NO. 21 "HOUSE OF PERSONAL SERVICE" FUNERAL DIRECTORS.

Personal service in looking after mortuary work is a much appreciated characteristic of a leading firm of Roxboro funeral directors. This firm has had many years of experience in undertaking and funeral directing, and is now better prepared than ever to render satisfactory service. Obsolete methods and equipment have been discarded by this progressive firm and the closest attention is paid to detail which is always appreciated. Both Motor and horse drawn hearses are employed and a large and complete stock of all grades of caskets, burial outfits, robes, suits, etc., are carried in stock, and can be supplied on the shortest possible notice. In accord with the firm's policy of rendering the most valuable service the Clark grave vault, embodying nature's own method of protection, can be supplied whenever desired. Calls are answered promptly, day or night. Name this firm, and State what other line of business is engaged in. Give both day and night phone numbers.

Queer Feelings

"Some time ago, I was very irregular," writes Mrs. Corn Robie, of Pikeville, Ky. "I suffered a great deal, and knew I must do something for this condition. I suffered mostly with my back and a weakness in my limbs. I would have dreadful headaches. I had hot flashes and very queer feelings, and oh, how my head hurt! I read of

CARDUI

The Woman's Tonic and of others, who seemed to have the same troubles I had, being benefited, so I began to use it. I found it most beneficial. I took several bottles . . . and was made so much better I didn't have any more trouble of this kind. It regulated me." Cardui has been found very helpful in the correction of many cases of painful female disorders, such as Mrs. Robie mentions above. If you suffer as she did, take Cardui—a purely vegetable, medicinal tonic, in use for more than 40 years. It should help you. Sold Everywhere. E 99

Buy the best! Columbia Dry Batteries

More Columbia Batteries are used in the United States than all other makes combined, because— Columbia have been manufactured on a large scale considerably longer than any other dry battery. They have over 30 years of battery manufacturing skill and improved equipment behind them. Every improvement of any account has been developed in the Columbia laboratories. The Columbia "Hot Shot" was the first successful assembly of dry cells in one package. And again Columbia has demonstrated its leadership through the development of the new Steel Case "Hot Shot" Battery. Wherever a dry battery is needed, Columbia will always give the best service.
