farmer.
