

**CHURCHES PRESENT
PASTOR WITH CAR.**

Dear Mr. Editor:
If you will allow me just a small space in your paper I will appreciate it very much. I wish to write a few lines to express my appreciations to the people of my field for their kindness shown us since we have been in their midst.
We moved here May the 30th of this year. The kind hospitality of the people began to manifest itself even before we arrived. Through the kindness of the splendid people of North Roxboro Church, trucks were sent to Wake Forest and moved us free of charge.
Upon our arrival at our new home at Bethel Hill we were met with a pounding from Providence. This filled both our hearts and pantry. We will never forget the good supper provided by our neighbors which was soon ready for us as new comers in a

strange land. The fountain of hospitality which sprang forth on that beautiful night of May, has not ceased to flow. Only a few days had passed before the good people of Bethel Hill came to welcome us in their good community. Their way of doing this was to load our tables with lots of good things to eat, and fill our rooms with happy and cheerful guests. Upon almost every visit that I have made I return with gifts presented by the good people of my field.
Not many days ago while Father and I were in Roxboro, a good Brother gave Father a nice horse, harness and wagon.
The greatest of all the nice gifts was presented the other day. Just before supper on the night of September the 30th, I was sitting on my front porch playing with the babies, when one of them said, "Look Daddy, two cars are driving in the yard."

Well they drove up quickly and stopped. I went out to invite them in and was glad to find that Bro. "Julie" Perkins and his daughter, Miss Nannie Pearl, Brothers "Jens" Fox, C. E. Cozart, Will Jones, and W. W. Morrill. We went in the house and soon supper was ready. Bro. "Julie" says, "Before we go to supper we have something to say." So we hesitated a moment and Bro. Morrill took the floor. Of course he began with his wit as only a yankey can do. He began to enumerate some of the progress that our churches have made since we have been on this field. He also expressed their embarrassment in seeing me driving around in my old Ford, and in behalf of the churches of my field, namely, Antioch, North Roxboro, Providence, Mill Creek, and Bethel Hill, they had come to present me with a new Ford touring car 1923 model.
Now you know that I was unable

to speak for a while, I tried to express my appreciations but was unable to do so. All that I could say was thank you all. Dear friends and to all who had a part in this great gift. I wish to express my most sincere gratitude for this and all other wonderful favors that you have shown me. My prayer is that God may bless you all, and that He may help me to live worthy of your confidence, and be able to render a greater service in His kingdom among these good people.
Sincerely,
N. J. Todd.
NOTICE TO TAX PAYERS.
All taxes are now due and must be collected. Come and pay your taxes or prepare to pay my deputies when they call on you and settle your taxes promptly.
This October 10, 1922.
J. M. O'BRIANT, Sheriff.
